SUMMERHILL PYRAMID WINERY

It's no wonder Summerhill Pyramid Winery is the most visited winery in Canada. With uninhibited views of Okanagan Lake, a pyramid with amplifying powers, organic grapes and one of the best tasting sparkling wines in the valley, I make it a monthly stop. It is also conveniently located in my neighbourhood! Grab a spot on their patio and enjoy a view during sunset. It'll be well worth the trip!

THERAPY VINEYARDS

No trip to the Okanagan is complete without a visit to the Naramata Bench. It seems like each year there are new wineries, new discoveries and even more delicious restaurants popping up each year.

Therapy vineyards is no exception. With a newly added pizza oven, a guest house with a view of the vineyard and Okanagan Lake you'll want to take a weekend for your own mental well being. With Freudian sips like Fizziotherapy and views reminiscent of Italy, you'll be scheduling your next appointment with their delicious wines.

SEE YA LATER RANCH WINERY

With a million dollar view like the one at See Ya Later Ranch you'll be shocked at the inexpensive price of the See Ya Later Ranch Brut (\$19.99).

Take your time, order a hearty sandwich from the restaurant, and share some quality time with your K9 pal as they are welcome and even appear on the labels!

The vast field of grape vines and the serpentine Okanagan Lake make this one of the best locations to enjoy a uniquely Okanagan spirit.

GRAY MONK WINERY

Nestled amongst orchards and farms against the Okanagan Lake between Kelowna and Vernon is Gray Monk Winery. Have lunch at their on site restaurant with unparalleled views in a villa setting.

With four different sparkling wines to choose from you might just have to test them all to find your favourite to pair with this view.

A Local Favourite

MY OWN FAVOURITE PAIRING

Short on time but still want to experience quintessential Okanagan? Head up to Kelowna Mountain with a bottle of bubbly purchased from the local liquor store or VQA shop.

Kelowna Mountain offers near 360° views of the valley with plenty of picnic tables for your relaxing pleasure. Pack a lunch and sit inside the cave equipped with chandelier and a long table or take a seat at the amphitheatre terrace overlooking Kelowna and Okanagan Lake.

The local favourite sparkling wine is generally agreed to be Blue Mountain Brut. It's easy to find at practically any store or restaurant and bottles range from \$23 - \$40 making it an easy choice for an evening of grand celebration or simple pleasures.
