

THE SERENA

Years back, Jimmy unearthed a lantern from an old adobe in the corner of a property he was working on. The lines were simple and the classic stylings appealed themselves to him. Jimmy and Britt created the Serena in homage to this old lantern and the history of the craft. Hand crafted in heavy gauge iron.

PRODUCT DETAIL

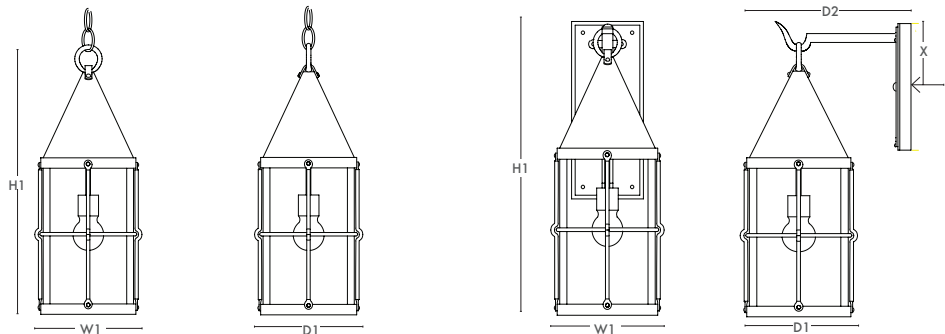

ETL Listed

Max Wattage: 60

High Efficacy Rated Optional

Lead times will vary. In some cases an expedited option is available with an additional charge. Please contact sales support for lead times.
