

BLOCK PARTY BLOCK #25

Cabin Star

Designed for the Studio 180 Designs

~ Wing Clipper® ~ Tucker Trimmer III®
~ Traditional Log Cabin Technique Sheet

Created By: Tina Dillard

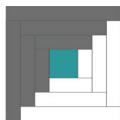

Cabin Star is a fun block that combines Log Cabin Blocks and Flying Geese units to make a unique-looking log cabin block. Lots of color combinations!

The number of log rounds you'll need will depend on the size of the finished block. Refer to the Studio 180 Design Traditional Log Cabin Technique Sheet when making the log cabin blocks. You'll also need the Wing Clipper® tool cutting charts for making the Flying Geese units.

If you don't have the Studio 180 Design tools, please visit your local quilt shop or order them directly from www.quiltingaffection.com or Studio180Design.net.
