Designed to nest within each other

JULY 2019

Dear Meyer Direct Associates,

Just like rain brings respite from the scorching heat wave, Meyer Direct will bring placidity after the intense struggles of life! This monsoon let Meyer Direct wash away your worries and woes and bring nippy times!

Here's extending a warm welcome to all our members and distributors! You are the backbone of Meyer Direct team and we are immensely grateful to you for all your endeavours. And it is due to your relentless efforts that we have enrolled 1000+ members in the last three quarters and we are hoping to double this number in the coming three months. To attain this objective, we have designed exclusive offers and great deals for our members and distributors. We have also introduced smart and space-saving Kitchen Hacks products that will truly be loved by one and all. These ingenious products will help you save kitchen space, minimize your efforts and maximise productivity.

We have also tweaked our brochure and made it more compact and informative, and we are also on the verge of revamping our website, making it completely user-friendly! Apart and along with all these things, we are also at your beck and call to help you in any way possible.

We are delighted to step into another great month. We hope each of you will discover and unlock your true potential and reach the pinnacle of success, this month!

Remember, without labour, nothing prospers! So, dream big and march ahead with conviction.

We wish you good luck and a great journey!
Cheers!
