

# BLOCK PARTY BLOCK #18

## Pointed Square

Designed for the Studio 180 Designs

~Wing Clipper® I ~Square Squared  
~ Pickets and Quickets Technique Sheet

Created By: Tina Dillard

*It's fun to look at different blocks and see different shapes and dimensions. This block does just that; you will find that it seems like it is two blocks, but it really is one block.*

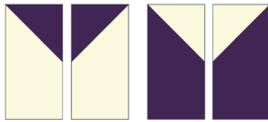

*Using the blocks cutting chart below, determine the size you wish to make. Refer to the Wing Clipper® I, Square Squared tool instructions and the Pickets and Quickets Technique Sheet to determine the size of squares that need to be cut out for the units.*

*When your units are complete, assembly your block carefully, making the inside block first and then adding the outside units. Pressing all you seams open is highly recommend when assembling the block.*

*If you don't have the Studio 180 Design tools, please visit your local quilt shop or order them directly from [www.quiltingaffection.com](http://www.quiltingaffection.com) or [Studio180Design.net](http://Studio180Design.net).*

### Unit Summary:

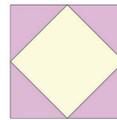

**A: Quickets**

**B: Flying Geese**

**C: Square Squared**

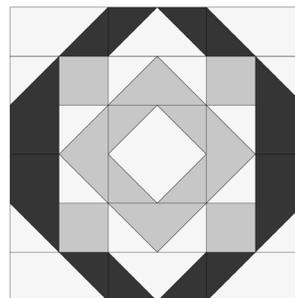

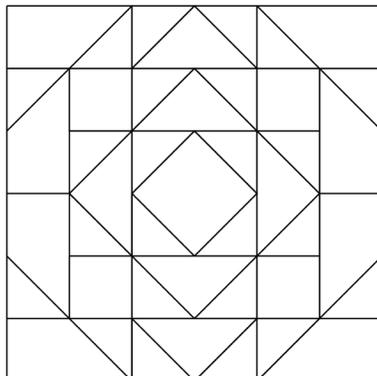

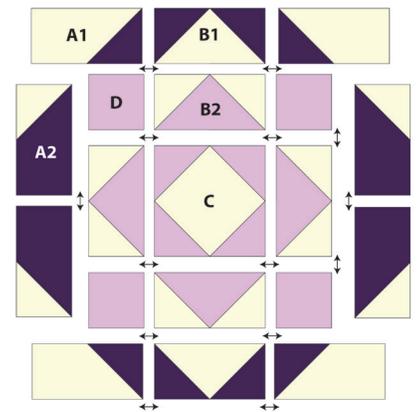

**D: Square**
