Port of Los Angeles Harbor Cup Perpetual Trophy

Deed of Gift

The Port of Los Angeles gives to the Los Angeles Yacht Club a perpetual trophy, described as a sterling silver cup, 18" in diameter, 36" in height, with a mahogany base 16" rounded named the *Port of Los Angeles Harbor Cup Perpetual Trophy*.

The Port of Los Angeles strongly encourages young men and women to enjoy the benefits of competitive sailing. Corinthian values that promote the highest level of sportsmanship, fairness, courtesy and grace in victory or defeat are valuable traits that all young men and women should aspire. Environmental awareness, stewardship and developing a love of the ocean are other important byproducts of enjoying this sport at an early age.

This trophy is awarded to the winning team competing in the annual Port of Los Angeles Harbor Cup — Cal Maritime Invitational Intercollegiate Regatta. The Los Angeles Yacht Club Board of Directors shall have, and retain, full power and authority to determine all questions regarding the awarding of this trophy.

The trophy shall be kept and displayed on the premises of the Los Angeles Yacht Club and maintained in good condition; the Los Angeles Yacht Club Board of Directors may display this trophy at an alternate location at their sole discretion.

Dear Friends:

On behalf of the City of Los Angeles, I welcome the participants and spectators of the 16th Annual Port of Los Angeles Harbor Cup.

Each year, some of the most talented and accomplished collegiate sailors from across the nation gather at the Port of Los Angeles to compete for the sought-after Harbor Cup. Over the past 16 years, more than 1300 student sailors from 30 universities have competed in this regatta, cementing it as a cherished Los Angeles tradition.

This experience is rewarding for everyone from sailors to supporters alike. I invite you all to enjoy these races safely, cheer along with the competitors of this regatta, and experience the unique beauty of the LA Waterfront.

I wish you all fair winds and a safe competition.

Sincerely,

Dear Friends:

It is my pleasure to welcome you to the 16th annual Port of Los Angeles Harbor Cup!

I would like to welcome participating sailors, families, and spectators to the Port of Los Angeles. The County of Los Angeles is honored to host this sailing event once again. A huge thanks to the wonderful sponsors, the Port of Los Angeles, Cal Maritime and the Los Angeles Yacht Club.

The gorgeous waters of the Los Angeles harbor will provide competitors in this intense three-day West Coast sailing regatta with the opportunity to challenge themselves and match their skills against some of the best collegiate sailors in the country.

While staying in San Pedro, be sure to visit some of our local treasures, such as the Los Angeles Maritime Museum, the Battleship IOWA, SS Lane Victory, and Korean Bell of Friendship. You will also find a vast array of local eateries with a variety of cuisines to refuel after a rigorous day of sailing. On behalf of my hometown, I wish you fair winds and a safe and competitive weekend.

Sincerely,

Dear Friends,

On behalf of the City of Los Angeles, I would like to welcome all the participating sailors and spectators to the 16th Annual Port of Los Angeles Harbor Cup-Cal Maritime Invitational Intercollegiate Regatta.

This incredible event showcases the most talented collegiate sailing teams across the United States. The City of Los Angeles is honored to host this unique Pacific Ocean regatta, held in the beautiful waters outside Angels Gate.

Be sure to visit some of our unique attractions such as the historic Battleship IOWA, as well as, CRAFTED at the Port of Los Angeles – a marketplace filled with handmade goods. We are thrilled you are here in San Pedro.

On behalf of the Los Angeles Harbor community, I wish you a safe competition.

Dear Friends:

The Port of Los Angeles is proud to sponsor the 2024 Port of Los Angeles Harbor Cup – Cal Maritime Invitational Intercollegiate Regatta – now in its 16th year – at Los Angeles Yacht Club.

It is a joy to welcome you, your families, friends and supporters, to our Port to enjoy this historic competition for the coveted Harbor Cup trophy.

Whether it is for the first time or the 16th, teams from across the nation have come to the LA Waterfront to make their mark on this time-honored tradition that promotes discipline, teamwork, and environmental stewardship. The dedication and talent of these collegiate sailors is incredibly inspiring.

Thank you for being here and as always, we wish you all fair winds and an enjoyable, safe weekend.

Sincerely,

EUGENE D. SEROKA
Executive Director

Dear Participating Teams and Sailing Fans,

Welcome to the 16th annual Port of Los Angeles Harbor Cup Intercollegiate Regatta!

On behalf of the faculty, staff, students, and volunteers of the California State University Maritime Academy, I would like to thank the Port of Los Angeles and the Los Angeles Yacht Club for their hospitality and continued support of collegiate sailing's premier offshore competition. I am grateful for the time and dedication invested by all involved in organizing this remarkable event.

As a member of the Pacific Coast Collegiate Sailing Conference — one of seven that compete under the Inter-Collegiate Sailing Association's governing authority — Cal Maritime is excited to welcome fans from across the nation to Southern California for this world-class weekend-long event and to cheer on 10 elite sailing teams.

In addition to their hard work in the classroom, participating student-athletes also serve as first-class university ambassadors. Successfully balancing these responsibilities requires strong leadership skills and dedication, as well as an uncommon level of resilience, integrity, respect, dedication and teamwork.

The entire Cal Maritime community joins me in wishing everyone competing in the Harbor Cup weekend the very best of luck!

Respectfully,

Michael J. Dumont

LOS ANGELES YACHT CLUB®

On behalf of the Los Angeles Yacht Club, I am pleased to welcome you to the 2024 Cal Maritime Invitational Intercollegiate Regatta Port of Los Angeles Harbor Cup. It is the 16th time we will be hosting this event and we are looking forward to seeing all the competitors, especially our first time entrant UC San Diego - welcome.

In addition to managing the race course, Los Angeles yacht Club members enjoy supporting the fleet of spectator boats for the races, providing accommodations for the traveling teams on their boats, providing all meals and hosting great evening social events. We are also extremely proud this year to present legendary boat racer and owner, Roy P. Disney, as our keynote speaker on Saturday evening.

Los Angeles Yacht Club members hope that the 2024 Port of Los Angeles Harbor Cup is truly a special and memorable experience for all teams. Good luck to you all.

Sincerely,

Kenneth Corry

Port of Los Angeles Harbor Cup Cal Maritime Invitational Intercollegiate Regatta **Keynote Speaker • Roy P. Disney**

Roy P. Disney's offshore experience is extensive: Educated at St. Mary's College, he quickly started sailing with his family aboard many small sailboats and frequently crossed over to Catalina Island for family vacations at a very young age. His first offshore race, a competition to Ensenada, took place in 1968.

The 1975 Transpac marked Roy's inaugural appearance onboard his family's S&S yawl *Shamrock*; he returned to this world-renowned race again in '77, '79 and '81, followed by the "sled" years (the West Coast sled is defined as a 70ish footer that excels downwind, provides a very comfortable and fast ride for its size).

Roy's first Transpac on a sled was in 1983 aboard a Santa Cruz 50 named *Samurai*; he competed aboard the first *Pyewacket*, a custom Nelson Merrick 68 in 1987, followed by additional Transpacs in '89, '91, '93, '95, '97 (elapsed time record holder), '99 (elapsed time record holder), 2001, '03, '05,

'07, '09, '11, '13, '15, '17, '19, '21 and '23. He currently holds the Transpac participation record (26 races) with Gary Weisman, who now sails onboard *Pyewacket* with Roy. In even number of years, he often participated in Pacific Cups and Vic Maui Races.

Roy currently holds the Newport Beach to Cabo San Lucas elapsed time record on his current boat, *Pyewacket 70*, a super charged Volvo 70.

When not competing locally, Roy sailed across the Atlantic in the 1992 Route of Discovery Race, the 1984 Olympic Trials in Solings and over 50 races in Mexico, a list that includes competitions in Cabo San Lucas, Puerto Vallarta, Manzanillo, Mazatlán and Ensenada. Between these races, he was a key crew member aboard yacht *PACT 95*, which narrowly missed qualifying for the America's Cup.

Roy, the current President of Shamrock Holdings, also serves on numerous boards of directors and plays a crucial role on the U.S. Naval Academy Fales Committee.

CAL MARITIME

Cal Maritime, Harbor Cup champions in two off the last three regattas, will seek its ninth crown in the 16-race history of this event against the top collegiate offshore programs in the country.

After winning the John F. Kennedy Memorial trophy for the fifth time in school history in November of 2023, and becoming just the sixth school in that event's history to win back-to-back championships, the Keelhaulers seek another major trophy to their collection following its title-winning performance at the Shields Cup last October.

Cal Maritime Athletics, and its sailing program, are grateful for the hard work provided by regatta volunteers, the Los Angeles Yacht Club, its members and the Port of Los Angeles since this collective effort is why this regatta is known as one of the top regattas in collegiate sailing.

CAL POLY

The Cal Poly Sailing Team is excited and honored to return for its fourth year in a row at the Harbor Cup. Our entirely student-run team works hard to foster a passion for sailing and a respect for the water, as well as developing our racing skills.

The crew consists of numerous offshore sailors with over 35,000 combined ocean miles and avid dinghy sailors who are excited to try big boat racing. With valuable lessons from previous appearances, and knowledge gained from keelboat practices this year, Cal Poly is ready to compete against the nation's top teams at this year's Harbor Cup.

We thank Cal Maritime, the Port of Los Angeles and the Los Angeles Yacht Club for this incredible opportunity.

COLLEGE OF CHARLESTON

The College of Charleston Cougars are thrilled to return to the Port of Los Angeles this year, compete for the Harbor Cup and celebrate a decade of racing at this event. The offshore team worked very hard all year, training with a remarkable group of young talent and experienced success in several events, including first-place finishes at the Southern Collegiate Offshore Regatta and the Larchmont IOR.

The Cougars are excited and determined to make Coach Goss, the team and the College of Charleston proud at their 11th Harbor Cup.

MAINE MARITIME ACADEMY

The Maine Maritime Academy Varsity Sailing Team is honored to compete for the second year in a row in the Port of Los Angeles Harbor Cup. The setting and hospitality provided by the Port of Los Angeles, Cal Maritime, and the Los Angeles Yacht Club are truly first class. Combined with the spirit of college sailing, the atmosphere is electric.

Being a part of the fierce competition at the front of the fleet last year lit a fire under our team that continues to burn. Our campus in Castine, Maine, is the center of four centuries of maritime history and provides MMA sailors access to the pristine waters of Penobscot Bay for training. The offshore team practices in a fleet acquired through our thriving Yacht Donation Program, which currently includes a Taylor 41 and Sydney 38.

The team would like to thank the MMA Sailing alumni, led by Bill Full and John Settles, for supporting another trip to California.

The United States Coast Guard Academy Offshore Sailing Team is comprised of 39 committed cadets who divide their time between school, military duties, and offshore sailing.

The team sails out of Jacob's Rock (CGA sailing center) located on campus, practice on the Thames River in front of "the Rock", Long Island Sound and Fishers Island Sound which allows for training in a variety of conditions.

Our team splits its time racing Melges 32s, Leadership 44s and J70s.

Coast Guard Academy Offshore Sailing is excited for the chance to race at this year's Harbor Cup and looks forward to pushing the competition at this event.

U.S. MERCHANT MARINE ACADEMY

With a rich history of success, the United States Merchant Marine Offshore Team is one of a few fully funded offshore programs in college sailing. The team competes within ICSA, as well as numerous regional, national, and international events. These include the Marblehead-Halifax Race, Annapolis-Newport and the Newport-Bermuda Race.

With three ICSA National Championships, and countless other wins, Kings Point Offshore Team is one of the most decorated programs in the country. This year alone, the team won major keelboat regattas at the Intercollegiate Offshore Regatta, the Macmillan Cup and the Kennedy Cup.

The team also won the Battle of the Atlantic Trophy in 2018 and the Destroyers Atlantic Trophy in the last two iterations of the Newport-Bermuda Race.

U.S. NAVAL ACADEMY

The U.S. Naval Academy is honored to compete in this year's Harbor Cup — the inaugural appearance in this regatta for most of Navy's crew even though the program possesses numerous years of experience at this regatta from past appearances. The midshipmen representing Navy are part of a 90-member offshore sailing team.

Last fall, Navy competed in many local races in Chesapeake Bay against civilians and teams during our home intercollegiate big boat events, highlighted by a third-place finish at GLIOR, first and second place at Larchmont's Storm Trysail regatta.

Following the Harbor Cup, mids will focus their attention on training for the Annapolis to Bermuda and Newport to Bermuda offshore races.

UC SAN DIEGO

The UC San Diego sailing team is a student-run sports club that exists to represent the school in college regattas throughout the state and across the country, as well as to introduce students to what we believe is the greatest sport in the world: sailboat racing.

As members of the Pacific Coast Collegiate Sailing Conference, we compete in co-ed and women's events every other weekend during the school year. While we are a racing team, introducing students to sailboat racing is a key function of the program.

Our team sails in beautiful Mission Bay, approximately 10 minutes south of campus, and keeps its eight CFJs at Mission Bay Yacht Club — a club with a strong emphasis on dinghy sailing.

UNIVERSITY OF HAWAI'I

The University of Hawai'i Offshore Team is comprised of a crew of sailors that practice on the program's J35. Many of the sailors have competed in the Hawai'i Inshore and Offshore fleets this past year and are excited about the opportunity to defend its 2023 Harbor Cup trophy against the top teams in the country.

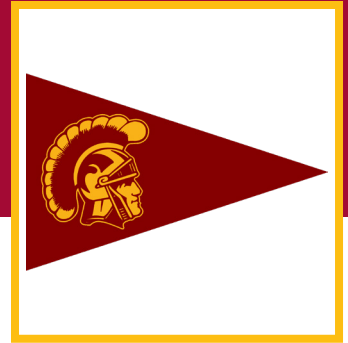

Started in 1969, the University of Hawai'i Sailing team is now in its 55th year of competition. Over the years, Hawai'i hosted eight National Championships and won the 2001 ICSCA Women's and the 2004 ICSCA Coed Dinghy National Championship.

Cal Maritime Yacht Donation Program | CMAFYachtDonation.org

Discover the benefits of yacht donation.

Support the next generation of mariners and maritime leaders.

In 2018, the California Maritime Academy Foundation (CMAF) set an ambitious goal to raise \$40 million to support the university with a campaign to deliver on Cal Maritime's promise to maintain and grow our reputation for excellence. We proudly announce that as of June 2023, thanks to many alumni donors and CMAF's Marine Development Committee Yacht Donation Program, the campaign has raised more than \$47.5 million, exceeding the initial goal and completing the campaign three years ahead of schedule.

California State University Maritime Academy's mission of education, research, and training is focused on the maritime industry. CMAF is a charitable organization as defined by Section 501(c)(3) of the federal tax code.

The Catalina 37 fleet, donated by Frank Butler, the president of Catalina Yachts, has been used for Long Beach Yacht Club's signature event, Congressional Cup, for more than three decades. The Long Beach Sailing Foundation, a 501 (c)(3) nonprofit organization was formed in 1991 to own, manage and maintain the eleven "37s." As a part of its mission, the Foundation undertakes activities that promote national and international amateur sailing, maritime education and youth sailing opportunities. In the process you will find the Catalina 37 fleet at the core of all the work the Foundation does. This Harbor Cup weekend you will see the Catalina 37's in the hands of some of the best collegiate sailors and skippers in United States. To provide the fairest possible racing, the Foundation maintains the boats to an identical standard in all performance-related areas: weight, equipment, rig tuning and sails. This is possible through the tremendous efforts of dedicated volunteers, contractors and supporters. The Foundation is honored and grateful for the wonderful partners that are essential to maintaining the fleet. Special thanks go to Catalina Yachts, Bahia Marine/Quantum Sails Long Beach, our maintenance partner and to Samson Rope Technologies for "keeping the fleet rigged."

The Long Beach Sailing Foundation is proud to participate with Los Angeles Yacht Club, Cal Maritime Academy and the Port of Los Angeles in supporting intercollegiate fleet racing and helping to make Harbor Cup the outstanding event that it is.
