Our top priority is the safety of our guests and team. We are 100% trained and will operate based on all guidelines established by the CDC and the State of Florida.

During this time we have been working diligently to remodel, sanitize and refresh the Studio. We are 100% trained and prepared with all PPE and safety guidelines issued by the CDC and OSHA.

We are asking all of our guests to wear face coverings when entering and exiting the Studio. We will also have face masks available.

Our lobby is compliant with social distancing guidelines, however if prefer you may check in from your car by calling (813) 879-3700 when you arrive.

As an additional precaution we are asking all of our guests to complete a COVID19 intake form prior to their appointments.
