More Interior Space

Clean, uncluttered interior with the industry's most interior space for wheelchair maneuverability.

Built w/ Galvanneal Steel

Manufacturing process that provides superior corrosion and rust protection, positively impacting your resale value.

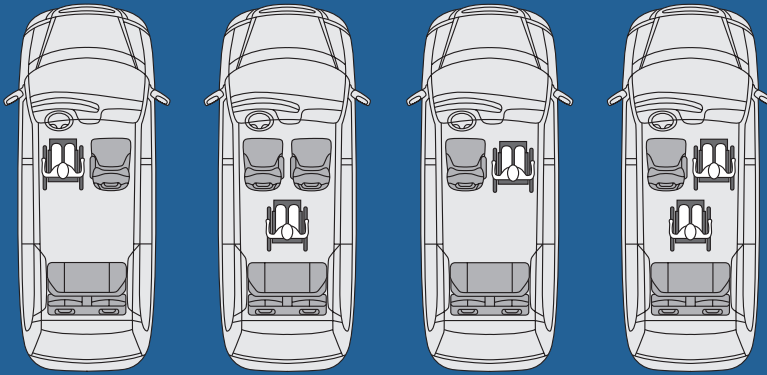

Two Easy to Use Key Fobs

Separate remotes for the door and ramp/kneeling system offers reliability that is easy to be serviced.

Removable Front Seats

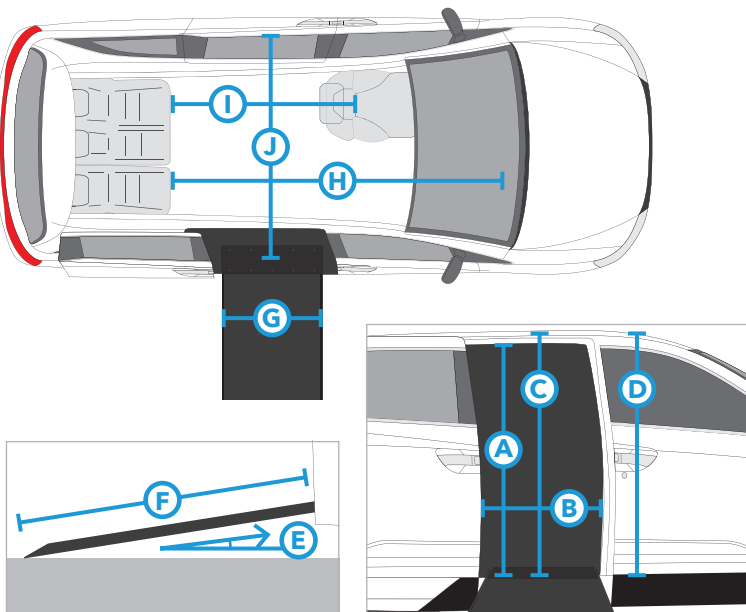

Easy front seat access to accommodate wheelchairs in the driver and front passenger positions.

Flexible Seating Options

The Galaxy conversion has seating capacity for up to six passengers, allowing for independence and flexibility. Wheelchair users can choose to drive from their chair, sit in the front passenger position, or ride in the middle of the van.
