LOOKING AHEAD TO 2020

Winter and spring activities are combined into one giant **Winter & Spring Program Guide** to help you plan ahead.

So many special events!

Flip to page 8 for a sample of upcoming special events for the whole family.

New playground coming to Yogi Bear Park (1195 Popes Creek Circle)! The Grayslake Park District requested community feedback on playground design options through an online survey. The Park Board voted to purchase the preferred playground design (option 1). The new playground will be installed in Spring 2020.

Instead of waiting for a printed version to arrive, you can view a special **Online Summer Camps Guide** starting on February 3. Still want a paper copy? Pick one up at the Recreation Center starting in early February.

Jones Island Park parking lot will be redone to improve drainage. The existing parking lot footprint will be reoriented to create additional parking spaces (the forest area to the west will not be disturbed).

In August 2019, the Park District applied to the Illinois Department of Natural Resources for an **Open Space Lands Acquisition and Development (OSLAD)** grant to help finance the final phase of outdoor recreation development at Alleghany Park. We will find out if we received the grant in 2020.

SPECIAL RECREATION

SPECIAL RECREATION ASSOCIATION OF CENTRAL LAKE COUNTY

The Grayslake Community Park District is a cooperative member agency of the Special Recreation Association of Central Lake County (SRACLCLC). SRACLCLC provides community based therapeutic recreation programs and services to people of all ages with disabilities or special needs.

SRACLCLC is a cooperative effort of the Grayslake, Vernon Hills, and Mundelein Park Districts and the Villages of Hawthorn Woods, Lake Zurich, Libertyville, and Lincolnshire. Individuals residing within the boundaries of the Member Agencies are considered "residents" of SRACLCLC and may take advantage of the services.

SRACLCLC offers more than 600 weekly programs, special events and camps during the year. SRACLCLC recognizes that some people with disabilities prefer to participate in recreation programs within their own Park District or Recreation Department. SRACLCLC can provide inclusion assistance for children who want to participate in Grayslake Park District programs by providing extra staff, if deemed necessary, sign language interpreters, behavior management support, disability awareness training and other adaptive services necessary for safe and successful participation.

If you would like to receive a SRACLCLC brochure or wish to be placed on the mailing list, please contact the SRACLCLC office at (847) 816-4866 or info@sraccl.org.

Our promise and policy is as follows: The Park District's promise is that you will be satisfied with the quality of our leisure programs in which you participate or you will receive a full refund of fees you have paid for that program. AMERICANS WITH DISABILITIES

Part 45) which set the standards for implementing the Act. The Act prohibits exclusion of qualified individuals with a disability from services, programs or activities of any state or local government which includes park districts as of January 26, 1992. Individuals with concerns or questions should contact the Park District at (847) 223-7529.

The Park District owns miles of trails, paths and sidewalks throughout the community. When it snows, the Park District makes every effort possible to clear snow from some of these paths only after their main parking lots and facility sidewalks are clear. Please note that the Park District does **NOT** treat these areas with salt or any other ice melt product. Please use extreme caution when walking on these paths during the Winter/Spring months when ice is most present.

REGISTRATION FAQs

HOW CAN I REGISTER ONLINE?

Visit www.glpd.com and click the green "Register Online" button on the top of the page to visit the online registration site. If you are registering online for the first time, enter your information to create an account. Make sure to enter all members of your household to streamline future online registration. Please note: it may take up to 24 hours for first-time online registration to be validated. If you have registered online before, simply login with your username and password.

HOW DO I KNOW IF I'M IN A CLASS?

After your registration has been processed, you will receive a confirmation receipt via mail or email listing all the programs for your family and whether they have been enrolled in the class or placed on the waiting list. Registration confirmation does not guarantee enrollment if the class does not fill and is cancelled. In the event your class is cancelled, you will be notified and your class fee will be refunded.

WHAT IF A PROGRAM FILLS?

If a program fills, you will be placed on a waitlist at no charge. Participants are called off the waitlist when openings become available. When called off the waitlist, you will have 24 hours to make payment before we call the next person on the waitlist.

PARK DISTRICT WAIVER & RELEASE FORM

IMPORTANT INFORMATION

The Grayslake Community Park District is committed to conducting its recreation programs and activities in the safest manner possible and holds the safety of participants in the highest possible regard. Participants and parents registering their child in recreation programs must recognize, however, that there is an inherent risk of injury when choosing to participate in recreation activities. The Grayslake Community Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participant's safety.

Please recognize that the Grayslake Community Park District does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the Grayslake Community Park District automatically responsible for the payment of medical expenses.

Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for the District requires the execution of the following Waiver and Release. Your cooperation is greatly appreciated.

WAIVER AND RELEASE OF ALL CLAIMS

Please read this form carefully and be aware that in registering yourself or your minor child/ward for participation in Grayslake Community Park District programs, you will be waiving and releasing all claims for injuries you or your child/ward might sustain arising out of the above programs with the Grayslake Community Park District.

I recognize and acknowledge that there are certain risks of physical injury to participants in Grayslake Community Park District programs and I agree to assume the full risk of any such injuries, including death, damages or loss regardless of severity which I or my child/ward may sustain as a result of participating in any and all activities connected or associated with such programs. When registering by fax, it is mutually understood that the facsimile registration document (including the waiver and release of all claims) shall substitute for and have the same legal effect as the original form.

I agree to waive and relinquish all claims I or my child/ward may have as a result of participating in the program against the Grayslake Community Park District and other agencies and its officers, agents and employees. I do hereby fully release and discharge the Grayslake Community Park District and its officers, agents, servants, and employees from any and all claims from injuries including death, damages, and losses sustained by me or my minor child/ward arising out of, connected with, or in any way associated with the activities of the programs. I further agree to indemnify and hold harmless and defend the Grayslake Community Park District and its officers, agents, servants and employees from any and all claims resulting from injuries including death, damages and losses sustained by me or by my child/ward arising out of, connected with, or in any way associated with the activities of any of the programs.

In the event of any emergency, I authorize Grayslake Community Park District officials to secure from any licensed hospital, physician and/or medical personnel any treatment deemed necessary for me or my minor child/ward's immediate care and agree that I will be responsible for payment of any and all medical services rendered. I also understand that unless specifically stated in writing at the time of registration, registrants and participants permit the taking of photos and videos of themselves and their children during Park District activities for publication in its catalogues, brochures, pamphlets, flyers, on its website, via social media, and use as the Park District deems necessary.
