

## Magazine Auto-Checkout FAQs

---

### **Which Magazines will have this feature available?**

All Magazines will have this feature available, but Magazines with a circulation limit of 100 or greater will be enabled for automatic checkout by default. Any Magazine with less than 100 circulation limits will have automatic checkout disabled by default.

### **Can I choose which Magazines have automatic checkout as an option?**

The account administrators will have the option to disable this feature for a specific magazine or all magazines.

### **What if I do not want to offer automatic checkout to my patrons?**

The account administrators will have the option to disable this feature for all magazines.

### **What happens for magazines that do not have automatic checkout enabled?**

When checking out a magazine, patrons will still be prompted to be notified via email when the next issue is available.
