

## **Doxson Proofreading & Editing**

### **[Hiring page](#)**

Doxson Proofreading & Editing is a department of SsK Academy Group. Their range of language services encompasses documents, editing, and proofreading.

## **eCORRECTOR**

### **[Hiring page](#)**

eCORRECTOR was established in 2013 by Dr. Mark Hunt to answer the demand for high-quality proofreading services delivered by qualified native speakers. In time, the offer was expanded to include specialist translations—always completed by native speakers of the target languages.

## **Edit 911**

### **[Hiring page](#)**

Edit 911 is an editing service employed by Toyota, DHL, Black & Decker, Transitions Optical, Hanson Robotics, Cambridge College, the University of Phoenix, dozens of other companies and institutions, and thousands of professionals and advanced degree students. They seek dissertation editors, thesis editors, and book editors to join their world-class staff.

## **Editana**

### **[Hiring page](#)**

Editana is a global network of English-language editors, available 24/7 to respond to clients' editing and proofreading needs. They recruit from the world's top universities to ensure that their work is of the highest quality. Their editors are highly skilled in all forms of writing necessary to guarantee that the client's needs are met, whatever those needs may be.
