CASTING ON

1. Make a slip knot: Wind the yarn around two fingers and over the two fingers again to the back of the first thread.
2. Pull the back thread through the front one to form a loop.
3. Pop it on to your left hand needle and Pull end to tighten loop just a little.
4. Follow knit stitch instructions, but put new loop/stitch on to left hand needle, without slipping the old one off.

KNIT (OR GARTER) STITCH

1. With the yarn at the back of the work, insert the right hand needle from left to right through the front of the first stitch on the left hand needle.
2. Wind the yarn round the back of the right hand needle anti-clockwise and look for the new stitch forming.
3. Pull through the loop/ new stitch and make sure the old one slips off the left hand needle.

PURL STITCH

1. With the yarn at the front of your work, insert the right hand needle from right to left through the front of the first stitch on the left hand needle.
2. Wind the yarn anti clockwise round the right hand needle
3. Pull through the new loop/stitch on the back of the right hand needle and slip the original stitch off the left hand needle.

CASTING OFF

1. Knit the first two stitches.
2. Using the left hand needle, lift the first stitch over the second and drop it off the needle.
3. Knit the next stitch and repeat step 2, right across the row.
