## Hawaii Becomes the 50th State to Join the Union

On August 21, 1959, Hawaii became the 50th state to add its beauty and culture to the United States of America. While every state in the Union has many beautiful areas that enhance the country, below are just a few. See if you can match them to the state they are in. Choose the name of the state or district from the box on the next page. One state will be used twice.

1. Storm Castle Peak in the Gallatin Gateway area of the Rocky Mountains southwest of Bozeman, \_\_\_\_\_
