Disclaimer

It is important to remember that the Kindergarten Readiness Online System (a.k.a. KReady System) is dynamic by nature in that modifications and enhancements are continuously made to improve functionality and performance. As a result, some images and references shown or made in this presentation may change. The information provided is current as of 10.16.2019.

ACCESS

Building Administrator Role

A Building Administrator or "Building Admin" is the individual at the building level responsible for leading teachers through the process of implementing the ELA or KRA. Building Admins only have access to the reports generated in the KReady System from data submitted by the educators in their building.

Building Administrator Role

Managing

- Supporting Training
- Ensuring Access
- Coordinating with DMs
- Monitoring Score Data

Analyzing

- Accessing Reports
- Checking Data (Blanks)
- Coordinating with DMs
- Understanding Meaning

Supporting

- Educators
- Students
- Parents
