National History Day in Colorado
2021 Regional Winners Packet

ATTENTION! PLEASE READ ALL OF THE BELOW CAREFULLY!

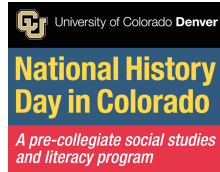

Due to the COVID-9 Pandemic and the ever-changing public health situation, decisions regarding the State Contest on May 1, 2021 may have to be made on short notice. The packet contained herein outlines information should the State Contest take place in-person on the CU Denver campus per normal. Locations changes and restrictions on guest attendance may have to be implemented. It may also be necessary to transition the contest to a Virtual Contest.

Please monitor your email carefully, as all changes will be communicated via email.

In preparation for the possibility that the State Contest may have to take place virtually, please note the below details.

- All final projects **MUST** be submitted digitally regardless of contest format to nhdc@ucdenver.edu by April 23 at 5:00 pm to accommodate possibly contingency plans. Please closely review the [Digital Submission Guidance](#) for specific instructions on this process. PLEASE FOLLOW THESE DIRECTIONS CLOSELY.
- Please make sure to include a complete and correct mailing address in your registration. If the contest takes place virtually, a Contest Program, t-shirt, and button will be mailed to your home address.
- If the contest is moved to a virtual format, the CU Denver Lunch and Learn will take place at the originally scheduled time via Zoom. The link will be sent out to registrants should that be necessary.
- If the contest is moved to a virtual format, all interviews during the preliminary rounds will be conducted via Zoom. Specific links will be sent out to participants, should that be necessary. Interviews are mandatory.
- If the contest is moved to a virtual format, the Awards Ceremony will take place via Facebook Live at 5:00 pm on Sunday, May 2.
- If the contest is moved to a virtual format, all evaluation forms will be emailed to teachers following the contest. Teachers will need to distribute these to their students.
- National Qualifiers: While the 2021 National Contest will be taking place virtually, NHDC is still planning on taking National Qualifiers to Washington, D.C. as long as public health conditions provide for such travel and gathering, as well as University policies.

Please stay tuned for additional forthcoming details!

Please read through all of the information thoroughly

If you do not intend to participate in the State Contest, notify your regional coordinator immediately so that an alternate entry can take your place.

Attendance is mandatory. No exceptions! Groups must send at least one representative to the interview. Performance groups may not replace a team member once they have entered the contest phase (See Rule 3 in the official Contest Rule Book).

Online Registration & What to Expect on the Form:

- Go to nationalhistorydayincolorado.org and click the “Register” button in the “State Contest Registration” box on the homepage or reference the link on the Qualifiers Slip.
- **IMPORTANT:** Each participant, whether an individual or a group participant, must fill out their own online registration **AND** pay an entry fee. Be sure to fill out your information **completely**.
- We will be communicating entirely via email. Please be sure to include valid student, teacher(s), and parent emails.
- CU Denver is generously sponsoring several special opportunities, pending public health ordinances:
 - *Lunch and Learn: CU Denver 101* lunch and informational event on May 1st from 11:30-1:00, Location: (tentative) Student Commons #2500. All students, parents, and teachers are invited. Please join us to learn more about what CU Denver has to offer over pizza! Sponsored by CU Denver K-12 Outreach
 - *How to RSVP:* Participants must provide information on their registration form to RSVP by **Wednesday, April 14** to reserve a place. You **MUST** sign-up in the registration form. You cannot sign up via email. No more than two RSVPs per student; please do not RSVP for another participating student. The lunch and learn will be first-come, first-serve for the first 150 people that sign-up.
 - NHDC is providing FREE t-shirts to all participating students **who indicate their size on the registration form. Students MUST also provide a complete address!**
- The only way for your project to be nominated for a special award is for you to self-nominate on the online registration form. A complete list can be found on the online registration form and on the website at <https://clas.ucdenver.edu/nhdc/cultural-partners-special-awards>. **This year, you MUST write one sentence describing why your project is eligible for the award you are nominating yourself to receive. If you do not include this sentence, you will not be eligible for that special award.**

Registration Fees:

There is a registration fee of \$25.00 per participant (not per entry). Please see the fee sheet at the end of this packet. If you are unable to pay the registration fee because of financial hardship, please contact Kayla Gabehart (kayla.gabehart@ucdenver.edu). Please note that we are unable to issue refunds, even in the case of overpayment or cancellation, so be sure to check with your school and/or district to see if they plan to pay your fee.

Note to teachers: If your school or district is paying for your students, please include a list of the applicable students for the payment. You do not need to fill out the fee sheet for every student.

If you are in the Paper category: The State Office will be phasing out hard copies of papers and only providing them to judges upon request. Thus, you just need to submit your paper, process paper, and annotated bibliography in a single pdf file to nhdc@ucdenver.edu by the submission date.

We offer the option to pay by credit card through Eventbrite link **2021nhdcstate.eventbrite.com**. Group payments are accepted. Please note that this option includes a service charge dependent on the total (e.g. one registration will be charged an additional \$3.16 in the transaction). Costs vary depending on the number of students. School rates can be made available.

If you choose to pay by cash, check, or money order, please send your fee sheet with your payment to National History Day in Colorado, Attn: Kayla Gabehart, 4752 River Highlands Loop, Elizabeth, CO 80107.

Checks must be made out to the University of Colorado Denver.

WE WILL NOT ACCEPT ANY REGISTRATIONS AFTER APRIL 14TH. NO EXCEPTIONS!

Scheduling Concerns:

We will try to accommodate special interview time requests within reason. **Please submit the request and the reason on the registration form.** There is a "Special Requests" question on the online registration form and these requests **MUST** be made in the registration form in order to be honored. We cannot accommodate requests sent via email.

The State Office does not guarantee that your request will automatically be honored. We will not accept any requests made after April 14th.

Special Awards:

Many of our partner organizations offer category and/or topic specific prizes (including cash, scholarships, gift cards, etc.). The judging for the special awards is independent of the normal contest judging process. It is possible that a student who is not a finalist in the standard contest may be able to win a special award! For a complete list of awards, please visit our website.

The only way to register for a special award is through the State Contest online registration form. **All** awards require a one sentence justification as to why their project is eligible for a particular award. Some awards have additional written requirements. Please refer to the descriptions on our website to see if this applies to your awards.

Documentary participants: if you plan to apply for one or more of these awards, you must upload your documentary to a host site (such as YouTube or SchoolTube) and provide the link on the online registration form. Your process paper, and annotated bibliography must be emailed to the State Office at nhdc@ucdenver.edu by Wednesday, April 14.

The State Office has the right to withdraw certain projects for consideration for specific special awards if the project does not meet the minimum award criteria. Any project that does not include a one sentence description of why their project is eligible for a particular award will not be considered. This will not affect the student's project in the overall judging process.
