

## 3D Giraffe

1. Cut head and neck from yellow paper.
2. Cut orange oval mouth.
3. Decorate head and neck with colored spots using markers or crayons.
4. Glue eyes and ears to head. Draw nostrils and a mouth on orange oval.
5. Roll three orange strips into cylinders and tape.

6. Tape or glue one cylinder to the back of the mouth and two to the back of the head.

7. Glue neck to white paper.
8. Add glue to the cylinder on the mouth and attach to head.
9. Add glue to the two cylinders on the head and attach head to neck.
