# POWERFUL WORDS

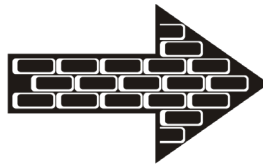

## CHARACTER DEVELOPMENT

### POWERFUL PROJECT

Name: \_\_\_\_\_

The Powerful Word of the Month is citizenship. Citizenship means; "I am a helpful member of my community!" We can be helpful citizens in so many ways. We can use our time to help others in need - from those in our family to those in our community or across the world! We can use our talents to help others by doing activities like making cards for kids in the hospital, singing for the elderly or walking shelter dogs. We can also be a good citizen by cleaning up our communities, planting trees, picking up garbage, recycling and so much more! **Below, write or draw how YOU show that you are a good citizen!**
