The Oraluna Letter Blanket

Templates & instructions

www.oraluna.com
hello@oraluna.com

1. Choose your template

Important: Print the template that corresponds with your desired blanket size (inches): Small 30x40, Medium: 50x60, Large: 60x80.
One template per blanket.
Use 8.5x11" or A4 (paper or similar).
Print in color.

2. Write your letter

Do not use a pencil or any color other than black.

Use a black, Self-tipped pen

Write as clear as you can. Write Bold.

Double check and make sure all spelling is correct. (Especially names). Blankets with spelling mistakes are not replaceable.

Write large like this :)

Do not write too small like this

3. Scan, Or take a photo

For best results, SCAN your template. Settings will vary depending on your scanner, but look for:
- High resolution or 300dpi
- Color photograph (not a document).

If scanning is not possible, take a photo of your template then please **follow these guidelines:**

✔ Take a bright photo during the day, near a window).

✔ Lay your template on a flat surface

✔ Take photo from straight above (not at an angle)

✔ Take a photo of the whole page

✘ Do not use flash

✘ Do not use phone apps like CamScanner… a regular photo is better

Blurry, dark or low-quality photos may result in a non-exact copy of your handwriting!
