October 2019

Dear family in Christ, pastor and church,

Greetings in the name of our Lord Jesus Christ. We pray that the grace of Christ would be upon your lives, family and everything you do.

We are hope and pray that you all are doing very well; you are our family in Christ. We love you and wish you the best in Christ. We are so grateful to Christ for your lives, for your precious friendship and your marvelous support, both spiritual and economic. Thank you for supporting this wonderful ministry; you are part of this work that God is doing here in this country. May God keep using you for His honor and glory.

We thank God very much for our "Home Church" Rodgers Baptist Church, a precious church that loves God, and for our pastor, Ron Thomas and his family. God has used them greatly, praise God. Thank you, Pastor Thomas and Rodgers Baptist Church.

We thank God for Mosaic Baptist Church in Flower Mound, Texas, Edmond Road Baptist Church in Edmond, Oklahoma, Lighthouse Baptist Church in Missouri City, Texas, and for Bethel Baptist Church in Ardmore, Oklahoma and for their pastors. They have been a very big blessing. Thanks to God and to them the work of God here is growing.

By the grace of Christ, we are still boldly preaching the holy Gospel in the church and we are still having theology classes every week. We walk in the streets and go house to house with the Gospel every Tuesday and Saturday. We are preaching also in three different places away from the city of Queretaro. In Arroyo Blanco, Sal Luis Potosi, three hours from here, every two weeks; in Boye, Queretaro, an hour and a half from here, every Saturday; and in Los Trigos, Queretaro, two hours from here, every two weeks. In every one of these places there is no church. There are so many villages that do not have a church or preacher; that is so sad. There are a lot of places without knowledge of Christ, the unique Savior. We cannot stop preaching, teaching and proclaiming the Gospel. We cannot rest; there is still so much work to be done. Jesus will come and the people need to hear from Him. Every soul has the right to hear the Gospel of salvation at least one time. The Gospel of Christ is the unique hope for this world. We are happy serving the Lord; it is a privilege. Every Saturday a group of about fifteen brothers go to preach. We are praying for a van truck, because we need it. Please help us by praying; we are sure God will provide.

We are also still working on the church building little by little; God gets the glory. The work is of Christ. Thank God people are being saved. We have more workers that love Christ and are working faithful in his work.

Next month I will be preaching in a Missions Conference in the state of Nuevo Leon; I ask for your prayers. Dear brothers, there are a lot of things to share...please, pray for us. We are so grateful.

Precious church of Christ, we thank God for you, thank you for your support and your prayers. We thank God for our home church, the Rodgers Baptist Church and for our pastor, Ron Thomas.

We pray for you, church; we love you. May God bless you.

"But we believe that through the grace of the Lord Jesus Christ we shall be saved, even as they."

Acts 15:11

Prayer requests: ***for the work here, for more workers, for a church van and for economic needs.***

May God bless you,
Niño Family
