BATTERY DROPOUT BOX

Mount your battery on the frame or replace your existing frame mounted battery box with one of our steel battery drop out boxes. We have two styles to choose from: black powdercoated steel or stainless steel construction, both feature a drop out bottom for easy battery maintenance. (L: 10-1/4", W: 6-13/16", H: 8-7/8") Accepts Optima and group 24 batteries.

BDB-S24-SB	Group 24 - brushed stainless, each	\$129.00
BDB-S24-BK	Group 24 - semi-gloss, each	\$109.00

BATTERY MASTER SWITCHES

Easy battery disconnect, so power won't drain from battery.

BMS-SP	side post	\$39.00
BMS-TP	top post	\$39.00

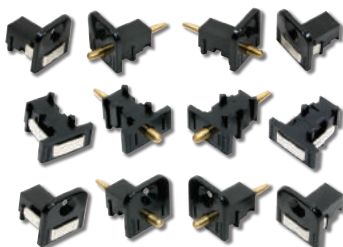

LARGE BEAR CLAW LATCHES & INSTALLATION KIT

Make sure your doors stay securely shut with our Large Bear Claw Latches. Die stamped crew holes and floating striker bolt allows for easy installation and alignment. Heavy duty all steel construction with door section mounting plates.

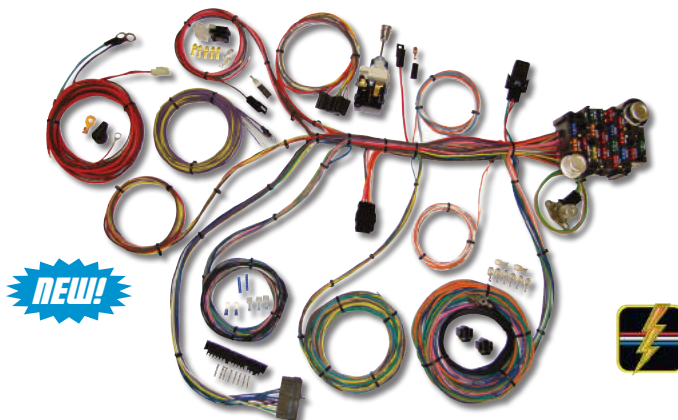

BCINST-L	Installation kit	\$49.00
BCLGP	Large bear claw latches, pair	\$110.00

MODULAR DOOR CONTACT CIRCUITS

Eliminate unsightly wires that come with mounting power accessories in your door. Patented modular design allows you to add additional circuits later without replacing your contact unit. Adding an additional circuit is as easy as purchasing a middle section and snapping it into place! Made with high impact ABS plastic, superior quality brass contacts, and DirectLoc terminals.

SDXT	top, pair	\$8.00
SDXM	middle, pair	\$8.00
SDXB	bottom, pair	\$8.00

NEW!

AMERICAN AUTOWIRE POWER PLUS 20 KIT

The Power Plus Series represents deluxe integrates fuse box wiring system utilizing a complete factory style pre-wired fuse box. Power Plus Series wiring kits are designed to offer an economical convenient wiring solution.

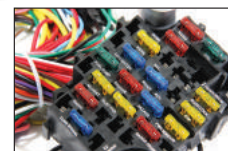

510008	20 Circuit, kit	\$272.00
---------------	-----------------	-----------------

NEW!

UNIVERSAL 22 CIRCUIT WIRE HARNESS KITS

Can be used in just about any vehicle where basic or more wiring is needed. Ample wire lengths make this kit especially suited for everything including trucks with long beds and extra cabs.

CP22WC-K	22 Circuit, kit	\$199.00

THE SYSTEM

"The System" solves the age old problem of where to put speakers in classics, customs, and streetrods. "The System" allows you to keep the integrity of your vehicle intact yet enjoy quality sound like many of us have in our new cars. Satellite speakers look like A/C vents and can be mounted under the dash, on the kickpanels or even the back package tray. The woofer is optimally mounted under the seat but can be mounted in the trunk if space requires it. #SYSTEM1 is amplified and #SYSTEM3 is passive.

SYSTEM1	Amplified System, kit	\$299.00
SYSTEM3	Passive System, kit	\$169.00

DUAL FRONT SPEAKERS

Since at least 2 speakers (channels) are required for stereo units, these dual speaker assemblies are designed to fit your original mono speaker location. The 1000 series speakers replace 'OEM' speakers that are held in place by screws. The 2000 series speakers replace 'OEM' speakers that are held in place by a metal bracket. These assemblies are pre-wired to 'plug in' instantly to our radios. Chose from standard speakers, Kenwood upgrade speakers or the Dual Voice Coil Speakers.

FLOOR MOUNT AUTOMATIC TRANSMISSION SHIFTERS

Is your space limited for use of Lokar's transmission mounted shifter? This shifter mounts to the floor on the transmission tunnel using Lokar's exclusive mounting brackets. Also, included is three gold iridited arms for offset mounting (especially helpful when mounting through existing consoles).

Features:

- Operates with solid adjustable linkage
- Utilizes high quality rod ends
- Positive Lock-Out in Park and Neutral
- 360° lever rotation for extra leg space
- Lever adjustments for dash and seat clearance
- Levers available in 23", 16", 12", 10", 8" and 6" lengths
- Teflon-lined shifter knob buttons for smooth operation
- Easy to remove shifter knob for simple boot installation
- All hardware included

DRIVE-BY-WIRE ELECTRONIC THROTTLE CONTROL PEDAL ASSEMBLY

Lokar has partnered with Williams Controls, the world leader in heavy duty electronic throttle pedals.

Features:

- The first programmable electronic throttle pedal (Drive-by-Wire) for the automotive aftermarket.
- Programmable Non-Contact (solid state) hall effect sensor for most GM, Ford & Mopar applications.
- Splined pedal arm for versatile mounting
- All metal construction; aluminum & stainless steel
- 3 times better performance over standard OEM pedals
- Over 90 years of combined throttle pedal experience
- Sensor programmed on pedal to optimize electrical output for quick throttle response (no pedal lag)

DIRECT FIT THROTTLE ASSEMBLIES AND PEDAL PADS

Lokar's throttle pedal assemblies are designed as direct replacements for your original throttle pedal and will allow you to convert over to Lokar's throttle cable system. The arms are splined to allow you to fine tune your adjustment and can be switched for right and left adjustment of the throttle pad. Brake and clutch pads are designed to replace factory rubber covers. Some brake and clutch pads are available in a flat or curved design. All flat clutch/brake pads & throttle pads are available in ball milled, in brushed aluminum with rubber insert and black with rubber inserts. All throttle pedal assemblies and curved clutch/brake pedal pads are available in brushed aluminum with inserts or black with inserts.

OVAL BILLET ALUMINUM THROTTLE ASSEMBLIES & PEDAL PADS

Oval billet aluminum throttle pedals and brake pads come in three convenient sizes- mini, standard and XL. The throttle pedal is spring-loaded with a removable lower arm that is splined for versatility and can be mounted to the right or left of the mounting bracket. The shaft and arm are one piece - requiring no pins. Rubber inserts provide foot traction for safety. Brake pads are designed with a 1/2"-20 thread and include stud in the kit. Can be mounted centered or off.

BAG-6103	Mini throttle pedal assembly, each	\$128.00
BAG-6104	Standard throttle pedal assembly, each	\$135.00
BAG-6105	XL throttle pedal assembly, each	\$140.00
XBAG-6103	Black mini throttle pedal assembly, each	\$128.00

BAG-6108	XL brake pedal pad, each	\$48.00
XBAG-6106	Black mini brake pedal pad, each	\$40.00
XBAG-6107	Black standard brake pedal pad, each	\$43.00
XBAG-6108	Black XL brake pedal pad, each	\$48.00
BAG-6109	Brushed dimmer cover, each	\$22.00
XBAG-6109	Black dimmer cover, each	\$22.00

BILLET ALUMINUM THROTTLE ASSEMBLIES & PEDAL PADS

Lokars aluminum throttle pedals have spring loaded pads like the OEM design. Removable lower arm is splined for versatility in mounting to the right or left of the mounting bracket. Lokar's exclusive upper arm is a one-piece design. Shaft and arm are one piece, requiring no pins. Matching brake pad is designed with a 1/2"-20 thread and includes stud in kit. Can be mounted centered, or off centered. The XL series is designed with an EXTRA LARGE pad for those seeking more comfort and safety. Both standard and XL series are available in ball milled, and standard or black finish with rubber inserts.

BAG-6001	Ball milled throttle pedal assembly, each	\$140.00
BFG-6010	Ball milled XL throttle pedal assembly, each	\$140.00
BAG-6004	Brushed throttle pedal assembly, each	\$134.00
BFG-6012	Brushed XL throttle pedal assembly, each	\$140.00

XBAG-6003	Black dimmer switch pad, each	\$21.00

ELIMINATOR FLOOR MOUNT THROTTLE PEDALS

Lokar's Eliminator Floor Mount Throttle Pedal is designed with the signature Lokar quality you have come to expect. Pedal eliminates routing cables through firewall and comes equipped with a billet aluminum splined adjustable shaft and stainless steel "under the floor" mounting bracket. Mounts in multiple positions for floor and toe board angles. Designed with built-in pedal travel stops. Requires 36" "U-cut-to-fit" Lokar throttle cable for most applications. Order 48" cable for LS1 Ramjet and Vortec applications. Available in ball milled, and rubber insert design in either standard finish or black finish.

FMG-6097	Ball milled Eliminator throttle pedal assembly, each	\$145.00
FMG-6098	Brushed Eliminator throttle pedal assembly, each	\$145.00
XFMG-6098	Black Eliminator throttle pedal assembly, each	\$145.00

COMPETITOR SERIES THROTTLE ASSEMBLIES

Lokar's Competitor Series throttle assemblies are designed with a unique internal spanner nut ensuring perfect pedal tension. This pedal is in a class of its own; by adding this built in tensioning feature, we have eliminated the possibility of excess 'slop' in the throttle pedal. Another milestone of the Competitor Series is its incredibly sturdy mounting base. This Series also has exclusive designed 3/4" X 48 tooth fine-spline steel insert to provide the ultimate in strength and durability. Available in a centered mount or vertical offset mount in brushed or black finish.

BAG-6148	Center mount throttle assembly, each	\$147.00
XBAG-6148	Black center mount throttle assembly, each	\$147.00
BAG-6149	Offset mount throttle assembly, each	\$147.00
XBAG-6149	Black offset mount throttle assembly, each	\$147.00

BILLET ALUMINUM FOOT RESTS

These adjustable Lokar foot rests are the perfect design to match Lokars pedals and are adjustable in height. Available in ball milled, rectangular or oval with rubber inserts. Rubber insert models also in black.

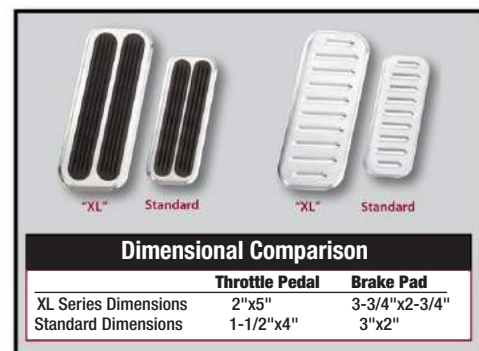

BFR-6115	Ball milled adjustable foot rest, each	\$62.00
BFR-6116	Rectangular adjustable foot rest, each	\$62.00
BFR-6114	Oval adjustable foot rest, each	\$62.00
XBFR-6116	Black rectangular adj foot rest, each	\$62.00
XBFR-6114	Black oval adjustable foot rest, each	\$62.00

BILLET ALUMINUM THROTTLE PEDAL SPACERS

These throttle pedal spacers are a beautiful accent and provide a solid mounting foundation for your throttle pedal. Spacer for steel pedals is 1/2" thick and spacer for aluminum pedals and Eliminator pedals is 3/4" thick. Available in brushed or black finish. Note: Not used on direct fit or Competitor Series.

GPS-6014	Spacer for alum throttle pedals, each	\$21.00
XGPS-6014	Black spacer for alum throttle pedals, each	\$21.00
GPS-6015	Spacer for steel throttle pedals, each	\$21.00
XGPS-6015	Black spacer for steel throttle pedals, each	\$21.00
GPS-6016	Spacer for Eliminator pedals, each	\$31.00
XGPS-6016	Black spacer for Eliminator pedals, each	\$31.00

LAKESTER THROTTLE ASSEMBLIES & PEDAL PADS

Lakester hot rod pedal styling is a continuation of the many nostalgic products that Lokar has to offer. The pedals have the same quality that you've come to expect from its sister spoon throttle pedal and round brake/clutch pads. The removable lower arm is splined for versatility in mounting to the right or left of the mounting bracket. Lakester pedals feature curved pads and arms. These new nostalgic style pedals are available in chrome black and raw.

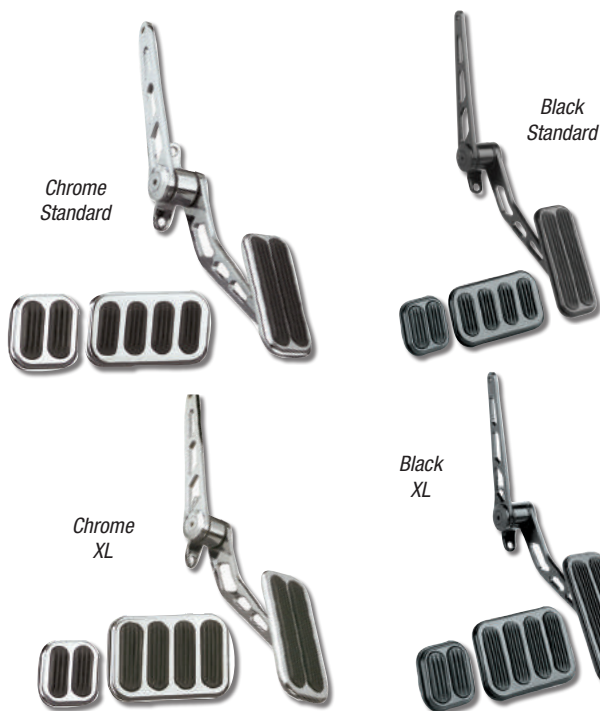

BAG-6154	Raw steel throttle pedal assembly, each	\$78.00
BAG-6151	Chrome throttle pedal assembly, each	\$78.00
XBAG-6151	Black throttle pedal assembly, each	\$78.00
BAG-6155	Raw steel clutch/brake pedal pad, each	\$50.00
BAG-6152	Chrome clutch/brake pedal pad, each	\$50.00
XBAG-6152	Black clutch/brake pedal pad, each	\$50.00
BAG-6156	Raw steel A/T brake pedal pad, each	\$56.00
BAG-6153	Chrome A/T brake pedal pad, each	\$56.00
XBAG-6153	Black A/T brake pedal pad, each	\$56.00

STEEL SPOON THROTTLE ASSEMBLIES & PEDAL PADS

Nostalgic hot rod style is exhibited with Lokar's Spoon Throttle Pedal. The pedal is designed with the same quality as demonstrated in other Lokar Throttle assemblies. The removable lower arm is splined for versatility in mounting to the right or left of the mounting bracket. Steel round brake/clutch pads and dimmers are equipped with rubber inserts and are available in chrome or black finish.

SP0-6070	Chrome throttle pedal assembly, each	\$60.00
XSP0-6070	Black throttle pedal assembly, each	\$60.00
SP0-6071	Chrome brake or clutch pedal pad, each	\$42.00
XSP0-6071	Black brake or clutch pedal pad, each	\$42.00
SP0-6072	Chrome dimmer switch cover, each	\$20.00
XSP0-6072	Black dimmer switch cover, each	\$20.00

STEEL THROTTLE ASSEMBLIES & PEDAL PADS

Lokar's throttle pedals are the first spring loaded steel pedal in the industry and designed after OEM pedals. Removable lower arm is splined for versatility in mounting to the left or right of the mounting bracket. Lokar offers these steel assemblies in both standard pad size and also their larger XL pad. Brake pads mount with a 1/2"-20 stud built in to the back of the pad. Available in chrome or black finish.

SG-6007	Chrome throttle pedal assembly, each	\$98.00
SG-6016	XL chrome throttle pedal assembly, each	\$105.00
XSG-6007	Black throttle pedal assembly, each	\$98.00
XSG-6016	XL black throttle pedal assembly, each	\$105.00
SG-6008	Chrome brake pedal pad, each	\$43.00
SG-6017	Chrome brake pedal pad, each	\$50.00
XSG-6008	Black brake pedal pad, each	\$43.00
XSG-6017	XL black brake pedal pad, each	\$50.00
SG-6009	Chrome dimmer switch cover, each	\$21.00
XSG-6009	Black dimmer switch cover, each	\$21.00

ECONOMY FLOOR MOUNT THROTTLE PEDAL ASSEMBLIES

Equal in design and fit, these high-quality imports are an economical option to our premium pedals listed above. Throttle cable is not included.

CP8503C	chrome w/ rubber inserts, each	\$65.00
CP8503P	polished w/ rubber inserts, each	\$65.00
CP8602C	oval, chrome w/ rubber inserts, each	\$39.00
CP8854C-R	1955-57 Chevy fullsize, chrome, billet w/o rubber inserts, each	\$55.00

ALUMINUM AUTOMATIC BRAKE PEDAL PAD

Choose between three rubber and two rubber inserts.

90197	Polished w/ 3 rubber inserts, each	\$25.00
CP8501C	Chrome w/ 2 rubber inserts, each	\$25.00

ALUMINUM DIMMER SWITCH PAD

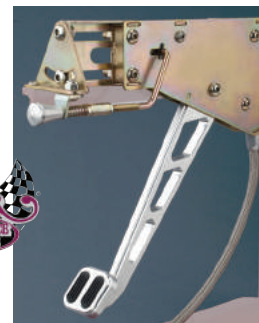

Now you have a choice: high quality chrome pad, or economy polished pad.

CP8502C	Chrome w/ 2 rubber inserts, each	\$20.00
CP8502P	Polished w/ 2 rubber inserts, each	\$12.00

FOOT OPERATED EMERGENCY BRAKE

Replace that ugly stock emergency brake handle with a custom under the dash foot operated unit. The unit mounts using adjustable brackets allowing for use in almost any vehicle. The gears and mechanism are hidden for a clean look. Also features a rubber stop for quiet operation. Come complete with instructions and all mounting hardware. Emergency brake connector cables sold separately.

EFB9000	Billet aluminum foot brake w/ ball-milled pad	\$219.00

THROTTLE CABLES

Our throttle cables work with either factory or aftermarket throttle pedals. They are designed with a specially extruded liner for extended life of the cable. They come equipped with aluminum fittings and aluminum ferrule to eliminate fraying. The cable housing is 24" long and can be cut to fit. Cables available with either a black plastic housing or stainless steel braided cable housing.

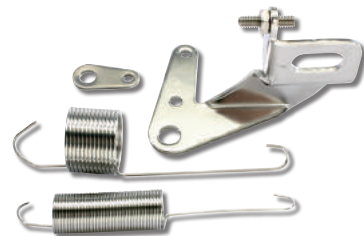

TC-1000LS1	Lokar, braided stainless, LS1	\$56.00
TC-1000U	Lokar, universal black, 24" length	\$41.00
TC-1000HT	Lokar, braided stainless steel, 24" length	\$49.00
TC-1000U36	Lokar, universal black, 36" length	\$49.00
TC-1000HT36	Lokar, braided stainless steel, 36" length	\$56.00
CP8254	Economy, braided stainless steel, 24" length	\$25.00
CP8255	Economy, braided stainless steel, 36" length	\$25.00
CP2010	Economy, braided stainless steel, TPI	\$40.00

THROTTLE CABLE BRACKET & SPRINGS

Our stainless steel cable bracket and dual spring set up are designed to work with throttle cables and kick-down cables. Bracket mounts to virtually any carb and features a teardrop extender for added clearance on some carburetors.

SRK-4000	Lokar, stainless steel, kit	\$29.00
CP6055	Economy, stainless steel, kit	\$15.00

TH400 ELECTRIC KICKDOWN KIT

Our TH400 electric kickdown is cable operated. The electric switch is housed in a billet aluminum box which mounts off the transmission pan bolts. Kit includes a cut-to-fit braided stainless steel outer housing with aluminum fittings, stainless steel inner cable and stainless steel mounting bracket.

KD-2400HT

\$85.00

CUT-TO-FIT SPEEDOMETER CABLE

Our speedometer cables can be cut to fit virtually any application. They are designed to work with any cable driven aftermarket speedometer head or stock speedometer head with 5/8" - 18 male thread. Cables are available with either a black plastic housing or stainless steel braided housing. When used with a GM transmission, the original transmission must be re-used. Customer must supply speedometer gear and retainer cup.

SP-1500U	GM w/ black plastic housing	\$78.00
SP-1501HT	GM w/ stainless steel braided housing	\$122.00
SP-1502U	C4/C6 Ford w/ black plastic housing	\$78.00
SP-1503HT	C4/C6 Ford w/ stainless steel braided housing	\$122.00

STAINLESS STEEL KICKDOWN CABLES

Kickdown cables feature a cut-to-fit braided stainless steel outer housing and feature aluminum fittings with ferrule to prevent the cable ends from fraying. The cables will work with virtually any manifold. For easy installation, use our stainless steel throttle cable and springs (#SRK-4000). Kit comes complete with detailed instructions.

FLEXIBLE TRANSMISSION DIPSTICKS

Our flexible transmission dipsticks are the perfect complement to our engine dipsticks. The dipsticks feature a braided stainless steel outer housing with an easy-to-read teflon inner rod. All applications are for push-in style transmissions. The dipstick seals to the transmission with o-rings. Available for Chevy and Ford transmissions in both firewall mount and transmission mount styles.

#MS 107-57P

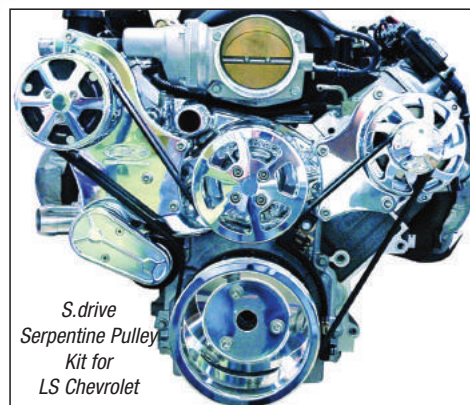

S-DRIVE SERPENTINE PULLEY DRIVE SYSTEMS

Complete kits are available for small block, big block and LS Chevrolets and for small block Ford with power steering, AC, and alternator. Includes

all new components; high performance water pump, Maval power steering pump, Sanden SD7 AC compressor, and Powermaster 140amp alternator. Specify type of steering (gear box or rack & pinion) and reservoir type (attached or remote) when placing your order. Remote reservoir is sold separately and both clip on and remote billet aluminum power steering reservoirs are available for an additional charge. Some kits are also available without power steering or air conditioning. Available in machined, polished or matte black finish; some custom colors may be available, inquire with your customer service representative. **NOTES:** Kits will NOT work on late model LS engines equipped with Variable Valve Timing (VVT). Small Block Ford kits come with a billet aluminum timing cover that does not have provisions for fuel pump. (Must use electric pump.) Ford front sump oil pan applications require a new dipstick and tube assembly (#MS107-69), sold separately.

BILLET ALUMINUM LS CHEVY COIL RELOCATION MOUNTS

For the enthusiast who's willing to go the extra distance, these mounts give you an easy installation alternative for cleaning up the look of your engine by relocating your LS coils. The mounts will work with LS-2,3,7 and 9 coils (will not work with truck or LS-1 coils) and are sold in a kit with four mounts to accommodate all 8 coils. For a simpler mounting solution, we also offer the coil mounts in kits with auxiliary mounting brackets that allow you to easily group and mount the coils in several configurations. Precision CNC machined from billet aluminum, the coil mounts and brackets are available in a bright polished or raw machined finish as well as a variety of Fusioncoat and anodized colors. Made in the USA.

GAS TANK FILLERS

Now that your gas tank is out of the cab you are going to need a new fuel filler. We offer everything from a trap door bed filler to weld-in fuel doors to flush mount billet fuel fillers. Flush mount fillers setup to work with 1-1/2" fill hose.

COOLCAP	Flush mount, each	\$49.00
CPTD	Bed mount fuel filler trap door, 5" x 8", each	\$27.00
265-33P	Pol. stainless steel flush mount fuel filler, 3", each	\$69.00
265-33AK	Fusion coated stainless steel black flush mount fuel filler, 3", each	\$69.00
265-33BL	Fusion coated stainless steel blue flush mount fuel filler, 3", each	\$69.00
265-33RD	Fusion coated stainless steel red flush mount fuel filler, 3", each	\$69.00
265-33PR	Fusion coated stainless steel purple flush mount fuel filler, 3", each	\$69.00
CPSF-C	Weld-in side fill fuel door - curved, each	\$119.00
CPSF-F	Weld-in side fill fuel door - flat, each	\$119.00

#PFD

#PFD-L

#CPP1656-OGC

#CPP1656-RGC

POLISHED FUEL DOORS

Finish off your bed-standard gas tank with one of our billet aluminum fuel doors. Available in locking and (push/pop) non-locking styles. Hardware included.

PFD	round - standard, each	\$105.00
PFD-L	round - locking, each	\$129.00
CPP1656-OGC	oval - grooved, chrome, each	\$79.00
CPP1656-OGP	oval - smooth, polished, each	\$69.00
CPP1656-RGC	rectangular - grooved, chrome, each	\$79.00
CPP1656-RGP	rectangular - grooved, polished, each	\$69.00

BED FILL GAS TANK HOSE & CLAMP KITS

Adapts your flush gas filler assembly to your bed fill gas tank with a 4" of 1-1/2" ID fuel resistant hose and aircraft style clamps. *Note: Used with our steel and aluminum flush fill tanks.*

CPFFK-B	each	\$15.00
---------	------	---------

FUEL TANK SAFETY VALVE VENTS

These roll over valves vent and prevent fuel from leaking from your fuel tank in the event that the tank turns over. *Note: For use with our aluminum tanks.*

90-02622	3/8"-18 NPT, each (CPP tank)	\$14.00
90-00340	1/4"-18 NPT, each	\$10.00

FUEL FILLER BREATHER FILTER

A one-piece design featuring a rubber top and vent tube at the base. Comes with air filter oil.

62-1000	3/8 male, K&N, each	\$26.00

HEAVY DUTY TUBE BENDER

Accepts 3/16", 1/4", 5/16" and 3/8" tubing. Roller action makes brake line bending easy.

TBT-HD	each	\$29.00
--------	------	---------

4 IN 1 TUBE BENDER TOOL

For the do-it-yourselfer we have a great tubing bender. It bends 3/16", 1/4", 5/16" and 3/8" tubing.

TBT-90	0-90 degree bends, each	\$19.00
--------	-------------------------	---------

TRIPLE TUBE BENDER

Our bender accepts 3/8", 5/16" and 1/4" line and is easy to use. It features a side opening so you can slip the tool on tubing at any point. Great for making those tight 0-180° bends.

TBT	each	\$11.00
-----	------	---------

TUBE CUTTERS

Using a hacksaw is no way to cut brake lines. Do it like a professional with one of our tube cutters.

TCB-L	cuts 1/8" to 1-1/8" dia. tubing, each	\$16.00
TCB-S	cuts 1/8" to 5/8" dia. tubing, each	\$9.00

TIE ROD & PITMAN ARM PULLER

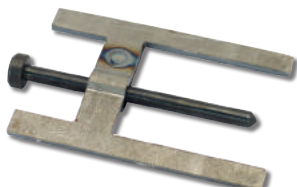

Don't ever bust your knuckles again; Instead, remove pitman arms and tie rod ends the easy way with one of our pullers.

STRP	small, each	\$16.00
LTRP	large, each	\$16.00

MASTER CYLINDER DEPTH GAUGE

Professional mechanics tool for measuring piston depth on master cylinders.

MCDG	each	\$26.00
------	------	---------

#CPFTK

#CPDFT

DOUBLE FLARE TOOL KITS

You can't bend brake lines by hand; you need one of these kits. Part #CPFTK flares 3/16", 1/4", 5/16", 3/8", 7/16", 1/2" and 5/8" brake lines. An adjusting tube cutter is included with part #CPDFT, which flares 3/16", 1/4", 5/16", 3/8", and 1/2" brake lines. Our Elite kit is part #CPDFT-D. It also includes an adjusting tube cutter and flares 3/16", 1/4", 5/16", 3/8", 7/16", and 1/2" brake lines. All kits include a durable plastic storage case.

#CPDFT-D

CPFTK	Econo, kit	\$17.00
CPDFT	Deluxe, with tubing cutter, kit	\$39.00
CPDFT-D	Elite (on the vehicle), kit	\$69.00

FLARE WRENCH SET

You can't do the job right if you don't have the right tools. That's why you need this quality 5-piece flare wrench set bundled in a sturdy pouch. All popular sizes in one kit. Standard or metric available.

W350	standard, set	\$10.00
------	---------------	---------

NEW!

CPP FENDER COVERS

Our fender covers are made of heavy-duty padded vinyl and has a non-skid backing to protect your paint's finish. Designed to resist acid and grease and easy to clean!

CPP-FCK	black, each	\$12.00
CPP-FCB	blue, each	\$12.00

POWER BRAKE BLEEDER KITS

Bleed your brakes like a professional. Includes pump and reservoir, lines, fittings and pressure gauge.

PBT	10", kit	\$75.00
-----	----------	---------

BRAKE FLUID FILL BOTTLE

Filling your brake reservoir can be a messy job. But it doesn't have to be that way. Use this handy Brake Fluid Fill Bottle to make the job easier and cleaner.

BFB	each	\$5.00
-----	------	--------

MASTER CYLINDER BLEEDER KIT

Ensure the best possible braking performance by removing air from your master cylinder before installation. Fits 9/16"-18, 1/2"-20 or 3/8"-24 master cylinders.

CPP-BK	kit	\$3.00
--------	-----	--------

BRAKE BLEEDING SYRINGES

Our syringes makes bleeding a snap! Brake fluid and solvent resistant.

CP0105	curved tip, each	\$5.00
CP0108	straight tip, each	\$9.00

COMBINATION VALVE TOOL

For brake systems utilizing CPP's proportioning valve, use this tool when bleeding your brakes to lock the valve in place and keep the valve from tripping. Simply remove the warning light switch (white plug) on the valve, then screw in this tool while bleeding your brakes. After the bleeding process is finished replace the warning light switch. Save yourself the headache of having to reset the valve. Works with #PV-2, #PV-2A, #PV-2C, #PV-4, #PV-4A and #PV-4C.

PV-TOOL	each	\$10.00
---------	------	---------

4-IN-1 BALL JOINT SERVICE SET

Easily remove and install ball joints. This tool can be used with simple hand tools so no more hassle of finding someone with a hydraulic press. C-frame press also works on universal joints and removes rusted truck brake anchor pins. Comes in a sturdy, red blow molded plastic case.

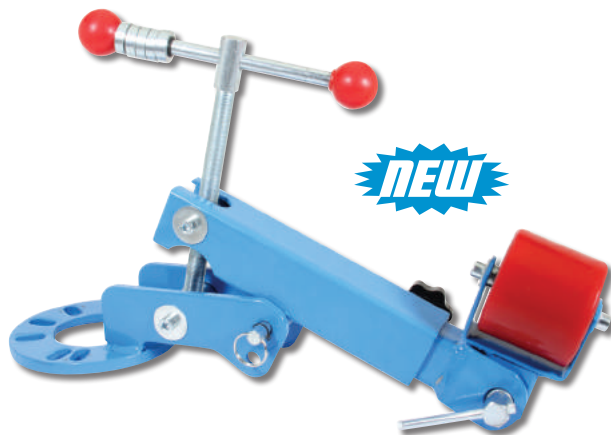

BJT	set	\$79.00
-----	-----	---------

COIL SPRING COMPRESSORS

Change coil springs safely with one of our coil spring compressors. With coil spring compressors the danger of a coil flying out and hurting someone is gone. They also make installation of new coils a snap.

CSC	each	\$29.00
-----	------	---------

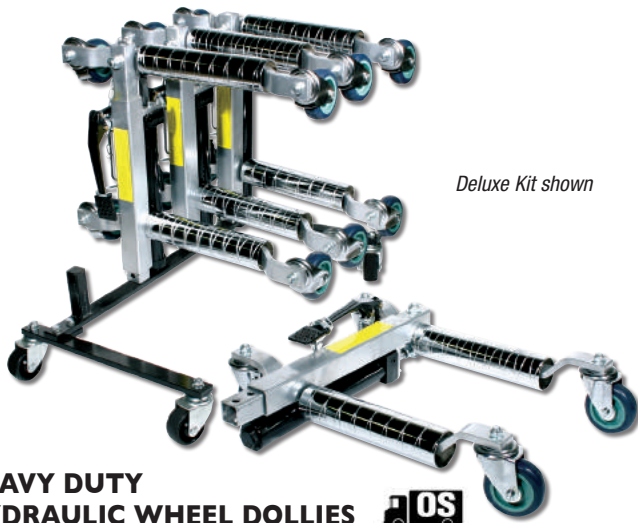

FENDER ROLLER

Our Fender Roller professional grade tool is designed to slowly ease the wheel arch away allowing for larger wheels to be fitted to your classic. Increase tire to wing clearance, flare arches or repair wheel arch collision damage with this professional reforming tool. It bolts directly to the hub flange, with elongated holes in the adapter plate to fit all popular 4 and 5 bolt hubs and adjusts from 14" to 22 3/4".

MH8094	Pro-grade, each	\$129.00
--------	-----------------	----------

HEAVY DUTY HYDRAULIC WHEEL DOLLIES

Our heavy-duty hydraulic wheel dollies make a safe and secure way of moving your vehicle around your shop or garage. Features include a rugged steel frame, mechanical foot pedal to operate the hydraulic cylinders, and sturdy rolling stand that supports all four jacks. These easy-to-operate and portable dollies would be a great addition to any hobbyist, restorer or professional shop.

- Rolls easily in any direction
- Rigid steel frame
- Chrome steel roller*
- Poly wheels*
- Heavy duty casters*
- Bi-directional double pawl ratchet lifts tires
- Handles up to 12" wide tires
- 360° rolling platform when using all four
- 1500 lb capacity each

* Deluxe model only

H-DOLLY	Deluxe	\$365.00
H-EDOLLY	Standard	\$279.00

ENGINE STANDS

When doing engine repair that can't be completed while the engine block is in the vehicle, our engine stands are the answer. These heavy-duty stands provide a sturdy support structure that will secure your engine mid-air so you can access any part of it without tipping over. Tubular all-steel construction and 4-point universal mounting brackets that will fit most engines. These fully-adjustable support brackets rotate 360 degrees with multi-position lock for maximum rebuilding flexibility. Four smooth rolling steel wheels, two with 360 degree swivel for easy positioning. #MH8088 has a 1000 pound weight capacity, while #MH8091 features a 2000 pound capacity and has a space-saving folding design.

MH8088	Small, 1000 lb. capacity	\$59.00
MH8091	Large, 2000 lb. capacity	\$99.00
