## Ti゚~MOM How they stack up

This report, Libraries: How they stack up, provides a snapshot of the economic impact of libraries. The report contains some interesting comparisons of library economics and activities to other sectors, professions and destinations in the worldwide economy.

## Libraries as economic engines

See page 2

|  | Libraries as logistics experts <br> See page 3 |
| :---: | :---: |
|  | Libraries as valued destinations See page 4 |

## Libraries as global information suppliers <br> See page 5

## Libraries as home to a vibrant and sizable profession <br> See page 6

## Libraries as economic engines

## Library expenditure comparison

Annual U.S. spending
U.S. industries with similar approximate spending levels:

Video retail sales
Bars and taverns
Athletic footwear sales
Magazine advertising
\$12.3 billion (ws, 2-13-03, p. 1)
$\$ 13.3$ billion (Statistical Abstract 2002, p. 770)
\$13.6 billion (Statistical Abstract 2002, p. 760)
$\$ 16.2$ billion (Statistical Abstract 2002, p. 772)

## Value of library services

One way to measure a library's service value is to use costbenefit analysis. Each public library in this sample returned substantially more than $\$ 1$ of benefits to its patrons for each \$1 of annual local taxes.

[^0]
# Estimated worldwide library expenditures: <br> \$31 billion annually (nformation compied from more than no sources) 

## Estimated U.S. library expenditures:

\$14 billion annually (National Center for Education Statistics 1993-2002, Booker Annual 2003)
U.S. libraries purchase an estimated \$14 billion in goods and services annuallyexceeding U.S. spending on videos and athletic footwear, and approaching the level spent by businesses on magazine advertising. U.S. libraries account for nearly half of the $\$ 31$ billion spent annually by libraries worldwide.

## U.S. industries with smaller approximate spending levels:

| Barber shops | $\$ 2.1$ billion (Statistical Abstract 2002, p. 775) |
| :--- | :--- |
| Exercise equipment sales | $\$ 3.8$ billion (Statistical Abstract 2002, p. 760) |
| Golf equipment sales | $\$ 3.9$ billion (Statistical Abstract 2002, p. 760) |
| Coin-operated laundromats | $\$ 4.3$ billion (Statistical Abstract 2002, p. 775) |
| Bicycle sales | $\$ 5.1$ billion (Statistical Abstract 2002, p. 760) |
| Parking lots | $\$ 7.7$ billion (Statistical Abstract 2002, p. 775) |

## Barber shops

Exercise equipment sales
Golf equipment sales
Coin-operated laundromats
Bicycle sales
Parking lots
$\$ 2.1$ billion (Statistical Abstract 2002, p. 775)
$\$ 3.8$ billion (Statistical Abstract 2002, p. 760)
$\$ 3.9$ billion (Statistical Abstract 2002, p. 760)
$\$ 4.3$ billion (Statistical Abstract 2002, p. 775)
$\$ 5.1$ billion (Statistical Abstract 2002, p. 760)
$\$ 7.7$ billion (Statistical Abstract 2002, p. 775)

## Libraries as logistics experts

## U.S. libraries circulate 1,947,600,000 items a year

## Public libraries

$1,772,000,000$
$39,500,000$

1,811,500,000
Circulation (lent to patrons)
Interlibrary loan
Total (State library data 2001-2002)

## Academic libraries

122,000,000
14,100,000

136,100,000

Circulation
Interlibrary loan
Total (ACRL 2001)

## How do libraries compare to Amazon?

## U.S. public library cardholders outnumber Amazon customers by almost 5 to 1.

Amazon has 30,000,000 customers. (John Cox, "Amazon dives into technology services." InfoWorld, June 10, 2003. http://www.infoworld.com/article/03/06/10/ HNamazondives_1.html?business (Accessed August 28, 2003.))
U.S. public libraries have 148,000,000 library cardholders. (State library data 2001-02)

Each day, U.S. libraries circulate nearly 4 times more items than Amazon handles.

Amazon ships an estimated 1,500,000 items per day (John Cox, "Amazon dives into technology services." InfoWorld, June 10, 2003. http:// www.infoworld.com/article/03/06/10/HNamazondives_1.html?business (Accessed August 28, 2003.). "How to go from 100 to 1.5 million units per day." Internet Retailer, June 10, 2003. http: //www.internetretailer.com/dailyNews.asp?id=9521 (Accessed August 28, 2003.))

## How do libraries compare to FedEx?

Circulation/shipments per day

Circulation/units handled per day
U.S. libraries circulate about the same number of items as FedEx ships per day.

FedEx ships more than 5.3 million items per day. (FedEx Annual Report 2003)

## Libraries as valued destinations

## 1.1 billion

One out of every six people in the world is a registered library user.
Total number of worldwide registered library users: 1.1 billion (Information compiled from multiple sources) Population of the world: 6.2 billion (World Almanac 2003, p. 857)

Five times more people visit U.S. public libraries each year than attend U.S. professional and college football, basketball, baseball and hockey games combined.
If library patrons were to pay the average sporting game ticket price of approximately \$35 per visit, libraries would generate more than \$39 billion in annual revenues.

## U.S. public library visits:

1,116,000,000
(State library data, 2001-02)

## U.S. sports attendance:

 203,700,000
## Libraries as global information suppliers

Libraries hold 16 billion volumes worldwide-that's about 2.5 items for each person on earth. At an average price of $\$ 45$ per book, the worldwide library book inventory approaches nearly three-quarters of a trillion dollars.

In 2002, libraries led the way with new electronic books, delivering access to eBooks more than 2.6 million times. (netLibrary, 2002)

## 1 million libraries worldwide

(Information compiled from multiple sources)

## 139,800 libraries in the United States

(American Library Directory 2002, Market Data Retrieval 2002, NCES 2002)

## Estimated value of library collections worldwide:

\$720 billion
\$211 billion

Total estimated value of library materials, including the following specific categories:

Estimated value of academic library materials
(Total number of volumes $\times \$ 60$ average cost of academic book)
\$202 billion
library materials
(Total number of volumes $\times \$ 45$ average cost of book)

## Total number of volumes: 16 billion

(Information compiled from multiple sources)

## Total number of volumes is $21 / 2$ times the total population of the world.

Population of the world: 6.2 billion (World Almanac 2003, p. 857)

Volumes held in the world's libraries

Libraries as home to a vibrant and sizable profession
How many librarians are there worldwide?
Total number of librarians worldwide: 690,000

## How do librarians compare with other professionals?

## Total number of U.S. librarians: 203,000
