

March 17, 2020

To whom it may concern,

It is unfortunate for us to announce that Made It Con has had to postpone from our original dates of April 2, 3 and 4 2020 to July 16, 17 and 18 2020.

We are excited to begin counting down to the new dates and grateful our event space could accommodate on such short notice!

We can't wait to see you there!

If you have any questions you can reach us at shannon@maymaymadeit.com or 205-755-3465.

Thanks!
