## BLOOM'S RECOMMENDED WEDDING PLANNING WEBSITES

We hope you're loving your Wedding Planner!

Here are some additional websites we think you'll love! Happy Planning!

### Venue Research

- **Wedding Spot:** A great place to get started! Search for venues by location, style, budget and capacity. Calculate estimated costs based on your guest count and selected options.

### Seating Charts

*We have a seating chart in our planner, but if you need more assistance, these are great options!*

- **Wedding Wire's Seating Planner**
- **All Seated**

### Wedding Websites Creators

- **Appy Couple**  
This site has a small fee, but it's so easy to use and has hundreds of themes! It allows you to make a very professional looking wedding website (and even a free app!) with zero website building experience.
- **Free Website Options**
  - **The Knot**
  - **Minted**
  - **Wedding Wire**

### Bridesmaid Dresses

- **Weddington Way:** We love the mix and match bridesmaid dresses in the same color, and this site makes it so easy to search by dresses in the same fabric and hue.
- **Rent the Runway or Union Station:**  
On a budget? Rent designer gowns for a fraction of the cost!

### Registries

- **Zola:** This site is like the Pinterest of registries! Instead of registering at one store, this site allows you to pull gift ideas from any source. It also allows you to do "experience gifting" where you request cash funds for

### Wedding Inspiration

- **The Perfect Palette:** This beautiful blog allows you to search by your wedding colors and gives you a TON of beautiful inspiration for your big day!
- **Ruffled:** More inspiration and tons of ideas for the more DIY style bride!
- **Style Me Pretty:** Featuring real weddings, top vendors, DIY projects, styling and decorating ideas!
