About US/Warranty

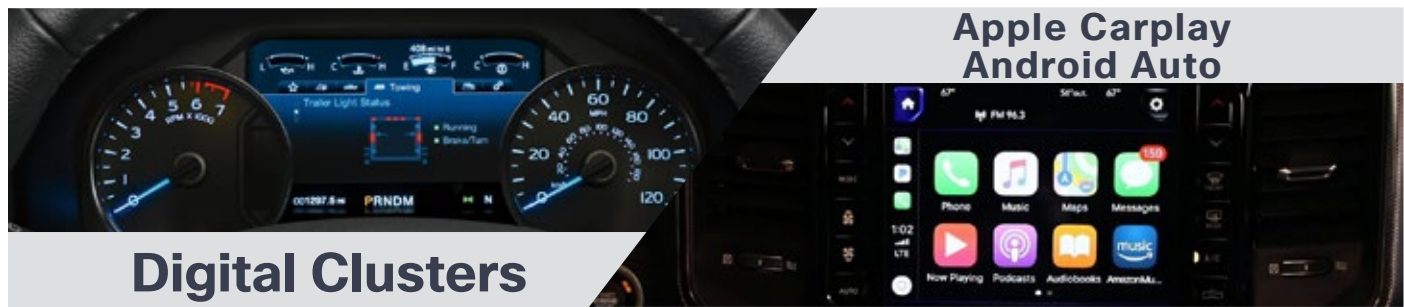

CORE UPGRADES

Upgrades That Are Essential For Bringing Your Vehicle To The Next Level

SAFETY UPGRADES

Upgrades For Everyday Peace Of Mind

Digital Clusters

Upgrade to a high definition LCD cluster. Keep an eye on all of your gauges, settings, navigation, and radio all in one convenient place.

Add convenience and handsfree connectivity to any drive with these 2 platforms.

Apple Carplay
Android Auto

Sirius XM

Allows drivers to listen to the music they like, when they like. Commercial free programming, sports and exclusive content are available.

GPS Navigation & Large
Touchscreen

On-board navigation avoids issues related to poor cell reception or power loss when navigating while driving.

Blind Spot Monitoring

This upgrade warns drivers when a lane change would be unsafe.

Rearview Camera

Provides a wide angle backup view via the vehicle backup camera.

Power Folding Mirrors

Power folding mirrors make wide sideview mirrors more convenient when not in use, by decreasing the vehicle's width.

Dealer Benefits

Buyback Program

Don't get stuck with old equipment. Make sales and installations more profitable. We buy back certain OEM radios depending on market demand in a simple online process.

Compatibility Guarantee

We back every infotainment solution we ship! If you install it, it will work. We offer a money-back guarantee on all purchases.

Easy Installation

Fully engineered solutions, means we designed our products to be simple to install. No wiring issues or hacks, everything you need for a plug-and-play installation will be included.

Factory Warranty

Our wholesale accounts get the same warranty that they do from the manufacturer. That's 3 full years of protection for you and your customers.

Phone Support

We offer live tech support with all of our products. Our tech agents are available 6 days a week and are highly trained in all vehicle makes & models.

Infotainment.com offers OEM engineered infotainment solutions to wholesalers. Our solutions have been fully-engineered from end-to-end, meaning plug-and-play simplicity. We pre-program all systems to each specific vehicle prior to shipping. Post installation you have the confidence of our compatibility guarantee, 3-year warranty and live phone tech support.

Verified Installers

Our verified installers program, allows you to not only earn profits via resells, but also generates free exposure.

We have over 8,000 daily visitors. That's your business exposed to 3 million potential interested customers.

Upgrades

III Sirius XM

We offer the upgraded UAA radio featuring Sirius Satellite. Pair with our factory XM antenna for the complete factory satellite package.

[See More](#)

IV Trailer Brake Controller

This upgrade will allow you to adjust gain on the fly while being able to adjust settings right in your cluster. The complete kit comes with everything you need to install this great upgrade.

[See More](#)

V Wireless Charger

Enjoy wireless phone charging while you drive. This factory upgrade allows you to charge your phone without the hassle of worrying about wires.

[See More](#)

VI LED Bed Lighting

The premium RAM factory bed lights is a great addition to anyone working late or with a bed cover. Find anything you need easily with these bright LED lights.

[See More](#)

VII LED Headlights

Upgrade to the Premium OEM LED lights. With both chrome & black shrouds available. This will give you a full factory fit & finish. Also improve visibility with an increase of 9000 lumens over halogens 3000 lumens.

[See More](#)

VIII Power Folding Mirrors

Add the convenience of powered mirrors to your RAM truck. We offer standard & towing mirrors in black & chrome finish.

[See More](#)

IX Blind Spot Monitoring

Blind-spot monitoring is one of the most useful tools for safety. If you pay attention to the audible or visual warnings, they can minimize your chances of merging into another vehicle.

[See More](#)

X Digital Gauge Cluster

The gauge cluster will increase the look & technology of your vehicle. Giving you a convenient and customizable view. If equipped with navigation you will also receive turn by turn directions in the display.

Ram Classic

2013-2019

Upgrades

III 5-Inch RA2

- ◊ 5-inch touchscreen
- ◊ AM/FM radio
- ◊ Integrated Uconnect® Voice Command and Bluetooth® ready
- ◊ Voice text reply
- ◊ SiriusXM® Satellite Radio
- ◊ Speed-adjusted volume

[See More](#)

IV Trailer Brake Controller

This upgrade will allow you to adjust gain on the fly while being able to adjust settings right in your cluster. The complete kit comes with everything you need to install this great upgrade.

[See More](#)

V Power Folding Mirrors

Add the convenience of powered mirrors to your RAM truck. We offer standard & towing mirrors in black & chrome finish.

[See More](#)

VI Mirror Microphone

Add the factory Bluetooth Microphone. This will allow you to add a Bluetooth ready radio, and use voice commands. This is a great safety upgrade, and an OEM quality Microphone.

[See More](#)

VII Cargo Camera

This will allow you to add the Ram factory cargo camera to your truck. This is a great safety, and convenience upgrade. Have peace of mind knowing your cargo is safe by keeping an eye on it.

[See More](#)

VIII LED Headlights

Upgrade to the Premium OEM LED lights. With both chrome & black shrouds available. This will give you a full factory fit & finish. Also improve visibility with an increase of 9000 lumens over halogens 3000 lumens.

[See More](#)

IX Rear Camera

Easy DIY Installation to add a rear view camera. The camera will show on the radio just like it would if installed from factory including guide lines.

[See More](#)

X Digital Gauge Cluster

The gauge cluster will increase the look & technology of your vehicle. Giving you a convenient and customizable view. If equipped with navigation you will also receive turn by turn directions in the display.

Special SUV IO3 to IO6

An industry exclusive Suburban/Tahoe special service upgrade. Ideal for business fleet, police, and government trucks. Upgrade today from the base model audio system to the premium 8-inch touchscreen display featuring bluetooth handsfree, factory GM® GPS navigation, and Apple CarPlay® / Android Auto®.

Easy Plug & Play Solution To Upgrade Your Vehicle. Simply Plug In The Programmer Wait For The Green Light & Enjoy Your New Feature!

Trailer Brake Controller

Upgrade your Ram with this Mopar integrated Trailer Brake Control programmer. The integrated brake controller allows the driver to automatically or manually activate the electronic brakes on properly equipped trailers for greater stopping power on downhill grades. Drivers can customize the amount of brake force applied to the trailer brakes depending on the load, and independent of the truck's brakes.

Rear View Camera

This product allows just about any vehicle to program for backup / rear view camera. Installation is a breeze and takes only a few minutes. Simply insert into your OBD port, wait for the green light and remove. Once you put the vehicle in reverse it will switch to the rear camera just like from factory

We specialize in vehicle programming, and have many great upgrades to offer. Save money, and a trip to the dealership by programming factory upgrades from the comfort of your own home without losing any functionality. We continue innovating new products daily, and offer a wide variety of products for Ram, Chrysler, Dodge, Jeep, GM, Ford, Mercedes, and more!

Experienced, dedicated and thorough are just a few ways to describe our service team at Infotainment. Our technicians and support personnel go above and beyond to exceed your expectations. Whether you are looking for repair, remanufacturing, or replacement, no job is too small or too big.

navrepair
AUTOMOTIVE ELECTRONICS REPAIR

Our repair division, NavRepair, can provide white label repair services for your business. NavRepair offers repair services across most domestic makes and models. Repairs can generally be completed within 2 to 3 days.

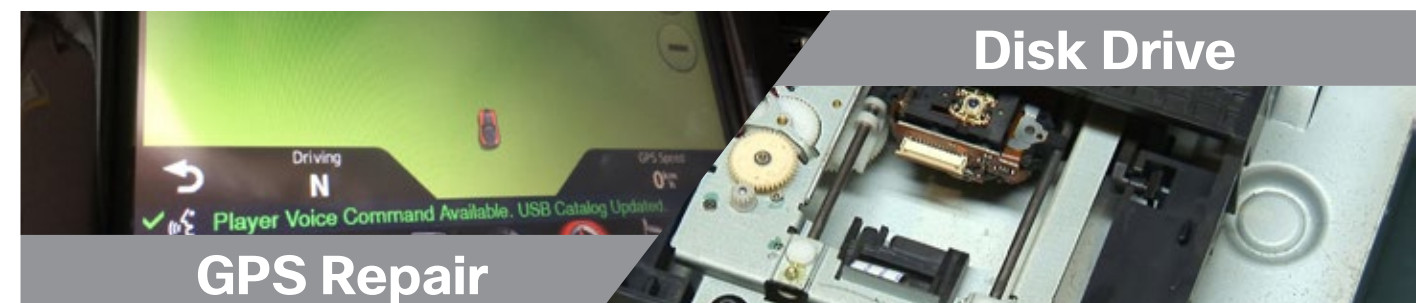

Cue Repair

We repair Cadillac CUE systems with the known "spider screen" issues. Screen replacements can be completed within 24 hours when parts are in stock.

Screen Repair

Cracked, scratched or non-responsive touchscreens. We can replace screens and digitizers for Dodge, GM, Ford and Chrysler infotainment touchscreens.

GPS Repair

We specialize in repairing infotainment GPS systems. Get your customers on the right path and generate revenue at the same time.

Disk Drive

From CD player drives to the essential navigation disk drives we are able to repair, test, and make sure you no longer have an issue listening to your favorite CD, or navigating around town.

About Infotainment

Discover Our Potential

Contact

We have a large knowledgeable sales team standing by to take your calls 5 days a week to ensure every upgrade works with your vehicle. If you have any issues we also have an expert live support team available 6 days a week.

History

We have been in business for over 10 years with more than 80,000 orders shipped out. Our founder Doug Indrunas has been working with vehicles & their upgrades for more than 30 years, and has been on the front lines of every innovation to date.

Location

We are located in Oviedo, Florida where we have a large warehouse, and our corporate headquarters. Our brand new building was built to help us grow & improve over the years to service a wider range of vehicles & upgrades.

Warranty/Liability Information

90-DAY RETURN POLICY:

- 30-day money back / 90-day technical support & warranty exchange which begins the day received by the customer.
- Returns must be well packaged, in original condition, and with our return authorization form. Return shipping is to be paid by the customer on all returns. *Unless deemed defective by Infotainment.com. Customers located outside the United States will be responsible for all incurred shipping charges and customs duty/tax fees from or to Infotainment.com.
- 15% restocking fee on any returned products. *Unless deemed defective by Infotainment.com.
- We will not refund any incurred removal or installation charges under any circumstances.
- Any variation of shipping or product damage must be reported to Infotainment.com within 14 days of being received by the customer.
- Please allow 5-10 business days for any refund to be processed after received by our returns department for full inspection. *This return policy is null & void if product(s) have been tampered with. NO EXCEPTIONS!

-YEAR EXTENDED WARRANTY:

- For only 10% of the item price our 1-year extended warranty covers electrical and mechanical breakdown. In the unlikely event your product fails we will provide you with a return shipping label and gladly exchange or repair the product at no additional cost.
- This warranty does not cover failures from wear and tear, normal maintenance, accidental damage, or any consequential loss.
- Returns must be well packaged, in original condition, and with our return merchandise authorization form.
- We will not refund any incurred removal or installation charges under any circumstances.

LIABILITY (PLEASE READ!): THE VEHICLE DRIVER MUST ALWAYS KEEP THEIR EYES AND ATTENTION ON THE ROAD AT ALL TIMES.

In some states it is illegal to have a video viewable by the driver while the vehicle is in motion. It is your responsibility to know and adhere to all applicable laws and regulations. By purchasing and installing any system or product from Infotainment.com you hereby agree that Infotainment.com, its owners, employees and affiliates cannot be held liable for any accidents, fines, tickets or misuse of its products which may result from the driver's distraction. Use of any product should be limited to and is intended solely for passenger entertainment and off-road use only. If the unit is sold to a party other than the original owner, it is the previous owner's responsibility to provide this disclaimer in writing to the purchasing party. Infotainment.com, defined as 'sellers and resellers' are in no way responsible for any damage or malfunction, which may occur to your car and/or your car's electrical system by installing our systems or products.

We are a dedicated team of individuals with a passion for electronics & automotive upgrades.

Customers About Us

Bryan B.

Very quick and easy. Well explained exactly what I would need. OEM equipment and excellent ease of installation with great videos. Safety of driving for my daughter

David O.

Super easy to navigate through your website. Loved the youtube videos and ya'll have factory OEM equipment. Perfect fit for my 2012 Ram. Factory installed radio went out and you had OEM replacements with upgrades.

Brooke Geiger

"Great company, great product. They repaired my screen after it had bubbles almost a year later. Fantastic service and very friendly"

Gram Wally

"Solved my uconnect issues when no one else could...could not have been more helpful and extremely courteous and knowledgeable 5 stars!!"

Wholesale

GM - Nick Anderson Of Chuck Anderson Ford

Their products are capable OEM and their customer service is top notch. We've been able to put together car and truck deals by adding the product to the vehicle to better fit the wants and needs of our customers. You won't find better support from a third party I highly suggest their services and products to anyone.

Paul Reed

Outstanding customer service. Navigation added to my 13 F150, works great. Great follow up.....

Joe Washburn

I bought the Chevy navigation programmer for my 2020 Silverado since it did not come equipped with it. This product is amazing! It works exactly as described in the u-tube videos. I will recommend this to anyone with excellent customer service you can't go wrong..
