Rooiskool ontvang graadjies

Laerskool Burgersdorp het Maandag, 15 Februarie 2021 hierdie jaar se graad een's saam met die res van die skool ontvang en verwelkom. Sommige maatjies se harte het benoud geklop toe hulle die eerste dag van hul skoolloopbaan moes aandurf terwyl ander nie meer kon wag om die avontuur te begin nie. Op die foto is Adriaan Kriel, Elanka Scholtz, Kaone Leeto en Alrich Snyders. Bakkies en Smiley, ou bekendes by die Rooiskool het die leerders gehelp om sommer vinnig tuis te voel.

Kolonel Willem Bekeer, Stasiebevelvoerder van die SAPD op Lichtenburg het bevestig dat 'n man Woensdag gearresteer is vir die besit van vermoedelik gesteelde eiendom. Hy sê die arrestasie volg nadat 'n lidmaat van die Assembly of God-gemeente 'n klagte van inbraak aangemeld het. Kol. Bekeer bedank die gemeenskap van Blydeville vir die inligting wat gelei het tot die arrestasie van die verdagte. Die plaaslike polisie is nog opsoek na twee verdagtes wat vermoedelik betrokke is by die inbraak. Op die foto bo is die items wat in die vermeende dief se besit gevind is.

Hefty spike in fuel prices on the horizon

NOORWESTER - LICHTENBURG - Motorists will have to dig even deeper into their pockets as fuel prices are expected to spike significantly in March. The Automobile Association (AA) has warned South Africans to prepare for yet another hefty hike in fuel prices.

The AA said that the current picture shows month-end increases of up to 56 cents a litre for petrol, 47 cents for diesel, and 41 cents for illuminating paraffin. This after another spike was reported earlier this month, which saw the price of petrol increasing by up to 82 cents a litre, diesel by 59 cents, and illuminating paraffin by 60 cents.

Community in blue makes a difference

NOORDWESTER – BIESIESVLEI – On Tuesday, 9 February 2021 the Community Safety Patrollers came together in numbers at the police station in Biesiesvlei and started a cleaning project. Both males and females formed part of this initiative as they participated.

It has been years since the garden of the police station was serviced.

While some people were busy inside, the others were busy outside just in front of the police station cutting the grass, pruning trees and planting the flowers. The Station Commander Captain JP Wallis was very delighted and he said 'indeed the Community Safety Patrollers are a blessing to the South African Police Service and we can already smell the fresh air as we prepare to continue the fight against crime in our partnership'. Even other members noticed the difference the Patrollers have made and appreciate it very much.

New proposed national minimum wage takes effect 1 March '21

NOORDWESTER – LICHTENBURG – On Monday (8 February) the Labour Department published the new proposed minimum wage for entry level workers in South Africa.

The new minimum wage according to information received from the department will take effect from Monday (1 March 2021).

The Labour Minister Thulas Nxesi said the new minimum wage is now R 21.69 for each ordinary hour.

The gazette published provides exceptions for a number of worker groups:

Farmworkers are entitled to a minimum

wage of R21.69 per hour; Domestic workers are entitled to a minimum wage of R19.09 per hour; Workers employed on an expanded public works programme are entitled to a minimum wage of R11.93 per hour.

According to the department it is unfair labour practice for any employer to alter working hours or other conditions of employment in the implementation of the national minimum wage.

TLU SA dankbaar oor goeie reën

NOORDWESTER – LICHTENBURG – TLU SA is dankbaar vir die uitermatige goeie reën wat die afgelope ruk oor wydverspreide dele van die land geval het. Dit het groot verligting onder baie boere in Suid-Afrika gebring.

"Ons het van oraloer boodskappe ontvang van boere wat ervaar hoe die natuur intens herstel na die reën," sê mnr. Henry Geldenhuys, die president van TLU SA. "Ons en hulle is diep dankbaar dat ons gebede verhoor is." Te midde van die dankbaarheid oor reën is daar egter steeds gebiede waar voer aangery moet word vir boere om hulle vee aan die lewe te probeer hou. TLU SA is ook bewus van boere in sekere kommoditeite wat skade gely het as gevolg van die reën. "Dit is wel so dat van die riviere oorstroom en skade veroorsaak het," gaan mnr. Geldenhuys voort. Maar, die langtermyn waarde van watertafels wat stabiliseer, rivierstelsels wat skoon spoel en die positiewe eindresultaat van vol damme is nie net vir landbou nie, maar ook vir Suid-Afrika in geheel 'n baie

groot seën. "Ons het ons in die tyd van droogte voor ons Skepper veroortmoedig en vir reën gevra. Dit is nou ook belangrik om ons dank – in ons huisgesinne, organisasies en in kerkverband – te betuig." TLU SA wil boere herinner en aanmoedig om in tye wanneer dit goed gaan ook vooruit te beplan en voorsiening te maak vir die maer jare. Die TLU SA Traumafonds benodig altyd bydraes om boere by te staan in tye van terugslae. Meer besonderhede oor die fonds is op die webwerf by hierdie skakel beskikbaar: <https://www.tlu.co.za/hulpmiddels/>. "Ons is dankbaar vir elke bydrae tot die Traumafonds en wil graag 'n spesiale woord van dank rig aan anonieme skenkers wat nie altyd deur die amptelike kanale bedank kan word nie," sluit hy af.

Vuurwapeneienaars gevra om geduldig te wees

NOORDWESTER – LICHTENBURG – Die polisie het vuurwapeneienaars gevra om geduld aan die dag te lê met hernuwingsaansoeke na die pas afgelope amnestietydperk.

Dit volg nadat die proses vertraag is weens die opandemie en die gepaardgaande afsonderingstydperk.

Mense kon ingevolge die wapenamnestie oor 'n ses maande tydperk – wat op 31 Januarie verstryk het – vuurwapens waarvan die lisensie verval het by die polisie inhandig. Hulle kon ook om nuwe lisensies aansoek doen. Vuurwapeneienaars het veral die afgelope maand in toue buite polisiestasies saamgedrom om die spertyd te haal.

In 'n verklaring Maandag, het die polisie aansoekers gevra om geduldig te wees aangesien die polisie sy omkeertyd hersien het om die aansoeke binne 120 werksdae af te handel. Daar heers groot kommer oor

die oënskynlik klein aantal wapens wat ingehandig is. Sommige belanghebbendes bestempel boonop die jongste amnestietydperk as 'n mislukking en versoek dat 'n tweede amnestietydperk aan die parlement voorgelê moet word.

Brig. Vishnu Naidoo, nasionale polisiewoordvoerder, sê die polisie moes sekere soorte veiligheidsprotokol by polisiestasies instel om die verspreiding van die koronavirus te bekamp, wat die proses dus verder vertraag het. "Die polisie het die nodige maatreëls getref om die agterstand te verlig en terselfdertyd die streng veiligheids- en gesondheidsprotokol n ate kom om die verspreiding van die virus te bekamp," sê Naidoo.

Mayor condemns shooting

NOORDWESTER – LICHTENBURG – The Mayor of Ditsobotla Local Municipality, Councillor Tsholofelo Moreo, has expressed shock at the shooting of Councillor Keke Mofokeng of ward 11, Itsoseng, who was shot on Saturday night by unknown people.

The suspects had fired shots at him and later fled the scene on foot. Mayor Moreo condemns such cowardly acts in the strongest way possible and calls on police and law enforcement agencies to do everything in their power to apprehend the suspects and perpetrators of such an incident on one of the public representative leaders. "We urge them to leave no stone unturned in finding the perpetrators so that they can face the full might of the law," says Mayor Moreo. 'Staatsrede slegs 'n vertoning'

NOORDWESTER – LICHTENBURG – President Cyril Ramaphosa se Staatsrede 2021 was bloot 'n goeie vertoning vir die paviljoen, in 'n verkiesingsjaar.

Só meen die Transvaalse Landbou-unie (TLU).
 "Die president het uiters dinamiese aankondigings gemaak en baie gefokus op wat vir die mense gedoen is en nog gedoen sal word," sê mnr. Henry Geldenhuys, die president van TLU SA. "Presies wat van 'n president verwag word in die jaar van 'n verkiesing. Maar bly hy in dieselfde land en ervaar hy ons werklikheid? Die ware toets vir die sukses van enige besigheid – en dan die regering – lê in resultate. Is alle Suid-Afrikaners werklik beter daaraan toe as 'n jaar, tien jaar, twintig jaar gelede?" Die president erken dat die land 'n ekonomiese inspuiting nodig het en roem dan op sy ekonomiese herstelplan se sogenaamde suksesse. Maar, wat die land werklik nodig het, is 'n beleid wat ekonomiese belegging

na Suid-Afrika lok," sê Geldenhuys. Hy voeg by dat die hoë vlak van werkloosheid en verspreide armoede verder bydrae tot die ekonomiese verwoesting wat deur die nasionale inperking vererger is. "Maar dit is net 'n klein druppel aan daardie emmer. Regstellende aksie en swart ekonomiese bevoordeling is 'n mislukking. Kyk maar na ons kragentrales, SAA, die Landbank – enige instansie waar ras bo kundigheid gestel is," meen hy.

Hy sê dan dat TLU SA positief is oor die president se aanslag om plaaslike produkte en plaaslik koop te bevorder, maar, voeg hy by, 'n ongunstige arbeidsbeleid en onsekerheid oor privaat besitreg maak dit moeilik vir entrepreneurs om besigheid te doen.

"Nee wat, die Staatsrede – soos die Begrotingsrede – is 'n gespeel met woorde om mense te paai," maak Geldenhuys dan die gevolgtrekking.

MEC Matsemela satisfied on implementation of COVID-19 protocols in schools

NOORDWESTER – LICHTENBURG – The first day of the reopening of schools in the North West province registered a success as all schools implemented the Covid -19 across the board.

The North West Department of Education MEC, Mmaphefo Matsemela together with her executive managers visited school to monitor the compliance towards Covid-19 regulations on the first day of the reopening of schools. Matsemela monitored schools at Ga-Khunwana Village in the Tswaing Local Municipality including Mogawana-Mochoete Primary, Kopanelong Secondary, Mochoete Primary and Itleng Secondary School. "Today I am here to welcome all the learners back to school and to check if they are well received. All schools in the province are having a plan on how to receive the different grades since schools are following a differentiated time table. I am also checking if learners are taught on the first day of the reopening. It is critical to that I am here to check if learners have received their textbooks and stationery".

"So far I have seen that in the different schools there are markings on the floors to show learners the required distance they should keep. I am satisfied by the way the schools are following the Covid -19 regulations. I want to assure all stakeholders that we will never deviate from the regulations since our number one priority is health and safety of both teachers and learners," said MEC Matsemela. On Tuesday the MEC Matsemela also accompanied the Deputy Minister of the Department of Basic Education, Dr Reginah Mhaule in a visit to Broedersput Primary, a farm school between Vryburg and Delaryville, Temoso Primary in Ganyesa Village, Huhudi Secondary school in Ganyesa Village within the Dr Ruth Segomotsi Mompati District to further monitor the compliance towards Covid-19 regulations.

2021 African Amateur Casey Jarvis Trophy.

Jarvis closes out the first GolfRSA Triple Crown at Glendower

NOORDWESTER – LICHTENBURG – Casey Jarvis added to the annals of golf once again with one of the most incredible feats in SA amateur history when he lifted the African Amateur Stroke Play Championship title on Thursday.

The 17-year-old GolfRSA National Squad member was in a league of his own at Glendower Golf Club as he fired a final round 65 to finish eight shots clear of home favourite Yurav Premall.

Thanks to a stunning 21 under par total, Jarvis became the first amateur to complete the GolfRSA South African Swing Triple Crown.

"I was really proud to win the SA Stroke Play and the SA Amateur last year, but to be the first to win all three flagship events is massive," said an elated Jarvis. "This was my first goal for the 2021 season. It means the world to me. It's up there with my best days, that's for sure. I'm over the moon and so honoured. And relieved at getting it done." His historic exploits started 12 months ago at Randpark.

Jarvis etched his name into the record books as the youngest winner in South African Stroke Play Championship history when he eclipsed the 51-year record held by Dale Hayes. At 16 years, 6 months and 17 days, he won in dominant fashion with a nine shot triumph on 25 under par.

Eight days later, the Boksburg junior beat Englishman James Wilson 7 & 6 in the 36-hole final to win the South African Amateur Championship in the same calendar year. Since the start of the SA Strokeplay Championship in 1969, Jarvis was only the seventh amateur to claim the 'rare double'.

But chasing lofty goals is nothing new for this young State Mines spitfire. In 2017, Jarvis produced a wire-to-wire performance at the Manchester Golf Club to lift the celebrated Reid Trophy in the English Boys Under-14 Open Amateur Stroke Play

Championship. And, in December last year, the Boksburg golfer matched Neville Clarke with the rarest trifecta – winning the SA Amateur, the SA Stroke Play and the Freddie Tait Cup as the leading amateur in the South African Open in the same 12-month cycle. With his 21 under par total at Glendower, Jarvis also set a new tournament record. The previous mark at 14 under was held by Albert Kruger, who won the first edition at Leopard Creek in 2016, and James du Preez, who equalled Kruger's total at Glendower in 2018.

En route to the win, Jarvis was under par all four rounds and unflappable over the last three days. His accuracy off the tee and pin-seeking irons set him up for a good scoring week and a hot putter did the rest. Dubbed "The Machine" by his peers, Jarvis racked up 26 birdies and had three eagles in 72 holes, surrendering just 11 shots for the week, including two on the final day.

"Winning the African Amateur was a huge goal, but I didn't think I had a chance with the way I struggled with my swing and the flat stick at Randpark," he said.

Premall, a two-time club champion, will also draw a lot of positives from his performance.

He followed an opening 72 with rounds of 69 and 68 and a birdie finish for a 66 pushed him past fellow GolfRSA National Squad members Kyle de Beer and Kieron van Wyk for a runner-up finish. "Everyone talked about home course advantage but the course played so different to what we are used to due to all of the rain. Mike (Bernard) and his team did an incredible job to get the course ready and to deliver superb greens for the week," said the 17-year-old.

"It's very different playing under tournament conditions on this course to a social round with the members. I'm thrilled with my result, especially the way I handled myself in the final round and I'll take a lot of confidence into the SA Amateur qualifier at Royal Johannesburg and Kensington next week."
