

The Bridge Form provides teachers with access the 24 SKB Scoresheet and the 10 Learning Progressions once student scores have been entered. This document provides overview and guidance information to teachers about/on accessing the report using the Bridge Form.

[illegible]

The screenshot displays the ELA Bridge form 07072017.data in a spreadsheet application. The interface includes a top menu bar with options like Home, Insert, Page Layout, Formulas, Data, Review, View, and Developer. Below the menu is a ribbon with various toolbars for text formatting, alignment, and data manipulation. The main area is a spreadsheet with columns for student information (Name, Row Name, Last Name, Local Student ID, Date of Birth, District ID, Building ID, SSID, Program Access Number) and assessment results (LP1: Awareness and Disposition of Information, LP2: Relationships with Others, LP3: Comparative Analysis, LP4: Physiological Awareness, LP5: Communication, LP6: Vocabulary, LP7: Number Sense, LP8: Coordination on Level of Play, LP9: Safety and Injury Prevention, LP10: Personal Care Tasks). The spreadsheet contains data for multiple students, with some rows highlighted in yellow. A red circle is drawn around the 'EMS Data Manager Report' link in the bottom navigation bar, which also includes 'Directions' and 'Enter Score' links.
