NISSAN OVERSTOCKED MUFFLERS TERMS AND CONDITIONS

The above overstocked Nissan mufflers have limited quantities and inventory levels are subject to change without notice. To receive the latest and most accurate information on available inventory, please contact a Nett Technologies' representative. The above items are not reflective of newly added overstocked inventory - if you don't see your particular product, please contact Nett Technologies. Certain terms and conditions apply. Some items are considered OEM and Nett Technologies reserves the right to sell these products.

Nissan standard and catalytic after-market mufflers

Located in the Greater Toronto Area, Nett Technologies Inc. is an innovative emissions control company that specializes in the design, development and manufacturing of proprietary and non-proprietary **Nissan** emission control solutions using the latest in 3-Way and Diesel Oxidation Catalyst (DOC) technologies. Sold and supported globally, Nett Technologies Inc., uses the best of materials, innovative product design and quality workmanship to manufacture its products. We are the industry leader and an innovator of direct-fit emission control solutions for **Nissan** equipment. Our **Nissan** direct-fit mufflers replaces the OEM mufflers while retaining the same envelope size. Additionally, our **Nissan** after-market mufflers keep key engine performance attributes like sound attenuation and back pressure characteristics. Discover today the many ways Nett Technologies Inc. can help you and your organization with all your **Nissan** emission control needs.
