Dear Sunbelt Attendees,

We are thrilled to welcome you to the 20th Sunbelt Builders Show™ during these unprecedented times. We want to assure you that Show management, the Gaylord Texan Resort and Convention Center and Shepard Decorating Company have put your health and safety first as we prepared for this week's events. We have implemented cleanliness, social distancing and health protocols as outlined by state and federal authorities.

We want you to feel empowered and safe while walking the trade show floor. This is a prime opportunity for you to find products and services that will enhance your business. You will also be able to participate in several education and demonstration sessions as well as in-booth networking. The Sunbelt Committee also secured top-notch keynote speakers in Alan Graham and Bobby Bones.

For this year only, we have combined our HOMEPAC FUNdango and Builders' Bash social events. We encourage you to join us Wednesday night at the Builders' Bash concert at the spacious Glass Cactus. This event allows us to come together and relax in a social distancing atmosphere. We also took our Star Awards program to a live virtual event set for July 23.

Our Show would not be possible without the support of Sunbelt's exhibitors and sponsors. We extend our sincere thanks to them for being a part of our Show (see page 45). On behalf of the leadership and staff of the Texas Association of Builders, thank you for supporting the Sunbelt Builders Show™ and our industry.

Best regards,
