

Welcome to Christmas 2019 at Trotters Farm Shop. As always our aim is to offer our customers the highest quality home-grown and local produce. It is a struggle to fit all this fine produce on to one easy to use order form. Below are more details on some of our products.

Free Range Pork

All pork is home reared and 100% free range. We use a (Landrace x Duroc) x Hampshire pig. This gives a traditional tasting pork, with just the right amount of fat and marbling within the meat, giving a succulent, flavoursome joint. All our pork is Antibiotic Free, ask in store for more details. We can butcher to your requirements. Not sure the best way to cook it? Then help yourself to our handy cooking guidelines.

Locally Reared Beef

All the beef is reared by Mr. Barker, at East Lodge Farm, Brompton. (approx 4 miles away). As we get all our beef from here, we can guarantee quality and consistency. Our Beef is Antibiotic Free. All carcasses are hung to mature, (the steaks are hung for 28 days). This enhances the flavour, and helps to tenderise the meat. Whether it's a prime steak, a roasting joint or simply some mince, you won't be disappointed. Well hung, expertly butchered to your requirements, and bursting with flavour.

Pork Pies, Cheeses, & Home Baking

It wouldn't be Christmas without these items. We have a selection of pork pie sizes, from individual to 4lb pies. (don't forget the chutney to go with it). The cheese selection consists of some of the best locally produced cheeses, select your own mix, or go for a platter, something for all tastes. The all important Christmas cake, order one of our Brandy laced cakes, to finish off your Christmas order. Don't forget the chutney to go with it. Why not try our speciality pork pies, Pork Apple & Stuffing, Pigs Revenge or Black Pudding Pies.

Christmas Poultry

We are able to offer a wide selection of poultry for your festivities. Free range or barn reared turkeys, chickens, geese, and ducks. We also have turkey butterfly's (Boneless Turkey Breast).

Should you require something different please ask, we are sure to be able to help. We can prepare your poultry to your needs, e.g. boning out, stuffing or preparing a bird in a bird for you. Multibird roasts to suit all sizes of families, small, medium or big enough for a banquet! Our Poultry is Antibiotic Free, ask in store for more details.

Award Winning Sausages & Bacon

We have a huge selection of sausage flavours. All made with our own free range pork and mixed with the finest ingredients. Something to suit all tastes. Don't forget the sausage meat for the stuffing, or get our stuffing balls all ready made for you. Gluten Free Sausage and sausage meat also available. Our dry cured bacon is a must for your breakfast, full of flavour and NO added water. Don't forget the streaky to lay over the Christmas roast.

Home Cured Gammons

We have gammon joints to suit all, large or small. Perfect boiled or roasted, hot or cold. Serve with one of our many pickles.

We also have a selection of local ales, spirits, vegetables, breads, oils, sauces, pickles, gifts, chocolates, stuffing mixes, goose fat, logs, coal & Kindling.

Home Cooked Meats

Let us do the cooking, choose from our selection of cooked meats, we have our own hams, beef, and pressed ox tongue. Great for a buffet, or as a joint to carve over the Christmas period.
