Your vehicle needs a service, maintenance or repairs?

Simply contact your nearest vehicle manufacturers approved dealership to book your vehicle in for service or repair.

When making your booking please advise the dealership that your vehicle is managed by Toyota Fleet Management. The repairer will contact the TFM Repair Authorisation Centre to obtain approval to work on your vehicle.

Cannot locate an approved service or repair centre?

Should you require details of an approved repairer in your area, please call the TFM Repair Authorisation Centre on [1300 888 871](tel:1300888871).

Tyres

When your vehicle needs replacement tyres, a puncture repaired or wheel alignment, please take your vehicle to one of our approved tyre outlets. The tyre outlet will need to obtain approval from the TFM Repair Authorisation Centre on [1300 888 871](tel:1300888871). We recommend that any replacement tyres fitted should be the same make and specification as those fitted by the manufacturer to the vehicle.
