IT'S OUR BIRTHDAY

The 2nd April 2020 marks 60 years since Stanton Village Hall first opened. We didn't quite expect to be celebrating it at such a social distance from our community. But, given the current pandemic, needs must.

We hope that you and your family are as well as you can be.

We didn't want our 60th birthday to pass by without some sort of nod to it, but for obvious reasons a get-together is neither allowed or advisable!

Instead, we've put together this booklet to connect with you, our community, to celebrate our birthday, and bring a little enjoyment through activities for both kids and adults.

We hope to welcome you all to celebrate in person in the future.

Take care,

**STANTON VILLAGE
HALL COMMITTEE**

SCONES

These are easy to make and we often have the ingredients in our cupboards already.

225g/8oz self raising flour

pinch of salt

55g/2oz butter

25g/1oz caster sugar (if making cheese scones then leave this out)

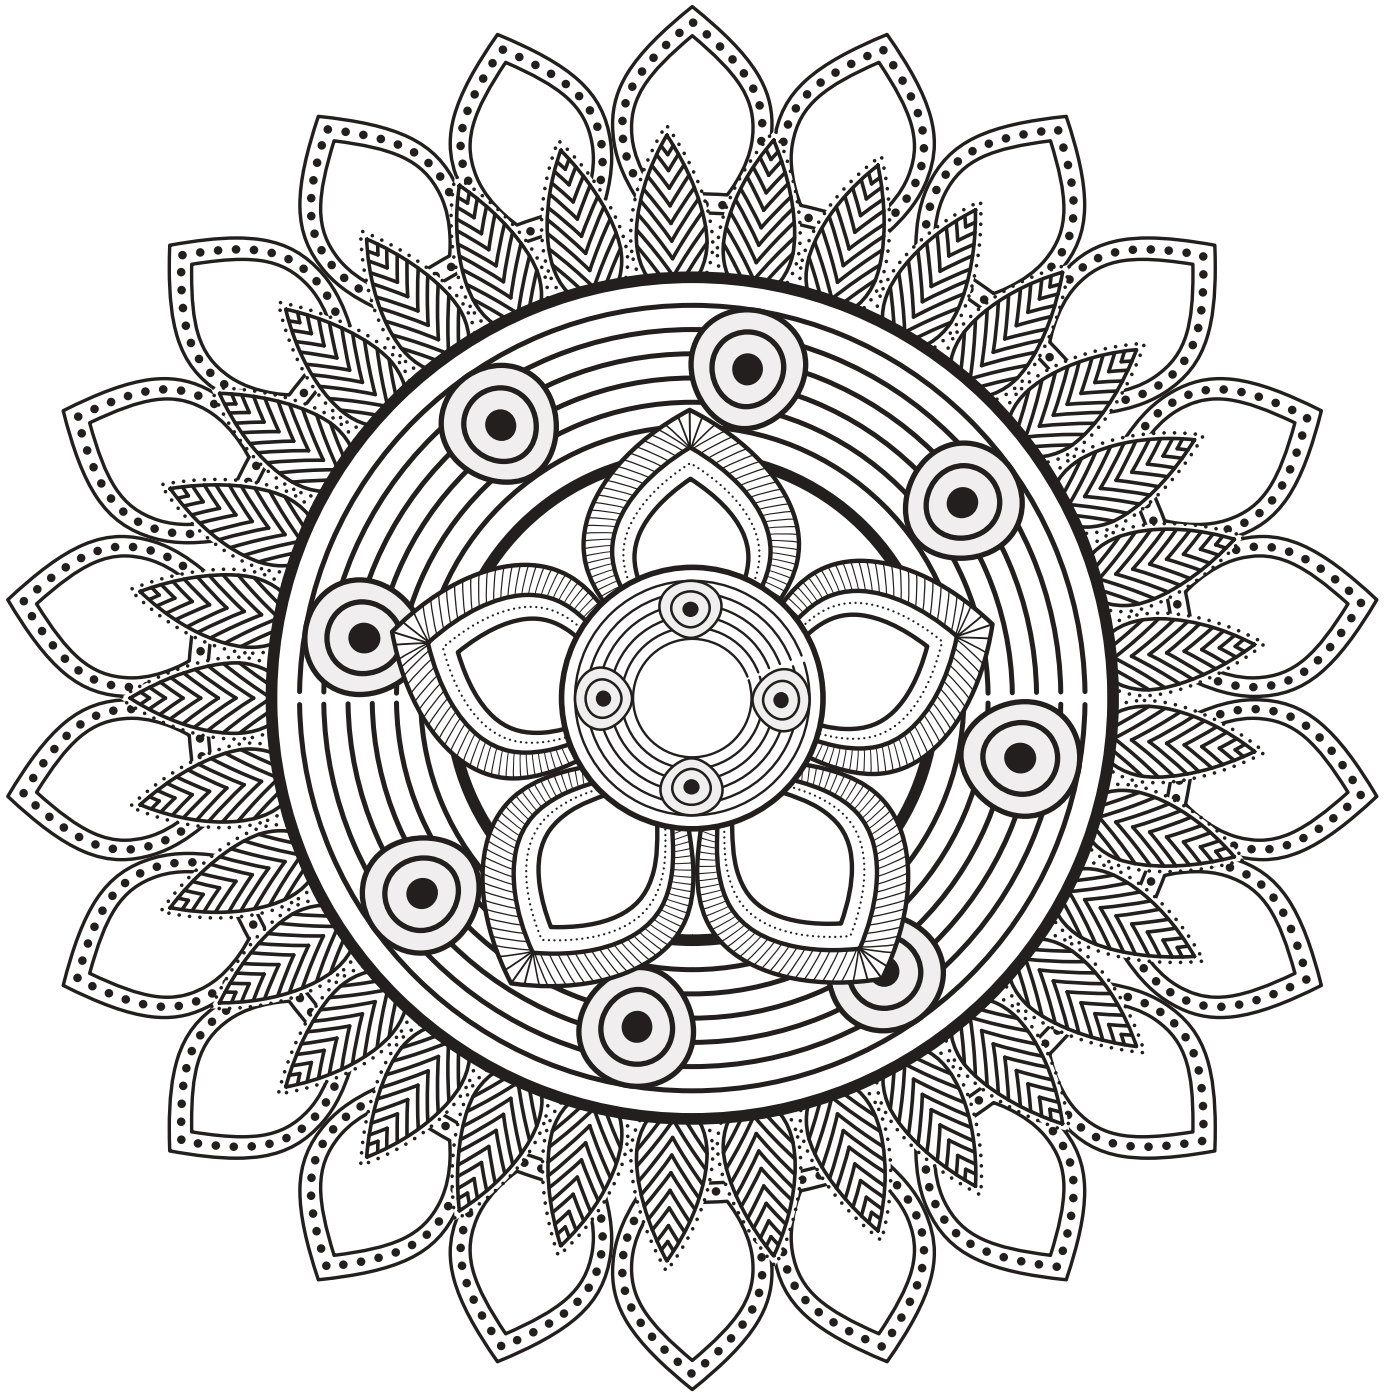

150ml/5fl oz milk

1 egg to glaze (alternatively use a little milk)

If making cheese scones: 100g of grated cheese

1. Heat your oven to 220C/200C Fan/Gas 7
2. Lightly grease a baking tray.
3. Mix together the flour and salt and butter, rubbing between your fingers to mix it all in.
4. Stir in the sugar (or if making cheese scones leave out the sugar but put 75g of your grated cheese in the mix)
5. Add the milk and stir to a soft dough.
6. Turn the dough to a floured work surface and knead very lightly. Pat out to a round 2cm/ $\frac{3}{4}$ in thick. Use a 5cm/2in cutter to stamp out rounds and place on the greased baking tray.
7. Brush the tops of the scones with the beaten egg or milk.
8. Bake for 12-15 minutes, or until well risen and golden-brown. If making cheese scones sprinkle your cheese a few minutes before taking out of the oven.
9. Cool on a wire rack and eat!

HISTORY OF THE HALL

We were delighted when long-standing Committee Member, Elaine Tagg, shared a scrapbook of the Hall's history recently.

It was full of newspaper cuttings about the struggle the Community went through to secure funding for a Village Hall in Stanton over 60 years ago, and again to renovate it in the 80's. Such a reminder to us that we are lucky to have such a fabulous facility.

Stanton Village Hall was originally purchased as a pre-fab building, although over the years it's had new walls, roof and floor!

We're trying to scan these photos and turn them into a book to share online with you all!

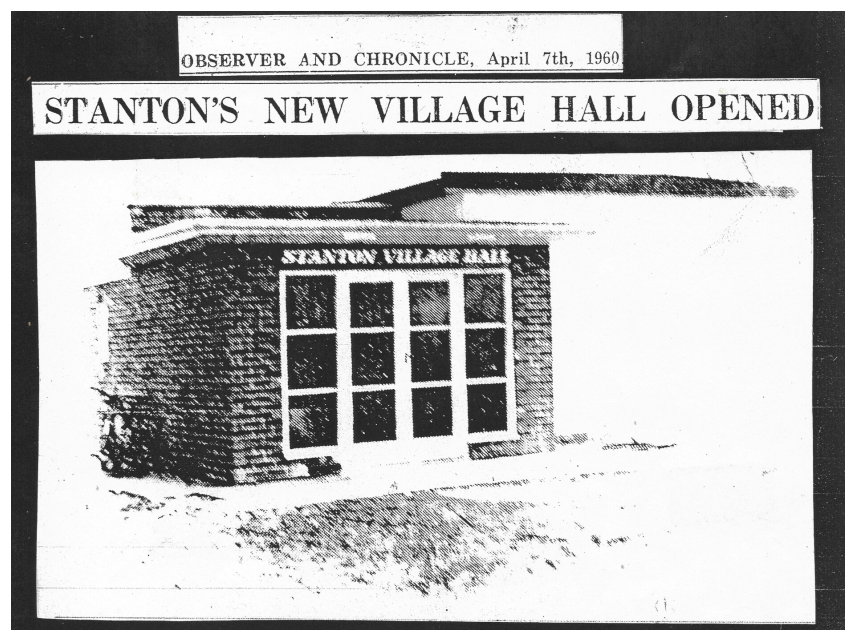

Modern day

We're delighted to be repainting the Hall this spring, and hope to share it with you all when we're able to.

We've worked hard over the past six months to secure investment for the Hall and are delighted to share with

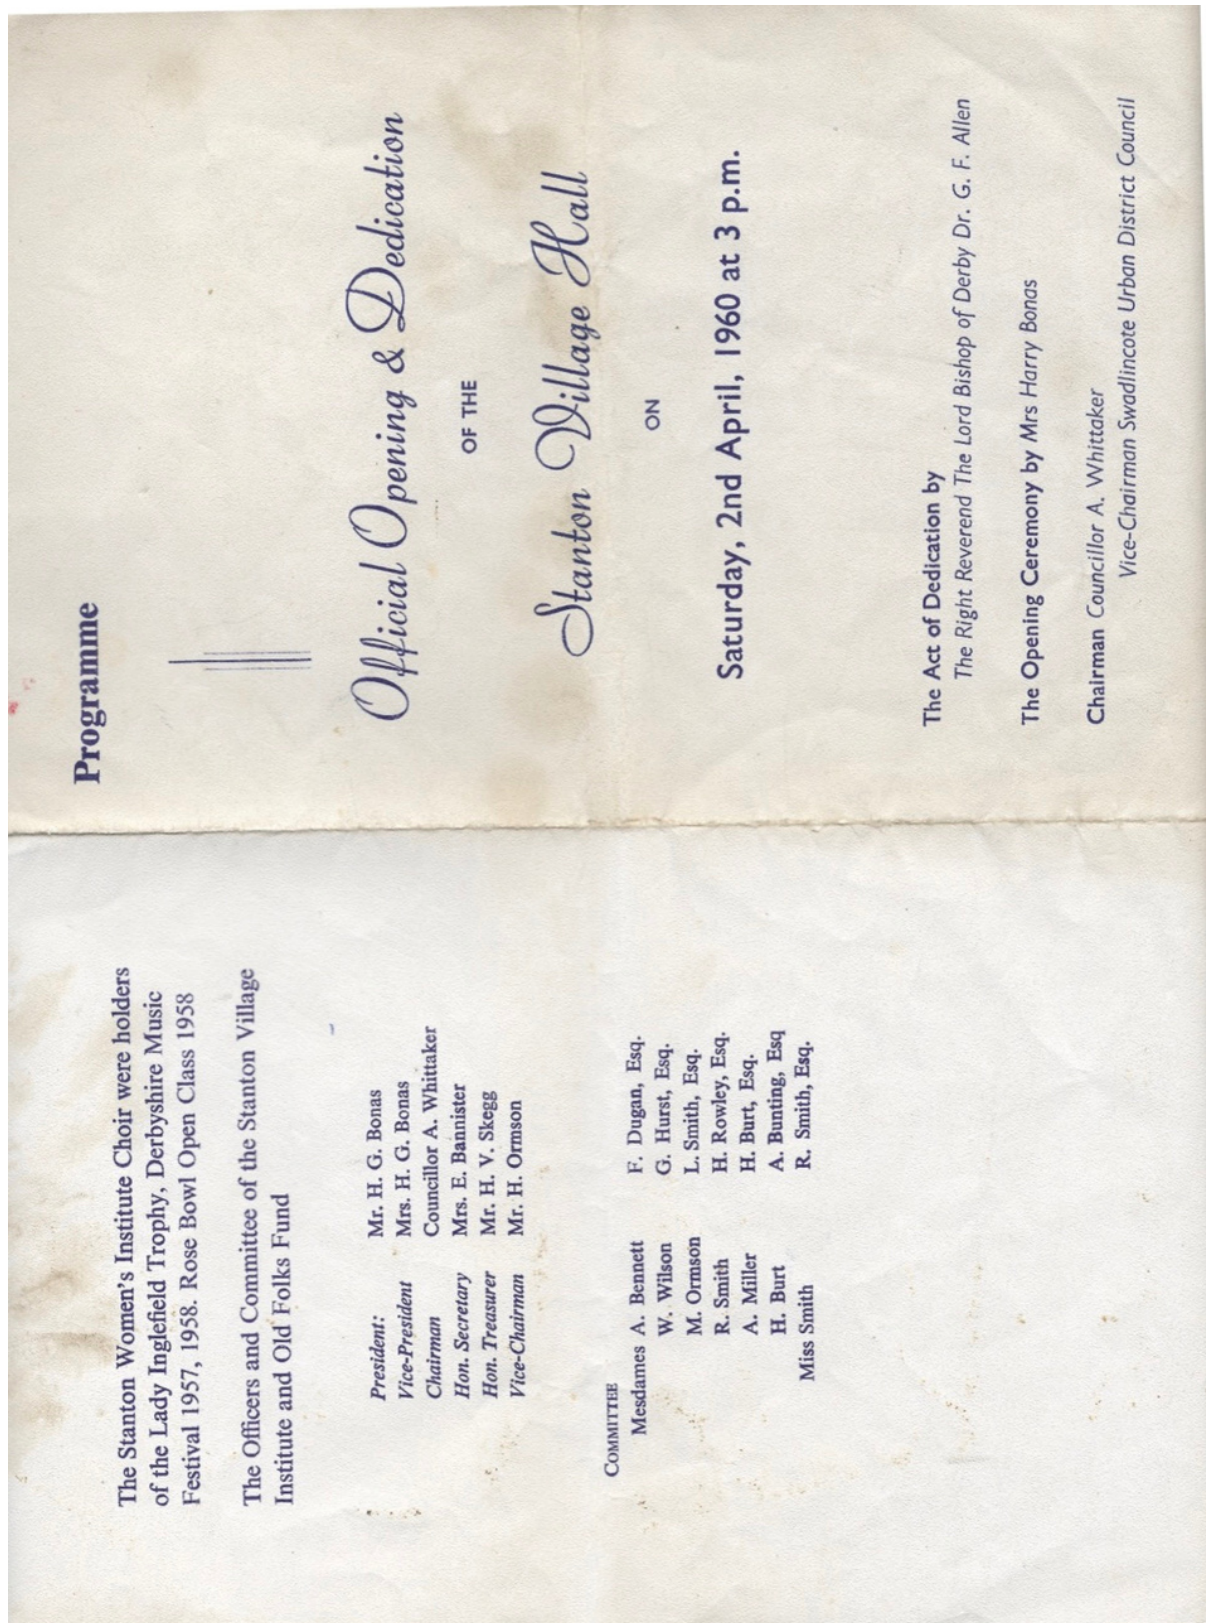

you that we recently secured £1000 from the East Midlands Community Airport Fund for items including new hoovers and storage cupboards, and £9630 from the National Lottery Community Fund for new heating and doors which we hope to have installed very soon. We are trying our hardest to ensure our Hall is future-fit.

We really hope that we can be together in the Hall soon.

WORKING TOGETHER

We would love to work with our Community much more and there's lots of ways to do that.

Attend our fundraisers

When we're back up and running then please do join us at our fortnightly bingo fundraisers. We'll need to rearrange our Easter Bonnet competition and summer fair too!

We'd also love to work with our Community to run more events if you'd be interested in working with us to run them.

Volunteer

We're entirely volunteer-run with activities including setting up tables for fundraisers, tending the gardens, cleaning, helping with tea and refreshments at fundraisers, accepting bookings, and maintaining the Hall building, social media marketing, and invoicing.

Maintenance

We'd also like to develop a reliable list of local tradespeople who we can approach to competitively quote for future work. You must be appropriately qualified and insured. Get in touch at: admin@villagehallstanton.com

WORKING TOGETHER

Donate

This year will be difficult financially, with all of our bookings having to be cancelled in light of the current pandemic. We'd like to think that we do a lot for our Community including litter picks, providing parking for parents, and accommodating the community defibrillator.
