A Message From Board President **Mrs. Doreen M. Davis**

Dear Parents/Guardians and Community Members:

The start of a new school year is always an exciting time, not only for students, but for families and our staff as well. We are very excited for the start of this school year because of the commitment and team-work our students, staff, parents, School Board and community bring to our school district and all the positive possibilities that working together provide. Together, we can create an educational climate and culture that is responsive to all of our students' needs.

THE SPIRIT OF BROOKWOOD

SUMMER SCHOOL

Brookwood School District 167 offers a summer school program that allows for differentiated instruction and activities to all students in our district.

Summer School was in session from June 5th thru July 2nd. There were (377) students enrolled in our Brookwood School District 167's Summer School Program.

Of these (377) students, (65) received "Perfect Attendance Certificates".

SUMMER SCHOOL SURVEY...

(247) Students participated in completing a survey of their summer school core and enrichment experiences:

1. What did you like best about summer school?

- iPads, writing stories, getting ready for the next grade level, bonding with other people, working with different robots in robotics;

2. What would have made your summer school experience better?

- Science class and making slime;

3. Do you have any ideas or suggestions for next year's summer program?

- Class rotations, choir, gymnastics and drama;

4. Any other comments?

- Summer school is the best, I love the free books and this has been an awesome summer school.

MISSION STATEMENT

**Brookwood School
District 167, in
partnership with
parents and community,
will create a learning
environment in which
all students excel at
becoming lifelong
learners and decision
makers.**

WE BELIEVE:

- Families shape their children's motivation, confidence, and academic success by being interested and involved in their overall development.
- All students are unique and should be challenged to the highest level of academic and artistic excellence.
- In the importance of staff development opportunities based on best practices and educational research.
- In educating our children in a safe and nurturing environment with access to state of the art technology.
- The school system should teach students to think critically enabling them to become contributing citizens in our global society.
- In continuous improvement in all aspects of the school system to foster a culture of excellence, accountability and integrity.
- In responsible stewardship of financial and physical resources.

ABSENCE REPORTING

Parents must call the school and report any student who will be absent. Should a child become ill at school, parents will be notified and it is their responsibility to see that the child is picked up.

For each absence or tardiness, a parent must call the school before 8:30 a.m. When calling, please **IDENTIFY** yourself; give the **STUDENT'S NAME, GRADE**, and the **TEACHER'S NAME** and **REASON FOR BEING ABSENT**.
