## Permanent Forum on Indigenous Issues

### Twentieth session

New York, 19–30 April 2021

Item 2 of the provisional agenda\*

### Adoption of the agenda and organization of work

## Proposed organization of work

### Note by the secretariat

The proposed organization of work for the twentieth session of the Permanent Forum on Indigenous Issues was prepared by the Indigenous Peoples and Development Branch of the Division for Inclusive Social Development of the Department of Economic and Social Affairs in its capacity as secretariat of the Forum in consultation with the members of the Forum. The provisions contained in the present document constitute extraordinary measures arising from the global coronavirus disease (COVID-19) pandemic and their impact on the work of the Economic and Social Council and its subsidiary bodies, and would accordingly be approved by the Permanent Forum on an exceptional basis, on the understanding that they would not constitute a precedent for its work at future sessions.
