I dream of a world where people
can think inside the shoes of others,
be than friend or foe

Love # Equality # Keep Pushing
World Peace # Rise # Never Give Up

I Dream of a world where
respect is a priority

Where we respect every
ethnicity, skin color, nation
and race

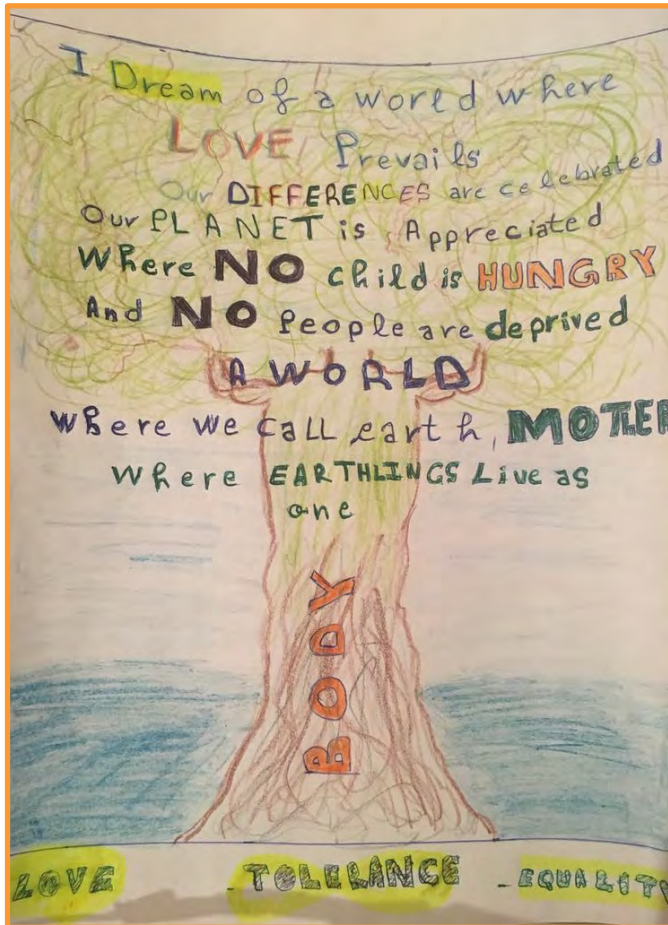

Where we respect nature
as the basis of all life

where we respect the
people who believe in a
religion as well as others
don't

Respect . Justice . Equality
