

Pennsylvania Bar Association
Commission on Women in the Profession
Special Achievement Award

The Commission on Women in the Profession's Special Achievement Award recognizes those achievements by a female member of the legal profession whose actions and work have promoted the betterment of women in the law and have enhanced services to women in general. The core purpose of the award is to recognize efforts by an individual that exemplify the values and mission of the Commission on Women in the Profession, in addition to other accomplishments.

The Award will be given sparingly and need not be given on an annual basis. Nonetheless, more than one award may be presented in the same year. Recipients of the award must be a member of the Pennsylvania Bar Association.
