They have an impact with us

Case Study: Female Entrepreneurship

20 women from all over Spain were selected by Coca-Cola

Encarna Martinez Carmona, Entrepreneur
“The program was super useful to redefine my project and to learn about new entrepreneurial concepts.”

A call for mentors powered by Bridge for Billions was jointly issued

Veronica Verdugo, Mentor
“All along the program, the process was crystal clear to my entrepreneur and it gave her so much energy to make the business viable.”

Final event for women entrepreneurs to pitch to the world

Sol Daurella, Chairman of Coca-Cola EU
“Supporting training is essential to break the limits that society has imposed on its women.”
