

POTTERS SINCE 1945

Year in Review

This past year we have had a lot to celebrate - 2019 has been one of our most exciting times yet. Among other things, it was the year we created our Robert Gordon Interiors range and collaborated with the amazing Alison Lester on a gorgeous children's collection. With so much newness and creativity happening in our world, we just had to share...

RGA x Bromley

This year we had the great privilege of working with iconic Australian artist David Bromley on a collection of tableware for Myer. Bromley's well known paintings of butterflies, birds and children come to life on our handcrafted pottery. The collaboration was also given centre stage in the largest Myers buildings in Australia. On the 28th of January, Sydney, Melbourne and Brisbane's front windows came alive with Bromley's nostalgic and colourful prints and pottery. The unique set is available exclusively through Myer for a limited time.

Presidents Cup

The Presidents Cup 2019 was held on December 9-15, 2019, at the prestigious Royal Melbourne Golf Club. The return to the State of Victoria, Australia, marks the third time in the biennial event's 25 year history. The VIP guests who attended this year's PGA tour were treated to a hand thrown bowl crafted by Robert 'Andy' Gordon. Each bowl was hand signed by Robert and hand glazed by his daughter Kate. No two of the bowls are alike, making them a beautiful piece of Australia for the visiting golfers to take home with them.

Interiors

2019 saw the birth of our Interiors collection. Our Australian made basins were first released at DenFair in Melbourne, to much acclaim. Since then we have added ceramic wall hooks in two sizes to the story. We aim to launch our lighting pieces early in 2020, so be on the lookout for more exciting fixtures to come. All items are hand made in Melbourne to the highest of quality, each one being fired at 1280c. Photo taken of our Kiln 515 Basin in Rose quartz and grandson Gus Gordon at the new Carter Lovett cafe in Melbourne.
