Toronto looks to boost kid-friendly condos

Draft guidelines designed to promote kid-friendly condos are poised for a two-year trial run after getting green-lit by the planning and growth management committee last week.

If Toronto City Council adopts the committee's recommendations at its July 5 meeting, applications for multi-residential developments will start to be scrutinized with a view to these Growing Up guidelines.

DRONE USE **MAINTENANCE**

Drone use comes with flight risks for condos

Anyone who has attended a condo trade show in the past few years has no doubt seen the wonderful new array of tech gadgets available for the condo community. They range from super high-resolution cameras to commercial drones that can quickly diagnose water penetration and other issues without ever leaving the ground. Tech nerd or not, the possibilities are exciting. [+READ MORE](#)

IN THE LOOP: DESIGN

A facility addition with surgical precision

The original Chinook Regional Hospital, which was constructed close to 30 years ago, cuts a hard-angled U-shape around a courtyard and faces out onto a mechanical plant and parkade. That left only a sliver of land available for expansion. Adding a new wing to the fully developed site would require surgical precision.

Annual programs start at \$1,200/month

How will we help?

Our social media program will support your business development and customer engagement. Here are three ways social media can help you achieve your goals.

Increasing website traffic

Building your brand and attracting customers

Customer support and outreach

We know your industry is unique. We'll identify which social channels will work for you, where the influencers are on those channels and develop a content strategy to pull those audiences in and expand your network.

It really works!

"Since we began utilizing MediaEdge's social media program, our monthly impressions have more than doubled, and our monthly customer reach has increased by 700 per cent.

With MediaEdge's high-level strategy and content generation, our audience is consistently engaged, day in and day out, and we have seen improvements in both web traffic and search ranking."

*Stewart Laszlo, BA, MBA | Director, Marketing
Canadian Society of Association Executives*

"As with so many companies, getting into and sustaining social media can be a daunting task. MediaEdge's social media program offered us a one-stop shop from identifying the platforms we needed, going live and having an ongoing weekly voice. Our company blog allows us to position ourselves as a thought leader in our field and share our expertise to the public and potential clients. In just over six months, we have expanded our reach exponentially and identified business opportunities and new companies that we otherwise would not have been in contact with. Vifloor Canada can 'Stand Confidently' with our social media thanks to MediaEdge."
