

DLG LIGHTING®

THE SANTA BARBARA LIGHTING COMPANY

THE MONTEREY CLARO

The Monterey's balanced proportions perfectly blend the Spanish Colonial Revival and Craftsman movements, both popular in the early 1900s. Simple yet elegant, the lantern embodies the sturdy structuring of the Craftsman cottage, mimicking the low-pitched roof lines, deep overhanging eaves and the square columns. The Claro, or clear, version has the crossbars removed, giving the lantern a lighter, more open feel. Hand forged in heavy gauge iron.

PRODUCT DETAIL

ETL Listed

Max Wattage: 60

AVAILABLE ENERGY & DESIGN CODE COMPLIANCE OPTIONS

High Efficacy Rated - GU 24 Socket to comply with Title 24 High Efficacy Requirements.

Dark Sky Compliant - LED down light source located in Fixture Hood recommended with etched glass.

All lanterns go through a metalizing process, a protective zinc layer added to ensure protection and durability against corrosion and harsh weather conditions.

All lanterns ship within 6-8 weeks unless in stock and in some cases an expedited option is available with an additional charge. Please contact sales support or check online for lead times.

All lanterns are handmade and made to order. Dimensions may vary slightly. Shown in DLG Grey finish with DLG Clear glass
