

ANIMAL INSTINCTS

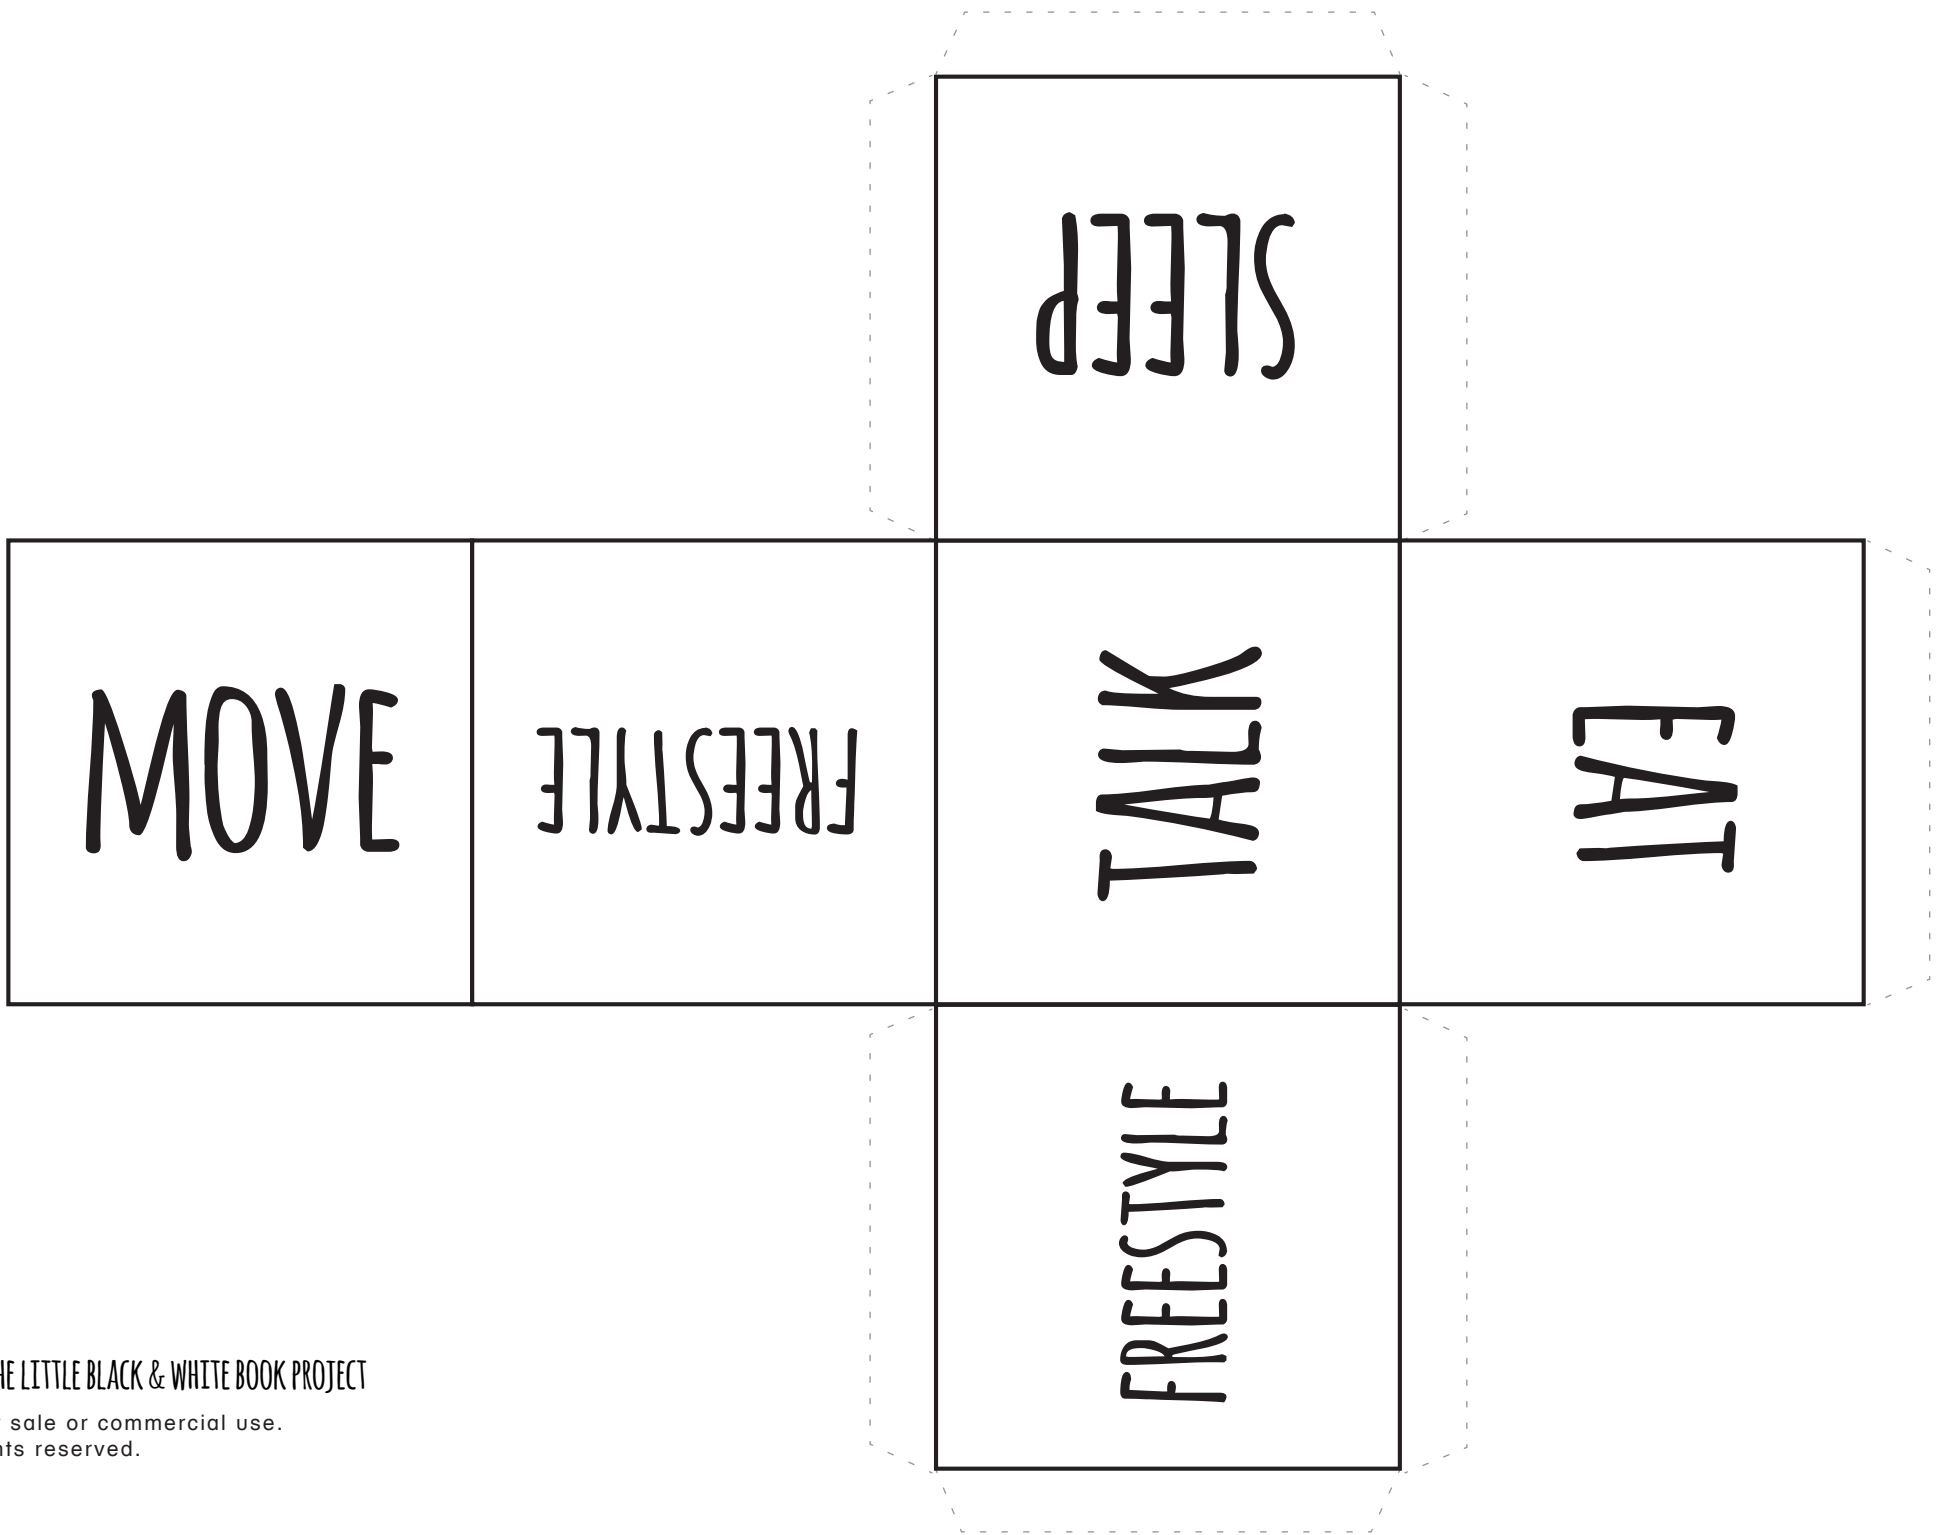

Cut out the dice templates and stick the edges together to form cubes. Throw both dice together to choose an animal and an action. Take it in turns to act out answers!

If you're not sure how the animal would eat, sleep, move or talk then have a look on the blog post for some inspiration. If you roll 'freestyle' you can pretend to be the animal in any way you like.

AND DON'T FORGET TO SHARE AND TAG YOUR CREATIONS! #THEBWBPROJECT
