WHO WE ARE ABOUT US.

Floating Designs is a Cape Town based company that both imports and manufactures unique, modern lighting fixtures.

Our modern fixtures feature exceptional quality and innovative designs. We supply lighting fixtures that are both beautiful and functional to clients all over South Africa.

We are a one of a kind solution to all of your modern lighting needs and are dreaming up new and exciting ways for you to make the space around you as gorgeous as possible. We design, manufacture and tailor lights for consumers, businesses and wholesalers to ensure the best looking contemporary options for you.

Our fixtures come in a variety of shapes and sizes with many different applications, from office lights to kitchen island lighting. With a wide range of new light fixture designs to choose from, you can definitely find numerous lighting options that will fit your taste.
