(0.3-0.6CM)

15X15X15CM

- This is a project for **reference ONLY.**
- **Solution of lesser cost**
- **Solution of more items**
- **Solution of different items**
- **Solution of more shapes**
- **Solution depends on your idea.**
- The more quantity the better price. We quoted separate to help you know if value to buy separate or which one is value to you.
- If you get the whole project one time, that will be **20% discount at least.** Only because of the freight cost better with higher weight together. NOT the more quantity of each item
- You could buy bulk items for different projects to buy then more with better Unit price.
