

Scarecrow Decoration

Materials Included:

- ✓ Popsicle sticks
- ✓ Yellow paper strips
- ✓ Orange paper triangle
- ✓ Googly eyes
- ✓ White cardstock square
- ✓ Foam flower
- ✓ Yarn
- ✓ Glue

Additional Materials Needed:

- ✓ Brown marker
- ✓ Black marker

Step One:

Glue 6 of the popsicle sticks vertically (up and down) onto the white cardstock square

Step Two:

Lay the last popsicle stick diagonally (slanted) near the top to make the scarecrow's head. Use the brown marker to mark where you'd like to glue it

Step Three:

Color the area you marked in brown and above with the brown marker, along with the last popsicle stick

Step Four:

Glue three pieces of the yellow hair onto each side of the brown hat, then glue on the last popsicle stick

Step Five:

Using glue, add the flower to the hat, the googly eyes, and the orange nose, then draw on a smile using the black marker

**Step Six:**

Attach the yarn to the back of the scarecrow so you can hang your scarecrow decoration!
