Good Morning my Great Eight! I am so pleased to work with each of you and I know together we will have a fantastic group and things are going to work well!! As I mentioned, my personal number is [REDACTED]

So I know there is a lot going on this month with meetings, webinars, audits, Holidays, etc. so I know it's been hard but know I appreciate all of your guys' hard work and dedication! If I can help in any way please let me know, communication is key. I can't help if I don't know what's going on! As I am sure you will notice I am an e-mail person!!

Now that we have had our meeting regarding all of the numbers and everyone got to see a snap shot of their unit I want to do what we can to better those numbers!!.... I will run the numbers again 1/29/16 to see where we are then...This will give you guys a month to have your units work on it.... I am hoping to see a big change!!

Since we need to increase our QDCs numbers I have a competition I would like to play with all of your units... I will "start the clock" on 1/1/16 and whatever unit has the most QDCs done between then and 2/29/16 will win! I will personally buy the unit a pizza party for their hard work!!! So, please encourage encourage encourage!! We want those numbers up!!! {I will send an e-mail to all of your units}....

I know it's going to be a big change with a new AJDM and I know it will take some time for us to get in the groove but know I can promise I will give you guys 110%.

This month is the semi-annual for inspections so I plan to be at the Courthouse Monday and Tuesday I believe from 130-330 (if this changes I will let you know) so please be prepared to bring all of your equipment to me then (either day). If you know you will not be available those days/times let me know so we can work something else out... I know there is a lot of vacation at the end of the month so I want to ensure we get these done as soon as we can!!!

If you have any ideas/thoughts/suggestions about anything please let me know... I want to do what we can to ensure a well oiled machine! "I don't embrace excuses... I embrace solutions" --Jon Taffer

Lastly, If you have anyone that you know will not be in attendance to the webinar this afternoon just shoot me an e-mail with their name and why, this way I can keep a running list so we are ready when the make up day comes out with a list of individuals that need to attend.

Thanks Everyone!! Remember... Teamwork Makes The Dream Work!

Good Morning!!! So regarding the QDC competition, I can run the report from the time frame we gave for the competition to get the numbers BUT... if cases get moved the numbers will go to the new supervising officer and we all know how often that can happen sometimes! and we want to ensure we are giving the right credit to the right unit.... so I know this may be a little inconvenient but every time you approve a QDC please send me an e-mail (and CC JDM Dimoulas and AJDM Walker) with the defendant's name and OPUS number and I will keep a running list of everyone! Just ensure the officer closes out the disposition as soon as they serve the QDC; that way when I follow up on the numbers we can ensure it was served/ completed-- if you send me a name/opus and at the end of the timeframe that QDC still hasn't been closed out it will not count. Let me know if you have any questions/concerns!! Good Luck to all... (but extra luck to my Great Eight, lol, Sorry Steve-- haha)

(Remember January 1 through February 29)

Also, please give me any feedback you hear of what people think about this competition... we would like to find good ways to raise moral along with increasing numbers of QDCs, etc. and we would like to know if this is being taken well to see if we want to try something like this again in the future for other possible competitions, thanks! So, I doubled checked, Angela sent it out District Wide.
Let me know what you think of this and of course, any input/revision that you feel is needed or I need to include, please let me know.

As everyone is aware, we currently have an active QDC competition in the District that runs from January 1, 2016 through February 29, 2016. We want to broaden and expand the competition to include use of ALL the tools in your toolbox. This includes the use of Carey Guides, thinking reports, RRS referrals, and the use of any delegated authority condition. The unit with the highest number of tools used during the time period as stated above, District Office Management will provide pizza and drinks to the unit with the highest number.

We want to continue to encourage you to utilize all the tools in your toolbox engaging offenders under your supervision through the use of Evidence Based Practices. Based on the offenders needs and their compliance with conditions, these tools have been given to you to assist you in your job in evaluating and determining, how to effectively supervise offenders under your supervision so that they complete probation successfully.

Thank you.

Let me know what you think.....Thanks.

Wake County

District Wide QDC COMPETITION!!

This competition is to see what Unit can use the most QDCs from January 1, 2016 through February 29, 2016!!!

We know as a JSC or an OA, etc. you cannot quick dip someone.... but we decided if your Unit wins you still get to participate in the prize... so please help by encouraging your Unit!!

Keep in mind we can only use QDCs to address noncompliance of a court ordered condition (missed appointments, positive drug tests, etc). If you're not sure—staff with your CPPOI. Also, don't forget to close out the disposition on the PP72 screen so you can get your credit!!

There are 16 Units.... So there will be a lot of competition!!! Good Luck Everyone!!!

Who? All of Wake County!

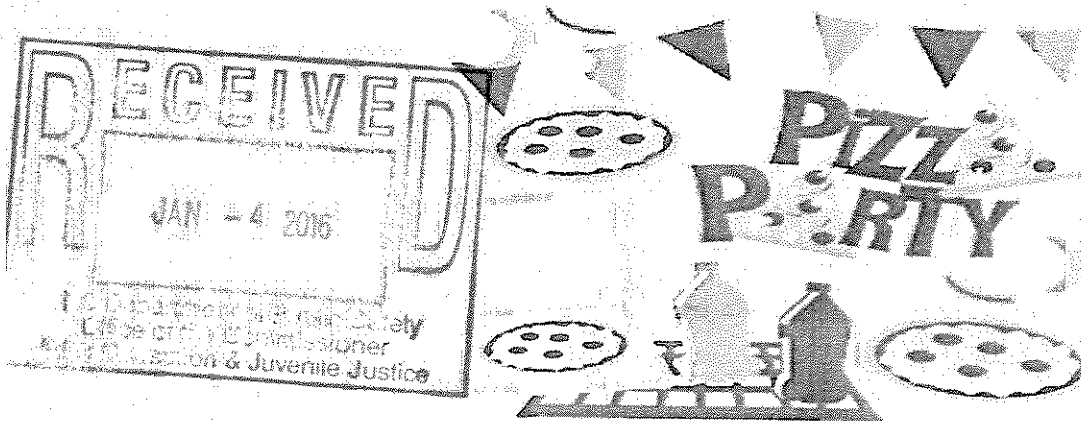

What's QDC Competition?

When? January 1 through February 29, 2016

Where? They go to the jail ☺ ...2 or 3 days! (and it's free... no jail fees!)

Why? To ensure we address noncompliance of course... and to increase our numbers... (and to win a prize, ha!)

We know what you're thinking.... What's the prize?! The district office will supply the Unit with the most QDCs with.... *a pizza party!!* Woohoo!!

Great to
see you.

**Due to Unit B having a limited number of Officers, we will allow them to "team with" Unit G!
(Hey... we gotta be fair!)
