| Barnies | See Barnacle Class. |
| Barrier Cloud | From my book, <i>The Sacred Nonaggression Principle</i> (2008). The Barrier Cloud I conceived as a major psychological and political impediment to realizing the nonaggression principle in society. | CBS | Collective-brain syndrome: The subject of the book, a psychology that seeks to conform and fit in with the consensus reality of others, participate in the illusion that it is part of a collective brain. <i>Invasion of the Body Snatchers'</i> condition of surrender of independent mind. Also: A psychological condition where a carrier-human surrenders independent rational judgment in a vain attempt to do what conforms to peer pressure and obeys the authorities. |

| Covtardia | Aka the 'mass-batshit-crazy disease': gullible acceptance of the mainstream 'covid' official story that a meaningless positive test for an unidentified virus \Rightarrow an infection that will kill you so governments lock down, isolate, and mask <i>everyone</i> and bury businesses and livelihoods in pursuit of global tyranny. [Full covtardia is taking it and <i>liking</i> it.] |
