

SEASON OF **KINDNESS**

YOU'VE BEEN
HUGGED!

'Tis a season of giving
And of kindness and sharing
This note is for a special someone
A warm wish from me—how fun!

It comes from the heart
And it's only the start
Thanks for being so kind
And passing it down the line...

**We want to blanket the world with goodness.
Seeing it spread will fill us with happiness.**

PLEASE KEEP IT GOING BY FOLLOWING THESE DIRECTIONS:

1. Place the "I've been hugged!" sign in your front window.
2. Make a copy of this note and the "I've Been Hugged" sign, put them in an envelope. (Add a special note on the back or a small treat or gift for a personal touch).
3. Secretly deliver them to friends and neighbors. Ring the doorbell or knock and then run!
4. Repeat as many times as you want.
5. Watch the doors in your neighborhood, and see how far the kindness goes!
