

Cascade Of Consequences

"There was truth and there was untruth, and if you clung to the truth even against the whole world, you were not mad." – **George Orwell 1984**

"People will agree with you only if they already agree with you. You do not change people's minds." – **Frank Zappa**

Orwell and Zappa's words of wisdom have never been truer than they are today. The level of untruth proliferated by the government, mainstream media, central bankers, military leaders, Big Tech, Big Pharma, Big Corp., and billionaire oligarchs has reached prolific heights. We are lost in a whirlwind of lies, destined to grow into a tornado of tragedy and ultimately result in a cascade of consequences.

Since the installation of the illegitimate dementia patient as president of this dying empire of debt by the Deep State (billionaire oligarchs, surveillance state agencies, military industrial complex, Silicon Valley censorship tyrants, corrupt bought off state politicians, Soros installed bureaucrats, and their propaganda arm – fake news media outlets), the country has further fractured into warring factions.

It has been driven by political party, moral vs. immoral, black vs. white, criminals vs. police, normal vs. abnormal, capitalists vs. communists, Federal Reserve vs. the people, vaxxer sheep vs. natural immunity realists, authoritarians vs. freedom fighters, critical thinkers vs. non-thinking believers, privileged elite vs. common men and women, citizens vs. traitors, powerful vs. powerless, and evil versus good.

As Zappa realized, people believe the narrative they have been conditioned to believe, and no quantity of facts, data or rational arguments will change their minds. Arguing on twitter or facebook is not going to change the mind of those you are arguing against. Our public education indoctrination centers have taught multiple generations to feel rather than think, believe rather than question, obey rather than challenge, and allow their minds to be molded by elitists to follow orders and do as they are told, no questions asked.

This organized effort by men constituting a true invisible government has been a conscious, decades long, manipulation of the minds of the masses, through media propaganda, government cultural indoctrination, and most recently through internet social media platforms.

Those in control have achieved astounding success in exploiting the psychological weaknesses of millions of Americans by inducing them to believe absurd falsities, consume on command, become dependent on government handouts, go into debt, work soul crushing jobs, become addicted to the very technology used to manipulate them and surveil them, and believe anything authority figures tell them to believe. The past seventeen months have proven this to be true.

They convinced an enormous portion of the world's population a non-lethal virus, for anyone under 80 years old in decent health, was such a threat they agreed to be locked down and masked for a year, destroying the global economy, putting tens of millions out of work, bankrupting hundreds of thousands of small businesses, and benefiting authoritarian government tyrants, mega-corporations, and criminal cabal who stole the presidential election for a senile hair sniffing angry gaffe machine functioning as a Trojan donkey (ass) to implement the Build Back Better, new world order WEF plan.

The Davos elite and their henchmen have accomplished more than they probably thought possible, achieving almost universal compliance and obedience to rules and dictates which have proven to be pointless in controlling Covid, but remarkable in controlling the masses. The throngs have demonstrated their willful ignorance and sheeplike qualities by unquestioningly trusting anything their superiors told them and obeying orders like submissive slaves. Those controlling the narrative took the teachings of Edward Bernays to heart and realized repeat a lie often enough and it becomes the truth.

The number of provable untruths conveyed by those running this global psy-op have reached colossal heights of deceit. When trusted medical “experts”, politicians, Hollywood stars, sports heroes, government health apparatchiks, and corporate media all relentlessly repeat the same lies, it is difficult for a dumbed down populace to not believe the official narrative. Anyone who presented factual data to counter the untruths has been immediately censored and disappeared by the Silicon Valley social media tyrants Zuckerberg and Dorsey.

When doctors and journalists, with opinions and views contrary to Saint Fauci and his fawning media minions, are banned from Facebook and Twitter, while a media conspiracy to cover up Hunter Biden’s laptop and documented voting fraud in multiple states is beyond doubt, and an unarmed selfie taking joke of an insurrection where a bunch of boobs were ushered into the Capital by the police has been portrayed as the worse attack than Pearl Harbor or 9/11, you realize your government is controlled by men who are actively working against your best interests. They are acting to make sure you remain enslaved in debt, beholden to token government handouts of money they have already taken from you, and locked down physically, mentally, and socially.

The blatant disregard for truth displayed by our overlords during the last two years is either a sign of utter disdain for the intelligence of the common man or an act of desperation as this global Ponzi scheme of debt, deception and delusion is teetering on the brink of collapse. I do know the Big Lie strategy has been utilized at a level of zeal monumental in scope and shameful in application against the citizens of this nation and the world.

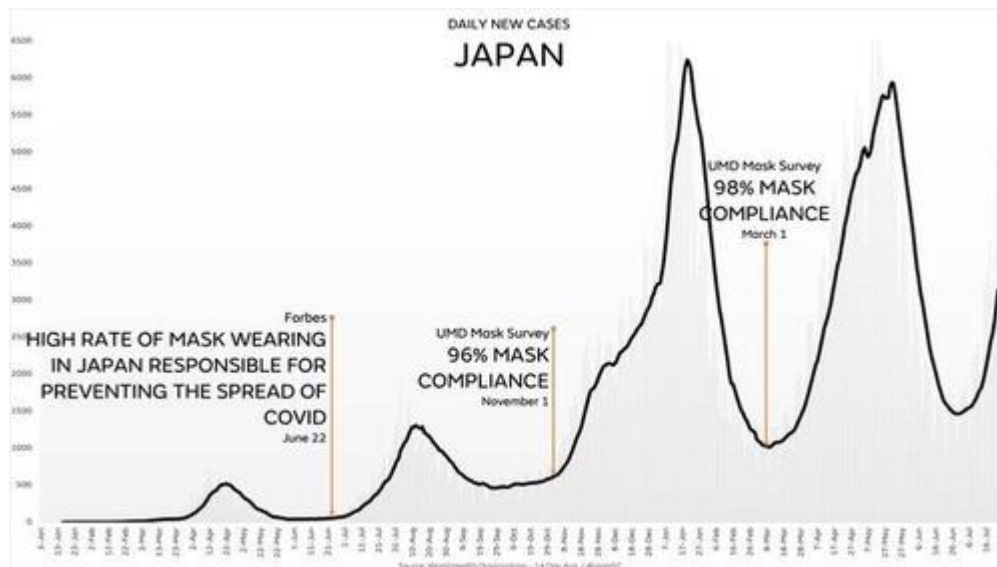

I will try to document some of the more egregious falsehoods being perpetuated by those attempting to control the narrative and accomplish their goal of world domination, complete control over our lives, and accumulation of massive wealth, while we will own nothing and be happy. The execution of their plan has been virtually flawless until now.

I’ll address the numerous lies related to the plandemic, where the weaponization of relatively non-lethal flu to anyone under 80 years old not tipping the scales at 275 pounds has been used to steal a presidential election; destroy hundreds of thousands of small businesses while shifting the profits to mega-corps like Amazon, Wal-Mart and Target; created division and suspicion among the population making them easier to manipulate and control; effectively implemented authoritarian measures and mandates, putting a final nail in the coffin of our Constitutional rights; unleashed the power of a corporate fascist social media censorship regime designed to silence the truth and punish those who do not comply with the approved narrative; and creating perpetual unfounded fear among the masses in order to make them obey all orders from their oligarch controllers.

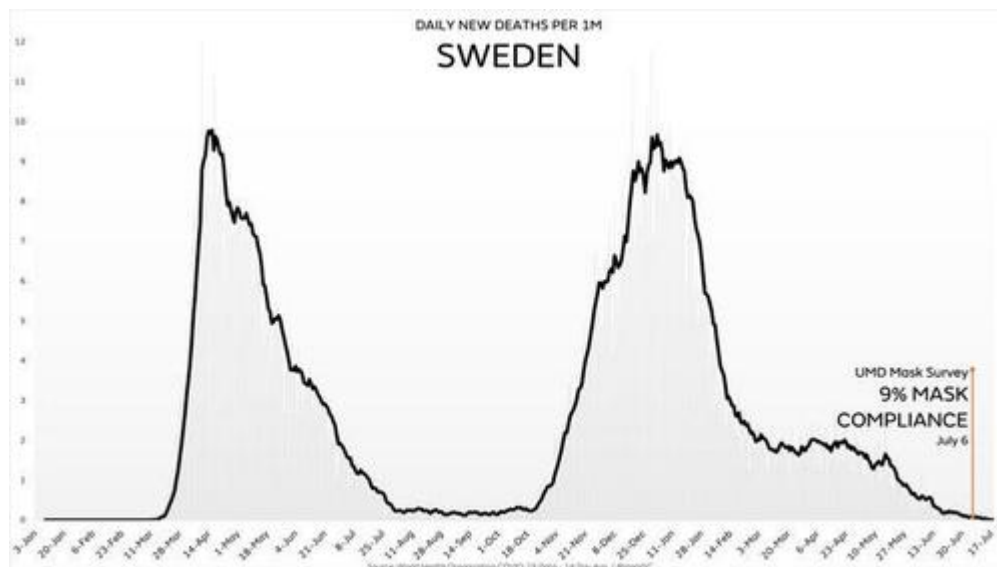

One of the biggest lies from the outset has been about masks. All guidance from renowned health organizations prior to 2020, and backed up with scientific studies, unequivocally stated masks DO NOT protect you from viruses. **Fauci, the Surgeon General and head of the CDC were not lying in March 2020 when they told the American public masks do not stop the spread of the virus.** They have been lying ever since. The manufacturers of the masks even put a warning on the box that they do not work in preventing the spread of Covid-19.

The two charts below prove the point, and I could present fifty more charts from around the world showing the same results. Japan, the most masked country on earth, even when there isn't a pandemic, was widely lauded early in the pandemic for stopping the spread with masks. Somehow, with 96% mask compliance, they experienced a massive surge in cases in January, another surge in May/June, and now a new surge, just like everywhere. Masks prevented nothing. They are useless against all viruses.

That brings us to the left-wing media whipping boy – Sweden. As the only developed country on earth to not lockdown, close schools, or require masks, they are truly the control group. The NYT, Washington Post and every other left wing fake news outlet wrote numerous fear mongering articles about the disaster in Sweden. They experienced the same exact pattern of cases as every other country in the world, with a surge in April/May 2020 and January 2021.

Their death rate per million people is the 21st highest in the world, with the UK, U.S., Spain, France, and Mexico recording far worse rates despite lockdowns and mask mandates. What becomes self-evident from the graph is they are not experiencing a surge from the Delta variant. Their vaccination rate is in the mid 30% range and virtually no one wears a mask. They have had ZERO deaths “with” covid in the last week. Previously infected people are not catching the Delta variant, while vaccinated people are. It sure looks like Sweden has achieved herd immunity with no lockdowns, masks, or mass vaccinations. But don’t expect the left wing media or Fauci to applaud their undeniable success.

The powers that be are now invoking mask mandates once again. **Data and facts are meaningless to these totalitarian tyrants.** The masks have never been about safety or stopping the spread. We've never been in this together. The point of the masks has been control. They wanted to sow distrust among the masses as nothing but disease spreading parasites. They want to dehumanize us.

They don't want like-minded people getting together and realizing they are being screwed by their leaders. They want you holed up in your basement, frightened of a flu with a 99.7% survival rate. Smiles don't exist when you are masked. Giving miserable lonely cat lady Karens a purpose in life is designed to sow discontent, anger, and division. We all become faceless sheep being corralled, shorn, and ultimately sacrificed at the altar of the Build Back Better New World Order.

Again, I could use fifty other charts proving lockdowns did not and do not work, but this chart of the permanently locked down continent of Australia will suffice. **The dictatorial lockdowns across Australia didn't work last July and August, as cases soared, and they have been entirely unnecessary since.** A country with 26 million people has recorded less than 5 deaths with Covid since last October. Because the 7-day average of cases (not sick people) in Sydney has "skyrocketed" to 100 (with 1 death of an 80-year-old), the entire city has been locked down.

The propaganda media supports this ridiculous overreach with hyperbolic headlines about super spreader events. At least a portion of their population is fed up and their protests have begun to get violent, clashing with police thugs ordered to silence the discontent. Lockdowns are not for the purpose of keeping you safe. Their purpose is to keep the authoritarian politicians safe, while enriching their corporate and banking benefactors. These politicians and bureaucrats are being bought off to do the bidding of the true masters of the universe – the billionaire class.

This brings us to the big lie about **vaccines**. It seems both the left and right are in on the vaccine lie. The first lie is this gene altering concoction is actually a vaccine. A vaccine is supposed to trigger your immune system and provide immunity from a disease. This supposed vaccine does nothing of the sort. The polio vaccine didn't lessen the polio symptoms, it eliminated polio as a disease. The smallpox vaccine didn't lessen smallpox symptoms, it eradicated smallpox. These covid vaccines were sold to the public as the cure for covid. The CDC's own website says the vaccine was supposed to keep you from getting the virus. **Fact Check – FALSE!!!**

Despite the misinformation being promulgated by Dementia Joe and his White House sycophants, vaccinated people are getting covid, being hospitalized, and dying with covid. The vaccine worshipers declared that no one said it was full proof, because its effectiveness was 95%. Of course, there would be a few breakthrough cases. It appears we have a more than a few. The data from Israel, the most vaxxed country on the planet, is proving these "vaccines" to be virtually worthless.

Over 80% of new cases are among the vaxxed and the effectiveness of the vaccines are clocking in at 39%, just a smidge lower than the 95% from the doctored trials. The cognitive dissonance of the vaxxed, rationalizing their stupidity by flailing about with new reasons for why the vaxx works as advertised is fascinating to observe. Just like Zappa said, you cannot change people's minds, even when their decisions have proven to be asinine.

Israel Confirmed Cases, July 4 th – July 10 th , Vaccinated* vs. Unvaccinated**				
Age Group	Cases, Vaccinated	Cases, Unvaccinated	Percent of Cases Vaccinated	Percent of Population*** Vaccinated

30-39	248	84	75%	82%
40-49	356	54	87%	85%
50-59	237	26	90%	89%
60-69	227	14	94%	91%
70-79	143	12	92%	95%

* Vaccinated – 2 shots.				
** Unvaccinated – No shots.				
*** Excluding population with 1 shot.				

Now the story-line has changed to it reduces the symptoms and keeps you from being hospitalized or dying. Another Big Lie. The narrative is now 99% of the cases are among the unvaccinated. Untrue once again. They are purposely not testing the vaxxed, but still the data is rolling in day after day of the vaxxed catching covid, being hospitalized and dying. In addition, all the paid off medical “experts”, sports figures, Hollywood stars, and social media influencers appear in the never-ending vaccine marketing blitz commercials, subsidized with your tax dollars, telling you how safe and effective these jabs are. Another huge lie. The VAERS database.

When the swine flu vaccine killed several people, it was immediately pulled by the FDA as too dangerous. Despite this experimental gene therapy killing and maiming thousands, while not providing the advertised immunity, the powers that be are ramping up the fear volume to 11 in order to sell this Big Pharma profit bonanza (with zero liability for the deaths and injuries caused by this toxic brew) to the public. They have even bought off Republican governors, senators, and the Fox news shills through threats of de-funding or promises of compensation (aka bribes).

They are laboriously ramming the jab as essential for teenagers down our throats, with the assistance of woke leftist university administrators demanding compliance to attend classes. **Virtually no one under the age of 19 has died “with” covid in the last 17 months**, as the CDC’s own statistics show. The proliferation of myocarditis in young men after getting the jab is being suppressed by the media vaccine complex.

Teenagers have a greater risk of dying from the jab than covid, but their brainwashed willfully ignorant parents are sacrificing them up to the altar of Big Pharma profits. And none of this considers the unknown long-term effects from this emergency use authorized, non-FDA approved brew. World renowned doctors, including the inventor of the mRNA treatment, have declared young people should not get the jab. The risks far outweigh the benefits.

This leads us to the lies required to allow these EUA “vaccines” to be used in the first place. The FDA is only supposed to allow emergency use of non-approved drugs if there are no other treatments deemed capable of providing the same level of success in treating the disease. It was known very early in this scandemic both **ivermectin** and **hydroxychloroquine**, safe, cheap, and effective drugs, both drastically reduced the symptoms of this flu. Scientific studies and papers were issued.

Many doctors began writing about their effectiveness and life-saving qualities. Even Trump was touting them. **Suddenly, the Silicon Valley social media tyrants began censoring doctors, studies, or anyone daring to put forth facts about these cheap, plentiful, safe drugs.** Trump stopped talking about them. Only the vaccines could save us. Doctors and hospitals were paid to shut up and deny writing prescriptions for these drugs. There was no money to be made prescribing these life-saving drugs.

How many lives could have been saved if these supposed “do no harm” physicians had not bowed down to Fauci and his Big Pharma co-conspirators. It’s always been about the Benjamins and Fauci has been the Liar-in-Chief during this plandemic, reaping the accolades from the vaccine rollout, keeping the fear

flowing, and covering up his role in funding the creation of this virus in the Wuhan bioweapon lab. There are no coincidences when it comes to this engineered and weaponized pandemic. Was it a coincidence Gates, Fauci and Schwab conducted the Event 201 pandemic simulation in October 2019, three months before this bio-engineered virus was released into the world?

Why were Moderna patents for their vaccine obtained before the pandemic began? Why do Fauci and his NIH cronies have financial interests in Moderna? When will Fauci be brought to justice for funding the gain of function research at the Wuhan lab, as he continues to lie to Congress, despite documented proof of his guilt. This troll-like creature is a global mass murderer still lauded by the fake news media and treated like a holy figure by mindless liberal twits across the land. The sheep will bleatingly line up for their Pfizer booster shot, because three must be better than two. The only boost will be to Pfizer's hundreds of billions of vaccine profits.

Now the latest Big Lie has been revealed, well after the damage has been done. Kary Mullis, who won the Nobel Prize in Chemistry for the invention of the PCR test, had this to say about its use and Fauci:

“The PCR, if you do it well, you can find almost anything in anybody. Those guys have got an agenda which is not what we would like them to have, being that we pay for them to take care of our health in some way. They have a personal kind of agenda. They make up their own rules as they go; they change them when they want to. And they (are smug)—like Tony Fauci does not mind going on television in front of the people who pay his salary and lie directly into the camera.”

His test was misused by Fauci and his financially motivated cohorts across the medical industrial complex to create a global casademic, by measuring at greater than 35/40 cycles, creating the illusion of a pandemic by producing a huge number of false positives. As CNN and the rest of the propaganda spewing media outlets provided second by second case counts to frighten the masses into lockdown and mask compliance, only a tiny fraction of these cases were actual sicknesses.

There were critical thinking, rational medical professionals, journalists, and bloggers who argued the test was not accurately measuring the level of sickness in the world. The corporate media gave them no platform to speak, and the social media Big Brother entities censored and banned any discussion about the worthlessness of the PCR test and the level of false positives.

If the test had been conducted at 28 cycles, it would have ruined their agenda of removing Trump, destroying the economy, frightening the sheep into mass compliance, and furthering their Build Back Better New World Order. The moment Biden was installed as president, the guidance from the CDC on the PCR test was reduced from 35/40 to 28 cycles. They needed the case counts to drop to make it look like the vaccine was working. There was a narrative to peddle to the plebs.

Now, the vaccines are being revealed to be ineffective and dangerous. In a shocking development (not), late on a Friday night, the FDA put out a little alert that the PCR test is a complete failure and will be pulled from the market. It seems it accomplished its purpose of stoking mass global panic, and now that vaxxed people are testing positive in tremendous numbers, it has outlived its usefulness. And Fauci and his band of incompetent medical “professionals” won’t even blink or admit their devastatingly disastrous mistake of using a faulty test to shut down the entire planet.

Laboratory Alert: Changes to CDC RT-PCR for SARS-CoV-2 Testing

Audience: Individuals Performing COVID-19 Testing

Level: Laboratory Alert

After December 31, 2021, CDC will withdraw the request to the U.S. Food and Drug Administration (FDA) for Emergency Use Authorization (EUA) of the CDC 2019-Novel Coronavirus (2019-nCoV) Real-Time RT-PCR Diagnostic Panel, the assay first introduced in February 2020 for detection of SARS-CoV-2 only. CDC is providing this advance notice for clinical laboratories to have adequate time to select and implement one of the many FDA-authorized alternatives.

[Visit the FDA website](#) for a list of authorized COVID-19 diagnostic methods. For a summary of the performance of FDA-authorized molecular methods with an FDA reference panel, [visit this page](#).

In preparation for this change, CDC recommends clinical laboratories and testing sites that have been using the CDC 2019-nCoV RT-PCR assay select and begin their transition to another FDA-authorized COVID-19 test. CDC encourages laboratories to consider adoption of a multiplexed method

Despite all these lies being revealed, the gullible, sheep-like masses breathlessly await the new proclamations and dictates from Fauci and the rest of the medical frauds dancing to the tune of Big Pharma, Gates, Soros, and Schwab. The narrative has devolved into renewed lockdowns, mask mandates, vaccine passports, and blaming the unvaxxed healthy people for the “surge” in cases (still 80% below January and 30% below April).

Despite over a year of factual data proving lockdowns and masks do not work, they demand compliance. Despite the fact vaxxed zombies’ contract and spread the virus, they insist on vaccine passports, which would be useless other than as a further control mechanism over the masses.

And lastly if the PCR test is entirely useless, according to the FDA, the surge in “cases” proclaimed by the politicians and compliant media mouthpieces, is a worthless data point and means nothing. What we do know is the entire U.S. is experiencing about 250 deaths per day “with” covid and the vast majority are over 80 with five co-morbidities. This is 93% below the January peak, 60% below the level in May, and 20% below the level in June. For some perspective, 400 people die each day from strokes and 1,650 die each day from cancer in the U.S. This fading faux pandemic is a nothing burger, with a side of fear mongering, and a dessert of permanent lockdowns.

They have pushed their agenda too far and too fast. The UK, France, Italy and Australia have tried to cross a bridge too far. Their totalitarian lockdowns, mandatory vaccine passport schemes, and generally treating their citizens like cattle has begun to backfire. Violent protests are taking place around the globe against the despotic tyranny of their elected leaders. The psychological manipulation and mass media propaganda worked for over a year. They took their foot off the gas by relaxing lockdowns and mask mandates but think their diabolical heavy-handed schemes will work again amid this faux delta variant charade.

The controllers' hubris has led them to believe their Bernaysian propaganda mind manipulation techniques will work just as well the 2nd time around. As the mass protests attest, there are millions not buying what they are selling anymore. They want their freedom back. It wasn't a majority that threw the British tea into the Boston Harbor. It was an irate tireless minority who set the brushfires of freedom in the minds of men. The smell of revolution is in the air.

Orwell's fiction has become an instruction manual for our Big Brother overlords. He understood what power meant to these evil men. They are trying to remake the world by tearing everything apart and remaking it to their benefit.

"Power is in tearing human minds to pieces and putting them together again in new shapes of your choosing." – **George Orwell**

The cascade of consequences created by those wielding power across the globe have only just begun. Their boldness in implementing a plan of global control where we will own nothing, eat bugs, be electronically surveilled 24/7, depend on government for an electronically delivered living stipend, be stripped of our rights to free speech, armed defense, and privacy, while living under constant fear of armed government thugs busting down our doors because we committed thoughtcrime, has rendered them recklessly arrogant.

Despite all their efforts to censor and suppress the truth, the internet is too vast and uncontrollable to shut down – unless this was the true purpose of Schwab's recent Cyber Polygon simulation. As truth tellers across the world have begun to gain some traction, Huxley's quote becomes more pertinent.

"You shall know the truth and the truth shall make you mad." – **Aldous Huxley**

People are getting mad. Those in power want us to direct our anger at each other. They want the vaxxed fighting the non-vaxxed, blacks fighting whites, citizens fighting immigrants, men fighting women, young fighting old, and the country fighting Russia and China. What the oligarchs do not want is our ire to be focused on them. But they have pushed the people too far. The top 1% of Americans own \$42 trillion of wealth, 16 times as much as the bottom 50%, with most of that wealth concentrated among a few hundred families. This is not accidental. It's part of their plan. This pillaging campaign is aided and abetted by their puppets at the Federal Reserve. And this is not reserved for just America. Europe is equally controlled by the few.

The consequence of their traitorous deeds is pointing towards civil chaos and global conflict – as anticipated in the later stages of a Fourth Turning. The protests arising across the globe are just the beginning. The way to chip away at their power is mass non-compliance to their mandates and individual acts of heroism, which will inspire more people to resist. Mocking and ridiculing the oligarchs and their minions will contribute to their decline in status. Boycotting corporations and entities supporting the narrative weakens their sway. Shunning those supporting the establishment, whether they be family, friends, or coworkers, will be essential in shifting the balance of power.

Most people have proven to be followers. We need to shift the narrative to the point where they begin following the truth tellers. The enemy have the wealth, power of the media, and politicians in their pockets. They think they have the police and military, but videos of the police joining the protestors in Italy, offer hope they may turn on the oligarchs. They have families at risk too. Our freedom and our future hang in the balance. Critical independent thought, courage, and fortitude in the face of tremendous adversity will be essential in defeating these global tyrants who think of you as a parasite to be crushed under their boot. Remember Carlin's first rule. **Don't believe anything your government tells you. It's all lies.**

“..My mind doesn’t work that way, I got this real moron thing i do, it’s called thinking and I’m not a very good American because I like to form my own opinions...I have certain rules I live by. My first rule, I don’t believe anything the government tells me... and I don’t take very seriously the media or the press in this country..”

-George Carlin
