Frequently Asked Questions

Will I receive Free Shipping?

That depends. If you have Amazon Prime, you will be eligible for free shipping. If not, you may be eligible for free standard shipping, but you will need to select that option during checkout if it is available to you.

How do I know this is a real deal and not a scam?

You are purchasing this product directly from Amazon.com, the most trusted e-commerce website on Earth. You'll use a unique coupon code that will be provided to you on the page after completing the Quiz and will complete your purchase on Amazon.com.

My coupon code didn't work?

You can only use the coupon code **one time**. When applied, the coupon will reduce the price of the product to \$1.00. Coupons will be limited to **1 per household**. If you try to reuse your unique coupon code again, it will NOT work a second time.

→ Take the Quiz Now!

Before you take the quiz...

When you finish the quiz, DON'T close your browser! At the end, you are given instructions on how to get your Amazon.com coupon to get your pH Test Strips for \$1.
