

TEAM AGREEMENT

WATTS ON THE MOON PHASE 1 CHALLENGE TEAM AGREEMENT

BETWEEN

HeroX PBC

AND

(INSERT NAME OF TEAM)

1 INTRODUCTION

This Agreement (“AGREEMENT”) is entered into by HeroX PBC (herein referred to as “VENDOR”) and _____ *(Insert name of TEAM)* (herein referred to as “TEAM”) located at _____ *(Insert legal US address of company or team leader)*. VENDOR and TEAM are collectively referred to as “the Parties.”

The purpose of this AGREEMENT is to establish the conditions for TEAM to qualify and participate in the Centennial Challenges Watts on the Moon Phase 1 Challenge (herein referred to as “CHALLENGE”) which will seek to incentivize flexible, robust energy distribution, management, and storage solutions to power the next Moon missions and will result in a monetary award to the winning TEAM(s).

The winners of the CHALLENGE will be selected by a panel of judges, selected by National Aeronautics and Space Administration (NASA) (“FUNDER”), and based on criteria and rules made available to TEAM. NASA (“FUNDER”) is providing a prize purse of up to \$500,000 USD (five-hundred thousand U.S. dollars) (“Prize”) for the CHALLENGE winners. Unless TEAM wins the CHALLENGE as determined by the selected judges, TEAM will not receive payment of any kind for preparation of or participation by TEAM in the CHALLENGE. CHALLENGE winners will be paid directly by the FUNDER. VENDOR is not responsible for making any payments to any CHALLENGE winners.

All individuals or entities that wish to participate in the CHALLENGE must register as members of a TEAM (hereafter “TEAM MEMBERS”) on the Official Challenge Website and enter into an agreement with VENDOR in the form of this AGREEMENT by signing and delivering to VENDOR the AGREEMENT or an Adoption of Agreement in the form set out in Exhibit A (“Adoption”). TEAM MEMBER must also identify on its Adoption, the names and nationalities of all individuals associated with such TEAM who are participating in any way in the CHALLENGE. Each TEAM MEMBER shall ensure that each of its Members (i) complies with all applicable terms of this AGREEMENT and all rules of the CHALLENGE, and (ii) is covered by the TEAM insurance policy required under this AGREEMENT or the TEAM provides proof of financial responsibility as detailed in 6.9 Insurance & Indemnification and completes Exhibit C.

A TEAM is comprised of one or more TEAM MEMBERS. All TEAM MEMBERS shall be considered registered participants in the CHALLENGE. The TEAM MEMBERS must designate a TEAM LEADER who is a registered individual TEAM MEMBER of their TEAM.

The TEAM LEADER shall serve as the TEAM’s sole representative in the CHALLENGE, shall be the TEAM’s administrative point of contact with VENDOR, and shall have the authority to bind the TEAM and all TEAM MEMBERS in all matters relating to the CHALLENGE.

All TEAM MEMBERS, including TEAM LEADER, will apply to register for the CHALLENGE by signing and delivering to VENDOR an original Adoption, and must receive written concurrence from VENDOR in order to be registered TEAM MEMBERS to participate in the CHALLENGE. A TEAM may be disqualified if VENDOR or FUNDER finds TEAM to be in breach of any Eligibility Requirements.

By signing an Adoption, each TEAM MEMBER is deemed to have signed this AGREEMENT and is committing itself, to be bound by all the terms of this AGREEMENT. Further, by signing this AGREEMENT, the TEAM LEADER is representing that all TEAM MEMBERS have executed the Adoption of Agreement and that no one else will become a TEAM MEMBER, or otherwise participate in the CHALLENGE with the TEAM until such new TEAM MEMBER has signed this AGREEMENT, and TEAM LEADER has received concurrence from VENDOR. VENDOR may disqualify any TEAM if it discovers that an individual is participating in the CHALLENGE with such TEAM who has not complied with the foregoing requirements. TEAM LEADER will provide VENDOR with a copy of the Adoption signed by each TEAM MEMBER.

A team-designated TEAM LEADER shall be responsible for the actions of and compliance with the rules, including prize eligibility rules, by all members of his or her TEAM. If a TEAM LEADER is unable to continue as TEAM LEADER, then a new TEAM LEADER may be named, as long as that person agrees in writing to fulfill the duties to be a TEAM LEADER and is otherwise eligible to be TEAM LEADER as required by this section. Such a change must be documented on an Adoption of Agreement in the form set forth in Exhibit A and submitted to VENDOR along with an explanation of the circumstances as soon as possible. Proposed changes of TEAM LEADER are subject to approval by VENDOR and FUNDER in their sole discretion.

Execution of this AGREEMENT indicates the willingness and intent of TEAM to participate in the CHALLENGE and to follow and abide by all the terms of this AGREEMENT.

All interactions by TEAM regarding CHALLENGE will be directly with VENDOR. TEAM MEMBERS will communicate with VENDOR through TEAM LEADER.

2 CHALLENGE DETAILS

2.1 Overview

The CHALLENGE is designed to incentivize flexible, robust energy distribution, management, and storage solutions to power the next Moon missions.

The CHALLENGE will be conducted by VENDOR. The Prize for the CHALLENGE is provided by FUNDER through the Centennial Challenges Program.

A prize pool of up to \$500,000 USD will be awarded across the CHALLENGE.

2.1 Awards:

Prize purses for Phase 1 will total up to \$500,000. FUNDER will award up to three (3) 1st Place prize purses in the amount of \$100,000 each to the winning Team in each Mission Activity (a total of \$300,000). FUNDER may also award up to four (4) additional prize purses in the amount of \$50,000 each to the next highest scoring Teams in one or more Mission Activities (a total of up to \$200,000). Teams must meet or exceed a minimum score in order to be eligible for a prize purse.

2.2 CHALLENGE Rules

Refer to the Watts on the Moon Phase 1 Challenge Rules as issued by VENDOR for CHALLENGE overview, rules, and definitions.

2.3 Deadline

The CHALLENGE will be conducted from September 2020 to May 2021. FUNDER can extend the Challenge milestones at its discretion.

2.4 Financing

TEAMS may not directly request the U.S. Government or foreign governments to provide funding for purposes of the TEAM participation in the CHALLENGE. TEAMS may utilize funds from government sources to the extent allowed by the funding source and recipient policies.

2.5 Uses of Federal Resources

TEAM is permitted to use or pay for the use of U.S. Government facilities, personnel, hardware, or information previously developed by the U.S. Government if access is available on an equitable basis. TEAM must inform VENDOR in advance of planned use of U.S. Government facilities, personnel, hardware, or information previously developed by the U.S. Government. VENDOR in consultation with FUNDER will determine if access is available on an equitable basis at its discretion.

A TEAM using information previously developed with U.S. Government funding must declare such information to VENDOR and shall promptly make such information available to VENDOR, FUNDER, and other competitors upon request.

2.6 Government Regulations and Licensing

TEAM will comply with all U.S. laws, regulations and policies, including those relating to export control and nonproliferation, and the laws of relevant state and local jurisdictions that pertain to or govern any activities conducted by TEAM in connection with the CHALLENGE.

2.7 Eligibility

NASA welcomes applications from individuals, teams, and organization or entities that have a recognized legal existence and structure under applicable law (State, Federal or Country) and that are in good standing in the jurisdiction under which they are organized with the following restrictions:

- a. **Individuals must be** U.S. citizens or permanent residents of the United States **and must be** 18 years of age or older.
- b. **Organizations must be** an entity incorporated in **and** maintaining a primary place of business in the United States.
- c. **Teams must be** comprised of otherwise eligible individuals or organizations and led by an otherwise eligible individual or organization.

U.S. government employees may enter the competition, or be members of prize-eligible teams, so long as they are not acting within the scope of their Federal employment, and they rely on no facilities, access, personnel, knowledge or other resources that are available to them as a result of their employment except for those resources available to all other participants on an equal basis.

U.S. government employees participating as individuals, or who submit applications on behalf of an otherwise eligible organization, will be responsible for ensuring that their participation in the Competition is permitted by the rules and regulations relevant to their position and that they have obtained any authorization that may be required by virtue of their government position. Failure to do so may result in the disqualification of them individually or of the entity which they represent or in which they are involved.

Foreign citizens may only participate through an eligible US entity as

- I. An employee of such entity
- II. A full-time student of such entity, if the entity is a university or other accredited institution of higher learning (Exhibit B),
- III. An owner of such entity, so long as foreign citizens own less than 50% of the interests in the entity, **OR**
- IV. A contractor under written contract to such entity.

Each individual, whether acting alone or as part of a TEAM, must identify his/her nationality. No TEAM MEMBER shall be a citizen of a country on the NASA Export Control Program List Category II: Countries determined by Department of State to support terrorism. (The current list of designated countries can be found at <http://oiir.hq.nasa.gov/nasaecp/>). This includes individuals with dual citizenship unless they are a U.S. citizen or a lawful permanent U.S. resident (green card holder). Further, pursuant to Public Law 112-55, NASA is prohibited from participating, collaborating, or coordinating bilaterally in any way with China or any Chinese-owned company. Thus, NASA will review submissions to ensure no TEAM or Entity falls under this prohibition.

2.8 Ineligible persons or entities

TEAMS will be ineligible to win the Prize if any TEAM MEMBER is a Federal entity or Federal employee acting within the scope of their employment. This includes any U.S. Government organization or organization principally or substantially funded by the Federal Government, including Federally Funded Research and Development Centers, Government-owned, contractor operated (GOCO) facilities, and University Affiliated Research Centers. No U.S. government funds may be used to participate in the CHALLENGE. Any such entity or individual shall obtain prior written approval from their cognizant ethics officer that such participation does not violate federal personnel laws or applicable agency policy. A copy of this approval to participate in the CHALLENGE shall promptly be provided to VENDOR.

Current employees and consultants of VENDOR may only participate as TEAM MEMBERS when the TEAM is not competing for the Prize from FUNDER. Participation of such parties as TEAM MEMBERS on a TEAM will make a TEAM ineligible for any Prize award.

2.9 Prize Payment

FUNDER will issue Prize payments to the TEAM LEADER of winning TEAM(s) no later than 60 days after the announcement of the winner(s) of the CHALLENGE and submission by such TEAM LEADER of information for Electronic Funds Transfer. Funds will be payable to the TEAM LEADER upon provision and acceptance of proof of citizenship and permanent resident status to FUNDER. The FUNDER shall have sole discretion of acceptance of such proof as meeting eligibility requirements for the Prize. Each TEAM MEMBER acknowledges that FUNDER shall only be obligated to make Prize payments to the TEAM LEADER. TEAM MEMBERS hereby acknowledge that any failure of the TEAM LEADER to make payments of any kind to TEAM MEMBERS is the responsibility of the TEAM LEADER, and not the responsibility of VENDOR or FUNDER.

2.10 Disclosure of Confidential Information

VENDOR may request information from TEAM on its CHALLENGE designs, programs, and other technical information for safety and rules compliance purposes only. No public release of information regarding TEAM's technical approach will be made without the expressed permission of the TEAM LEADER.

If requested, VENDOR will enter into a confidentiality agreement prior to receiving such information, on such terms and conditions as the TEAM LEADER and VENDOR may agree. VENDOR may share such information with FUNDER. If the Parties are unable to agree on a confidentiality agreement, VENDOR reserves the right to terminate the participation of a TEAM in the CHALLENGE.

3 SAFETY

VENDOR reserves the right, in its sole discretion, to eliminate any TEAM or individual TEAM MEMBER from the CHALLENGE if the TEAM or individual TEAM MEMBER poses a threat to safety or health of self, team members, participants or competitors.

4 GOOD SPORTSMANSHIP

TEAM agrees that failure to refrain from unsportsmanlike and/or disruptive conduct may result in TEAM's immediate elimination from participation in the CHALLENGE upon the discretion of VENDOR. Unsportsmanlike and/or disruptive conduct includes but is not limited to use of profanity, derision of others, public release of misleading or inaccurate information about CHALLENGE, an attempt to delay CHALLENGE operations, or an attempt to annoy, abuse, threaten, or harass any other person, or tamper with any other team's submission.

4.1 Penalty Appeals

Following the announcement of scores, Teams may file an appeal through the Ombudsman. A Team Leader must submit any appeal in writing to the Ombudsman within one (1) day of the release of scores and competition data logs to the Team Leader and prior to prizes being awarded. All correspondence relating to an appeal will be conducted through the Ombudsman. An Ombudsman will act solely as the mediator between the Teams and the Judging Panel, if any appeals are raised. No Team Members will approach the Judging Panel with an appeal or attempt to sway the judges' decision. The Ombudsman's decision of the appeal will be rendered by the Ombudsman before the award of prizes and will be considered final.

5 RIGHTS

5.1 Use of Names, Trademarks and Insignias

TEAM may not use the name, trademark or insignia of VENDOR, its contractors, collaborators, or FUNDER on its printed materials related to the participation of TEAM in the CHALLENGE without VENDOR's or its contractor's, collaborator's, or FUNDER' prior written consent, whichever Party is applicable.

TEAM agrees that unauthorized use of such names, trademarks and insignias shall result in elimination from participation in the CHALLENGE if TEAM continues unauthorized use after being notified to cease and desist by VENDOR or FUNDER as applicable.

5.1 Media Rights

TEAM retains all media rights related to the story of its participation in the CHALLENGE.

TEAM agrees that VENDOR and FUNDER will retain all Media Rights related to the story of the CHALLENGE.

Each TEAM MEMBER agrees to let VENDOR and FUNDER use the name of the TEAM and the name and likeness of such TEAM MEMBER (without charge) in connection with the media material prepared and distributed by VENDOR and FUNDER relating in any way to the CHALLENGE.

TEAM agrees to provide VENDOR and FUNDER reasonable amounts of video footage or access for recording activities related to participation of TEAM in the CHALLENGE and the right to use said footage for public affairs and/or educational purposes.

TEAM agrees that its failure to furnish video footage or access for recording purposes based on VENDOR's reasonable requests may result in TEAM's removal from participation in the CHALLENGE.

5.2 Purchase and Sales Rights

TEAM agrees that FUNDER retain the non-exclusive right to purchase from TEAM the resultant or derived product, service, or technology used to win the CHALLENGE subject to the parties reaching mutual agreement after the CHALLENGE. This section does not guarantee a purchase of the resultant or derived product, service, or technology.

TEAM retains all rights to sell the resultant or derived product, service, or technology used to win the CHALLENGE to whomever they wish, provided they abide by all local, state, and U.S. Government laws and regulations regarding the sale and export of technology.

5.3 Intellectual Property Rights

Notwithstanding anything to the contrary in this AGREEMENT, VENDOR and FUNDER claim no intellectual property (IP) rights from TEAM's submission for this CHALLENGE.

To the extent TEAM owns IP resulting from its participation in CHALLENGE, TEAM agrees to negotiate in good faith with FUNDER that are members of the U.S. Government for a grant of a nonexclusive, nontransferable, irrevocable, license to practice or have practiced for or on behalf of the United States, the intellectual property throughout the world, at reasonable compensation and on terms acceptable to each party, if FUNDER choose to pursue such a license.

5.4 Disclaimer of Warranty

Goods, services, facilities, or equipment provided by VENDOR and FUNDER under this Agreement are provided "as is." VENDOR and FUNDER makes no express or implied warranty as to the condition of any such goods, services, facilities, or equipment, or as to the condition of any research or information generated under this AGREEMENT, or as to any products made or developed under or as a result of this AGREEMENT including as a result of the use of information generated hereunder, or as to the merchantability or fitness for a particular purpose of such research, information, or resulting product, or that the goods, services, facilities, or equipment provided will accomplish the intended results or are safe for any purpose including the intended purpose, or that any of the above will not interfere with privately-owned rights of others. Neither the U.S. Government nor its contractors shall be liable for special, consequential, or incidental damages attributed to such goods, services, facilities, equipment, or information, or services provided under this AGREEMENT or such research, information, or resulting products made or developed under or as a result of this AGREEMENT.

5.5 Disclaimer of Endorsement

NASA does not endorse or sponsor any commercial product, service, or activity. NASA's participation in this AGREEMENT or provision of goods, services, facilities or equipment under this AGREEMENT does not constitute endorsement by NASA. TEAMS agree that nothing in this AGREEMENT will be construed to imply that NASA authorizes, supports, endorses, or sponsors any product or service of TEAMS resulting from activities conducted under this AGREEMENT.

6 GENERAL PROVISIONS

6.1 Governing Law

U.S. Federal law governs this AGREEMENT for all purposes, including, but not limited to, determining the validity of the AGREEMENT, the meaning of its provisions, and the rights, obligations and remedies of the Parties.

6.2 Acceptance and Removal

The final deadline for submitting the Registration and Submission form through the Watts on the Moon Phase 1 Challenge website (www.herox.com/WattsOnTheMoon) is 05:00 PM EDT on March 25, 2021 . However, this AGREEMENT must be completed, signed and returned to the VENDOR before the TEAM can be considered for participation in the CHALLENGE.

By executing this AGREEMENT, VENDOR accepts TEAM for CHALLENGE.

VENDOR has the right to eliminate TEAM from the CHALLENGE at any time if TEAM fails to meet any material term of this AGREEMENT.

Removal of the TEAM from participating in the CHALLENGE eliminates the possibility of TEAM winning the CHALLENGE and/or a Prize.

TEAM agrees to abide by a decision for removal made by VENDOR, without contest, legal recourse, or any other action of protest of the decision.

6.3 Reporting

When required, TEAM agrees to provide VENDOR with a written total (a single amount) of the following: TEAM's incremental and cumulative financial, property (capital), personnel, and any other investments, and/or expenditures (direct or in-kind) made to conduct any and all activities related to or required by participation of TEAM in the CHALLENGE. VENDOR will not make this information public except in aggregate form for all TEAMS competing in the CHALLENGE.

TEAM agrees that failure to meet this reporting requirement may result in its removal from participation in the CHALLENGE.

6.4 Effective Date

The Effective Date of this AGREEMENT is the later date on which the Parties execute this AGREEMENT.

6.5 Responsible Officers

The following are Responsible Officers (TEAM LEADER and VENDOR's designee) for each Party for purposes of providing periodic TEAM updated information, to coordinate planning of the CHALLENGE, and to perform other interfacing functions between TEAM and VENDOR as necessary. When questions arise about CHALLENGE rules, the Responsible Officer may contact VENDOR for a case-by-case interpretation and ruling.

6.6 Complete Agreement

This AGREEMENT represents the full and complete understanding and agreement between the parties regarding their relationship and the CHALLENGE. It merges and supersedes all previous agreements, oral or written, express or implied including related communications and representations.

6.7 Invalidity

The invalidity, in whole or in part, of any part of this AGREEMENT herein shall not affect the validity or enforceability of any other part of this AGREEMENT.

6.8 Assignment

This AGREEMENT may not be assigned by TEAM to any party without the prior approval of VENDOR and the FUNDER.

6.9 Insurance & Indemnification

Each TEAM MEMBER agrees to assume any and all risks and waives claims against VENDOR and the U.S. Government and its related entities, except in the case of willful misconduct, for any injury, death, damage, or loss of property, revenue, or profits, whether direct, indirect, or consequential, arising from each TEAM MEMBER's participation in the CHALLENGE, whether such injury, death, damage, or loss arises through negligence or otherwise. For the purposes of this paragraph 6.9 and paragraph 6.10, the term "related entity" means a contractor or subcontractor at any tier, and a supplier, user, customer, cooperating party, grantee, investigator, or detailee.

TEAM agrees to obtain any and all insurance policies and coverage required by its local, state, or federal governments to conduct any and all virtual activities related to or required by participation of TEAM, or the TEAM MEMBERS, in the CHALLENGE. In addition, VENDOR requires that each TEAM obtain liability insurance in the amount of \$5,000 USD minimum that covers each TEAM MEMBER or otherwise demonstrate financial responsibility for that amount to cover all claims by (A) a third party for death, bodily injury, or property damage, or loss resulting from an activity carried out in connection with participation in the CHALLENGE, with the U.S. Government and VENDOR named as an additional insured under the TEAM's insurance policies; and (B) the U.S. Government, VENDOR, and its contractors for damage or loss to Government or VENDOR property resulting from or related to CHALLENGE activities. The TEAM and all TEAM MEMBERS agree to indemnify the U.S. Government and VENDOR against third-party claims for damages arising from or related to CHALLENGE activities.

Proof of insurance in such form as reasonably required by HeroX shall be provided to HeroX, no later than ten (10) days prior to the Submission Deadline as outlined in Exhibit C of the Team Agreement. Alternatively, if Team intends to fulfill this requirement by demonstrating financial responsibility in the requisite amount, Team shall submit to HeroX in writing such information as demonstrates to HeroX, in HeroX's reasonable discretion, that Team has sufficient financial responsibility to cover the potential claims cited in the requisite minimum amount as outlined in Exhibit C of the Team Agreement.

TEAM agrees that failure to meet this requirement will result in TEAM's removal from participation in the CHALLENGE.

6.10 Waiver, Release, and Covenant Not to Sue

In consideration for the opportunity to compete in the CHALLENGE, TEAM agrees to assume any and all risks arising from or related to the CHALLENGE, waives all claims against, and covenants not to sue, whether in contract or tort, VENDOR, its contractors and related entities, including FUNDER and the U.S. Government and its related entities, for any injury, death, damage, loss of property or revenue or profits, whether direct, indirect, or consequential, arising from its participation in the CHALLENGE, including preparation for the CHALLENGE and any advice received in connection with the CHALLENGE, whether such injury, death, damage or loss arises through negligence or otherwise, except in the case of willful misconduct.

TEAM also acknowledges that VENDOR has entered into agreement with FUNDER to pay the Prize and agrees that the obligation for payment of the Prize to declared winners belongs to FUNDER and not to VENDOR.

Commitments by the U.S. Government to provide the Prize for this CHALLENGE are subject to the availability of appropriated funds, and no provision in this AGREEMENT shall be interpreted to require obligation or payment of funds in violation of the Anti-Deficiency Act, 31 U.S.C 1341.

6.11 Additional Rules

VENDOR may, with concurrence from FUNDER, implement such additional rules or requirements, as it deems appropriate to administer the CHALLENGE. Failure to adopt or follow such additional rules or requirements shall be grounds to terminate a TEAM and all TEAM MEMBERS from the CHALLENGE.

7 DELAY, CANCELLATION OR TERMINATION

TEAM acknowledges that circumstances may arise that require the CHALLENGE to be delayed indefinitely or cancelled. Such delay or cancellation, and/or the termination of this AGREEMENT, shall be within the full discretion of VENDOR or its assignee, and TEAM accepts any risk of damage or loss due to such delay, cancellation, and/or termination.
