## SAFETY & HYGIENE MEASURES

- We are strictly following all recommended WHO and FSSAI food handling guidelines.
- Gloves, hair nets, face masks and shoe covers are mandatory in the kitchen for all staff.
- ISO certified food grade germicide, disinfectants and sanitizers being used on an hourly basis.
- Servers, drivers and kitchen staff have undergone Food Handling and Delivery training, and use of PPE training. Audits are conducted daily at different times.
- We deliver using our own transportation and clean and sanitize our delivery vehicles regularly. Cleaning and sanitation records are maintained in the vehicle at all times.
- We ensure that the transport vehicles are used only for food deliveries.
- We ensure that our drivers, delivery staff, chefs & support staff maintain high personal hygiene, and wear face masks at all times. Alcohol-based sanitizers are placed at multiple touch points like the preparation area, packaging station and transit vehicle. Staff members are encouraged to use these liberally and frequently.
- We do not make any unscheduled stops before delivery is completed.
- Staff members are temperature checked on arrival and subsequently every 4 hours during and in between their shifts. Detailed records of their temperatures are being maintained.
- Use of Aarogya Setu App is mandatory for all staff and records of the status are being maintained.
